FOREWORD

For the first time in recent years the "Unitarian Year Book" and the "Annual Report" are combined in a single publication. The reason is partly war-time economy, but also the hope that the combination may result in wider circulation and more general reading for both documents.

Most of the reductions in form which earlier war-time economies dictated have been continued, but the Church statistics have this year been printed as before the war. We hope this return to earlier practice may be approved by the body of the denomination. We have received many urgent requests that the statistics be published.

One of the most important sections of this publication is the official roster of Unitarian ministers, which will be found on pages 78-92. Special attention is called to the notes on page 77, explaining the difference between the regular list and the affiliated list. The regular list contains the names of ministers having primary fellowship with the Unitarian denomination, and it is this list only that carries the commendation of the Fellowship Committee for settlement over Unitarian churches.

The Editor will be indebted to correspondents who will send in corrections, practical suggestions, or notifications of changes.

AMERICAN UNITARIAN ASSOCIATION

NATURE AND SCOPE OF THE ASSOCIATION

At the Annual Meeting of the American Unitarian Association, held on May 25, 1936, the following "declaratory resolution" was adopted:

The Association is a voluntary organization of churches and other religious, educational and philanthropic societies, and life members now empowered to vote, uniting themselves in the furtherance of the purposes enumerated in Article I of the Association's By-Laws.

In thus associating themselves the individual churches and societies abrogate no part of their independent autonomy; neither does the Association have any authority over other conferences or associations of Unitarian churches having lesser geographical scope. The Association is, nevertheless, competent to undertake such functions in behalf of the entire body of associated churches as these churches, by delegates assembled, may from time to time commit to it.

The Association shall make a biennial review of the whole field of interest common to the Unitarian fellowship in America and shall address general suggestions or special counsel to the churches as a group and to the associated societies in relation to their collective concerns.

The relation of the Association to other Unitarian societies of general scope is that of a general council. It has responsibility for promoting the unity and harmony of the entire movement, but, until further advised by its experience, will confine itself to recommending to these societies for voluntary adoption such undertakings and methods in their respective fields as it judges to be in the minds of the fellowship.

BY-LAWS OF THE ASSOCIATION

AS ADOPTED ON MAY 25, 1937

Amended May 26, 1938, May 25, 1939, May 23, 1940, and May 22, 1941

Article I. Purpose

The purpose of the American Unitarian Association shall be:

1. To diffuse the knowledge and promote the interests of pure religion, which, in accordance with the teachings of Jesus, is summed up in love to God and love to man;

2. To strengthen the churches which unite in the Association for more and better work for the Kingdom of God;

3. To organize new churches for the extension of our faith in our own country and in other lands;

4. And to encourage sympathy and cooperation among religious liberals at home and abroad.

5. The Association recognizes that its constituency is congregational in tradition and policy, and that nothing in these By-Laws is to be construed as an authoritative test.

Article II. Organization Members

1. Churches and other religious, educational and philanthropic societies which make annual contributions to the Association shall be members of the Association. Churches and organizations not members of the Association may become such whenever they shall express their approval of or general sympathy with the purpose of the Association, and whenever their contributions are received and have been accepted by the Board of Directors.

2. Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, and by one additional lay delegate for each additional fifty voting members; and shall be entitled to choose a like number of alternate lay delegates to serve in the event of the absence of any of the delegates originally chosen. and, in the case of such member churches as have local auxiliaries in good standing of the Unitarian Laymen's League, the General Alliance of Unitarian and Other Liberal Christian Women, and the Young People's Religious Union, by one additional lay delegate or alternate for each such auxiliary. All lay delegates shall be chosen by each member church from its own constituency in accordance with its by-laws or precedents. Each other member society shall be represented by its president and two other accredited delegates or alternates, only, chosen as aforesaid from its members or those participating in its activities. No individual member nor any delegate shall be entitled to more than one vote at any meeting of the Association. A contribution must be placed in the hands of the officers of the Association on or before April 30, to entitle a church or other society to be represented in meetings of the Association during the year beginning on the following May 1.

Article III. Individual Life and Associate Members

1. A subscription of fifty dollars shall constitute a person a member of this Association for life, but no church or other society shall be entitled to the representation set forth in Article II by virtue of any subscription used for the creation of life members. No person constituted a life member after the first day of May, 1925, shall have the right to vote; but nothing herein provided shall be construed to affect the rights or privileges of life members duly constituted as such before the first day of May, 1925.

2. A subscription of one dollar or more per year shall constitute a person an associate member of this Association. Associate membership shall not carry the right to vote.

Article IV. Honorary Vice-Presidents and Members

1. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect honorary life members of this Association who shall have the rights and privileges of accredited delegates. Such elections shall be by ballot and nominations shall lie over one month. The number of such honorary life members shall not exceed twenty-five.

2. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect one or more honorary Vice-Presidents, ex officiis, to be chosen exclusively from among the chief officers of the organized Unitarian or allied church groups in other countries.

Article V. Officers and Directors

1. The officers shall be a Moderator; a President; and nine (9) regional Vice-Presidents, one of whom at the time of his or her election shall be from Northern New England, one from Southern New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Rocky Mountain States, one from the Pacific Coast, and one from the Dominion of Canada; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting.

2. The terms of office shall be as follows: the Moderator for two years; the President, the Secretary, and the Treasurer, for four years; eighteen

(18) of the directors, of whom not less than five shall be laymen, not less than five shall be women and not less than five shall be ministers, for three years, one-third to be elected annually; all other officers and directors for one year.

3. The Secretary of the Association shall cause to be prepared and mailed each year, on or before May 1st, to every member church and society as many ballots as the number of delegates to which it is entitled as representatives at the annual meeting of such year, and one ballot each to every individual member entitled to vote at the annual meeting, upon which ballots shall appear the nominations made in accordance with Article X with appropriate blank spaces for the substitution of alternative names. Each such ballot, when placed in a sealed envelope and accompanied by the signed credentials of an individual member or of any delegate member entitled to vote at such annual meeting and received by the Secretary of the Association not later than 5 P. M. of the day preceding the said annual meeting, shall be deposited with the chairman of the Committee on Ballots, who shall open any and all such envelopes in the presence of the Committee on Ballots at the time of their canvass of the vote of the meeting; and all of such ballots so found shall be counted in said canvass and in addition to the votes cast in person at said annual meeting, provided that no individual member nor any delegate shall be entitled to more than one vote.

Article VI. Duties of Directors

1. The Board of Directors shall meet at least four times each year, ten members constituting a quorum, and shall have charge of all the business and interests of the Association, the direction of its funds and operations, and authority to call special meetings of the Association whenever they shall deem it necessary or expedient.

2. It shall report to the annual meeting of the Association.

3. The Board shall choose from its own number a chairman of the Board, who shall have such duties as the Board may designate.

The executive committee shall report to the Board at each of its regular meetings all transactions of the committee since its last report. The executive committee shall meet at the call of the President or Secretary, or upon such other notice as the Board of Directors may establish.

5. The Directors may recognize properly constituted and competent regional conferences of Unitarian churches as administrative auxiliaries and may make appropriations to them for the carrying out of its purposes as set forth in Article I of these By-Laws.

Article VII. Duties of Officers and Committees

1. The Moderator shall be an unsalaried officer and not eligible for re-election. He shall preside at biennial meetings of the Association falling within his term, and shall be provided by the Directors with an expense fund necessary to enable him to accept opportunities to appear and speak in the interests of the Unitarian movement, and for such other purposes as may be approved by the Board of Directors. He shall be an official representative of the Unitarian churches in fraternal non-administrative relations with other religious bodies. He shall be ex-officio a member of the Commission on Planning and Review and a Director of the Association, but have no other responsibility for its administrative affairs.

2. The President is the chief executive officer of the Association. He is ex-officio member of the Executive Committee and of all departmental and standing committees. It is his duty to correlate the work of all departments and agencies of the Association, to supervise its administrative activities, and to present the Annual Report of the Board of Directors.

3. The Secretary shall be responsible for making and preserving full records of the actions of the Association, and of its Directors, for conducting its general correspondence, and in general for those duties usually assigned to a secretary.

4. The Treasurer shall have the custody of the corporate seal and of the funds, deeds, and all other evidences of the property of the Association; shall receive moneys, make disbursements as directed, and otherwise transact all the business of the Association relating to its property and finances. He shall sign, execute, and deliver all agreements, deeds, and other instruments of conveyance, assignment or transfer, in the name of the American Unitarian Association, which shall be under the seal of the Association. He shall have authority to sell, with the approval of any two other members of the Finance Committee, any stocks or other personal property owned by the Association.

5. The President, Secretary, and Treasurer, together with others employed as executive officers and heads of departments, shall constitute a Staff Council, which shall meet at call of the President or Secretary. The

Staff Council shall confer concerning questions involving the work of more than one department; but shall not as a body take action on matters which fall within the primary responsibility of any departmental or standing committee. All regional secretaries shall be eligible to sit with the Staff Council.

6. It shall be the duty of the Business Committee to receive and report upon all resolutions or other matters to be presented for action at any annual, biennial, or special meeting of the Association (except such matters as are provided for in these By-Laws), and, except by consent of a three-quarters vote of those present and voting at the meeting, only such matters as have been presented to the Business Committee at least forty-two days prior to the meeting shall be considered.

Article VIII. Commission on Planning and Review

It may make recommendations to the Board of Directors on matters which for legal reasons the Association cannot act upon outside of the Commonwealth of Massachusetts. The representation of churches at the General Conference shall be upon the same basis as that provided for the annual meeting in section 2 of Article II.

2. The annual meeting of the Association shall be held in the month of May, in Boston, Massachusetts, of which due notice shall be given by circulars to the members of the Association and by advertisement in two or more newspapers published in Boston at least ten days previous to the annual meetings.

3. No business transacted at any meeting other than an annual meeting, requiring the appropriation of money, shall become effective until ratified by the Board of Directors or by the Association at its next annual meeting.

Article X. Nominations

1. The Board of Directors shall nominate the President, the Secretary, and the Treasurer.

5. The other eighteen directors, of whom one-third shall be chosen annually for three years, and all other officers qualified to be members of the Board of Directors shall be nominated by the Nominating Committee.

6. At the General Conference of the Association, the Nominating Committee shall nominate the Moderator for a two-year term, his election to take place at the next following annual meeting. It shall also nominate and the General Conference shall elect a Program Committee and a Business Committee, each of five members, to serve for the biennial and annual meetings held during the two succeeding years. The Program and Business Committees shall elect their own chairmen and secretaries, and the chairman and secretary of each shall be members ex-officiis of the other. Vacancies on the Program or Business Committees shall be filled by the Committee in which such vacancy occurs until the next General Conference.

7. Nominations for any and all officers, directors, and committees shall be published at least ninety days prior to the date of election. Additional nominations may be made through nomination papers signed by fifty adult voting members, of whom not more than five shall be members of any one constituent society, and such nominations when reported to the Secretary of the Association not less than sixty days prior to the date of the meeting at which they are to be voted upon shall be placed upon the official ballot for said meeting.

Article XI. Nominating Committee

1. The Nominating Committee shall consist of ten members. The Presidents of the Unitarian Ministerial Union, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, and the Young People's Religious Union shall be members, ex-officiis.

2. The other six members shall be nominated by the Nominating Committee and elected by the General Conference of the American Unitarian Association.

3. The first Nominating Committee shall be nominated by the present General Conference Committee and shall be elected by ballot at the General Conference in 1937. Three of the six members shall be elected for a term of two years and three for a term of four years.

4. At the General Conference in 1939 and thereafter at each General Conference, three members shall be nominated by the Nominating Committee and elected for a term of four years and shall not be eligible for reelection until two years after the expiration of their terms.

election and shall be ineligible for election to the Board of Directors during their term of office on the Nominating Committee.

6. Vacancies shall be filled by the Nominating Committee until the next General Conference.

The Unitarian Church of the Larger Fellowship provides membership and a spiritual home for isolated Unitarians and their families. The headquarters of the Church and the office of the Minister are at 25 Beacon Street, Boston, Mass. Regular weekly meetings for worship are held in the Chapel.

The Bond of Fellowship is the earnest desire of the members to lead pure, reverent and useful lives, to seek together the love which quickens fellowship and the truth which makes them free.

Persons who have reached the age of sixteen years, who subscribe to the Bond of Fellowship, and who make an annual contribution of at least $5.00 a year, may become members. For young people in schools and colleges the minimum annual subscription is $2.00.

Upon joining the Church, each member or member family receives a copy of *Hymns of the Spirit,* a Unitarian Year Book, a subscription to *The Christian Register* and free literature of the American Unitarian Association. *The Year Book, The Register,* and the free literature are continued with each subsequent subscription to the Church.

The Minister keeps in communication with the members by personal correspondence and through *The Register.* He endeavors to meet the religious needs of all the members and their children. There are many thousands of Unitarians not affiliated with local congregations who will find in this Church a real bond of union with kindred minds.

The administration of the Church is in the hands of an Executive Committee of seven members appointed each year by the Board of Directors of the American Unitarian Association. The President of the Association is the Honorary Minister of the Church.

The Unitarian Church of the Larger Fellowship desires the names of all persons who may wish to become members. Please address:

Rev. Albert C. Dieffenbach, D.D., 25 Beacon Street, Boston 8, Mass.

OFFICIAL LIST OF UNITARIAN MINISTERS

WITH THEIR ADDRESSES

PUBLISHED BY AUTHORITY OF THE FELLOWSHIP COMMITTEE

The following is a list of ministers whom the Fellowship Committee believes are qualified to serve Unitarian Churches. It is the earnest recommendation of the Fellowship Committee that churches of the Unitarian denomination will not call ministers whose names are not on this list without consulting the Department of the Ministry.

Ministers in active parochial work are listed with no letter following their name.

Those in non-parochial service are indicated by the letter N in parenthesis; those who have retired, by the letter R in parenthesis.

The letter P in parenthesis indicates ministers who have received their Preliminary Certificate only.

The letter A in parenthesis indicates those ministers who have primary Fellowship with another denomination but are temporarily serving a Unitarian Church or a Federated Church in which a Unitarian Church is part of the organization.

The official list of ministers in Fellowship with the Unitarian denomination is in the custody of the Fellowship Committee, and all correspondence with regard to the list should be addressed to Rev. Dan Huntington Fenn, Secretary of the Fellowship Committee, 25 Beacon Street, Boston 8. Copies of the Rules of the Fellowship Committee may be obtained through the Department of the Ministry.

NECROLOGY

JULIA N. BUDLONG, after graduating from the University of Iowa in 1916 with a B.A. degree, served as a County School teacher and an assistant in the Library of the Public Library Commission in Bismarck, North Dakota. While there she became convinced that the broader field of the ministry was her real vocation, and so she attended the Pacific Unitarian School for the Ministry from which she graduated with the Th.B. degree in 1920. Her first parish was at Kalamazoo, Michigan, to which she went in the same year. Her ministry here was cut short by an attack of infantile paralysis, the effects of which never left her. In 1929 she again returned to the parish ministry in Pomona, California, where she served until 1935. Her last parish was at Santa Ana, California. She died in New York, December 23, 1943, leaving her husband, Mr. Paul Veley, her mother, Rev. Minna C. Budlong, and a brother.

SAMUEL G. DUNHAM, a native of New Jersey, graduate of Rutgers College and student at Drew Theological Seminary, left the latter institution after three months because of marked differences with the Faculty on theological subjects. His thinking took him into the Universalist ministry where he served until 1917. At that time he joined the Unitarian Fellowship, but rather than continuing in the parish ministry, he spent four years in war work with the Community Service. In 1921 he began his ministry with us at the Bell Street Chapel in Providence. Subsequent Unitarian parishes were Wollaston, Massachusetts, and as a missionary at Nashville, Tennessee.

His work was always effective and constructive and was brought to an unhappy ending just after he accepted a call to Meadville, Pennsylvania, which he was never able to fulfill because of a stroke which incapacitated him. The remaining eleven years of his life were years of invalidism until his death on December 28, 1943. He is survived by two sons and a daughter.

When **CHARLES WESLEY CASSON** died on November 28, 1943, the Unitarian ministry lost one of its best religious interpreters of the world of nature through writings and lectures. Mr. Casson was in constant demand for his illustrated lectures.

In 1898-99, while a student, he supplied the Unitarian Church at Pembroke, Massachusetts. Until 1907, when he served for three years as Secre-

tary of the Department of Publicity of the American Unitarian Association, he was minister at Revere, Massachusetts, Milford, New Hampshire, and Ottawa, Canada. He served the Ottawa church again from 1912-14 and a third time for a year, 1926-27. Other pastorates which he held were the Third Religious Society in Dorchester, Roslindale, East Boston, West Somerville, and Canton, Massachusetts. In 1933 he resigned from Canton to devote his time to lecturing. Mr. Casson is survived by two sons and a brother.

JOSEPH NELSON PARDEE was looked upon by many as the "Dean" of our ministry, for he attained the distinguished age of ninety-six before he died at his home in Bolton, Massachusetts, on January 2, 1944. We also thought of Mr. Pardee as the outstanding example of a man who had been a highly successful rural minister. His interpretation of the opportunities afforded by such a ministry appear in different articles. His pamphlet, "*The Church and the Parish in Massachusetts*," is an outstanding contribution to New England ecclesiastical history. For forty-three years he was a very cooperative and active resident of Bolton. The first twelve years he was minister of the church, but as Minister Emeritus he continued an active and important interest in the Federated Church and in the community.

Mr. Pardee was a graduate of the Harvard Divinity School in 1872, entering, upon his graduation, the ministry of a Universalist Church at Dubuque, Iowa. His other settlements were a Unitarian-Congregational Church at Hyde Park, Illinois; Jackson and Charlotte, Michigan; Medfield, Massachusetts; and Laconia, New Hampshire. Mr. Pardee is survived by four children, eleven grandchildren and five great-grandchildren.

GEORGE LINNAEUS THOMPSON, consistent, courageous, theological and social liberal, poet and author, died on August 17, 1943, at his home in Randolph, Massachusetts. After graduating from Tufts College in 1897, he served Universalist churches at Keene, New Hampshire; Springfield, Vermont; and New York City. In 1910 he entered the Unitarian Fellowship and served our churches at Laconia, New Hampshire; Northfield, Whitman, Dighton and Randolph, Massachusetts. Mr. Thompson's broad interests kept him constantly active in such varying fields as the Prohibition Party of Massachusetts, (three times their chosen candidate for Governor), the Browning Society, geneology, the history of the American Indians, and the Unitarian Fellowship for Social Justice. He wrote and published not only poetry, but also two prose works: *Young George Washington* and *The Land of D. L. Moody*. Mr. Thompson is survived by two sons.

FRANCIS PRATT DANIELS had an unusual preparation for the Unitarian ministry. He graduated from the Bridgewater Normal School in 1897, taught school for eight years in Massachusetts and Connecticut, and then served for fifteen years in business. His active ministry started at Charlestown, New Hampshire, where he was assisting his father, who was a Unitarian minister. He was called as the minister of that church and was ordained in 1921. Mr. Daniels served two other churches in New Hampshire —Milford and Wilton. In 1932 he was called to his father's last parish at Windsor, Vermont, which he served until the time of his own death on June 2, 1944. Few men were more energetic and active in all worth-while community interests than Mr. Daniels to whom it was the normal expression of his religious concern and his buoyant friendliness. Mrs. Daniels survives her husband.

SYDNEY BRUCE SNOW died in Chicago, Illinois, on the 7th of April, 1944, after a distressing illness of several months which necessitated his resignation as President of the Meadville Theological School, a position which he had occupied with such great benefit to the School and the Unitarian ministry since 1928. Dr. Snow's ministry to our fellowship was many sided and rich in its influence. He was as successful as a parish minister in Palo Alto, California; Concord, New Hampshire; King's Chapel, Boston, Massachusetts; and Montreal, Canada as he was as the official representative of the American Unitarian Association to England, the Chairman of the first relief commission to Transylvania in 1920, and the President of the Meadville Theological School.

In recognition of Dr. Snow's work on behalf of the Transylvania churches, he was awarded the honorary degree of D.D. by the Royal Hungarian Francis Joseph University in 1928.

His love of his fellows and the penetrating sympathy of his spirit which always discerned the best qualities in people drew him into the closest of relationships with all with whom he came in contact. Dr. Snow received both his college and theological school training at Harvard and was given the Honorary Degree of D.D. by Meadville. Through the men who came under his influence and are now serving our churches as ministers his spirit will long give its blessing to our entire fellowship. He is survived by his widow, two sons and two daughters.

FRANKLIN CHESTER SOUTHWORTH, affectionately known as "Prexy" to the students of Meadville Theological School from 1902-28, died at his home in Little Compton, Rhode Island, on May 21, 1944. Holding the degrees of A.B., A.M., S.T.B., from Harvard College and the

Harvard Divinity School, Dr. Southworth was also honored with an S.T.D. by Bucknell College in 1911 and an LL.D. from Allegheny College in 1915. Before accepting the highly influential and important position as President of Meadville in 1902, Dr. Southworth served as parish minister in Duluth, Minnesota; the Third Unitarian Church in Chicago, Illinois; and three years as Secretary of the Western Unitarian Conference. After retiring from Meadville in 1928 he was made President Emeritus. Dr. Southworth served as minister-in-charge at Montpelier, Vermont, for a half-year in 1930-31 and at Melrose, Massachusetts, for a similar period in 1933-34. In 1928-29 Dr. and Mrs. Southworth visited Japan and then India as the official delegates of the Free Churches of America to the meetings of the Brahmo Samaj. Dr. Southworth is survived by Mrs. Southworth and two sons.

ULYSSES GRANT BAKER PIERCE died on October 10, 1943, in Washington, D. C., as he would have wanted to,—active in his work. In his tribute to him on the floor of the United States Senate, to which Dr. Pierce had been a Chaplain from 1909-13, Senator Burton said, "His prayers were marked with deep religious feeling, coupled with the broadest tolerance and understanding of religion in the deepest and most inclusive sense. Both in his prayers and in his sermons, he always contributed to the clear thinking of those who have listened to him and to their faith in the fatherhood of God and the brotherhood of man." It was this spirit which made his forty-two years in Washington (1901-43) a great ministry.

Prior to coming to Washington, Dr. Pierce served churches in Pomona, California, and in Ithaca, New York, and one year, 1891-92, in Decorah, Iowa. In recognition of his scholarship and ability, Dr. Pierce was given the honorary degree of D.D. by his alma mater, Hillsdale College, Michigan, and George Washington University, Washington, D. C. Dr. Pierce's volume "*The Soul of the Bible*" places countless people in his debt for having thus given them in convenient scope the great passages of that book. Much less well-known but extremely valuable, is another book of his, "*The Creed of Epictetus.*"

ARTHUR LON WEATHERLY died very suddenly at Hillsboro, New Hampshire, on June 25, 1944. As was said in the announcement to our ministers of the passing of this comrade: "No more loyal friend or gallant servant of mankind has ever belonged to our Fellowship." His was an informality of spirit and action in the ministry which enabled his deepest purposes and feelings to find always the expression of absolute sincerity. Although he served Unitarian churches in Westerly, Rhode Island; Worcester and Roslindale, Massachusetts; Dayton, Ohio; and Iowa City,

Iowa, his great ministry was in Lincoln, Nebraska, where he ministered for a total of twenty-five years divided between two periods, 1908-19 and 1929-42. In every issue of local, state or national significance, Dr. Weatherly would invariably be found as an active worker if not, indeed, the leader of the proponents of the forward-looking and liberal group. The whole state of Nebraska is indebted to him for his work on behalf of such reforms as Woman Suffrage, the Initiative and Referendum, Workmen's Compensation Act, Nebraska Conference of Social Work, Maternal Health League, and other vitally significant activities for social welfare. His faith in and love of human nature was the never-failing stimulus and guide of all his work, whether in the church or the community.

Dr. Weatherly was educated at the Harvard Divinity School and Iowa College. In 1916 Grinnell College in Iowa honored him with the degree of D.D. He is survived by his widow and one son.

When **ABRAHAM MITRIE RIHBANY** died at Stamford, Connecticut, on July 5, 1944, after a long illness, one of the most romantic stories in our ministry was closed. Born in Syria, trained in his father's profession as a stone cutter, he crossed not only the seas but also the centuries when he emigrated to America in 1891 at the age of 22. By working his way as a salesman of silks, and by other means, he finally was enabled to spend two years at Ohio Wesleyan University. His first ministry was under the auspices of the Congregationalists at Morenci and Mt. Pleasant, Michigan. From 1902-11 he was minister of the Unitarian Church of Toledo, Ohio, from which he was called to the Church of the Disciples in Boston, Massachusetts, in 1911. He served this parish until his retirement in 1938.

By sermons, lectures, and writing, Dr. Rihbany was the interpreter of the East to the West. His most popular book, "*The Syrian Christ*", gave to us a deeper understanding of the times, the life, and the teachings of Jesus. Dr. Rihbany gave us his own colorful biography in "*A Far Journey*". These were, however, but two of the eight books which he wrote. In 1919 he was a representative of Syria at the Peace Conference and recorded his reactions and conclusions in the volume "*Wise Men from the East and the West.*" The latter years of his vigorous and significant life were clouded by serious illness. He is survived by his widow and one son.

SUMMARY

No statistics are included from starred churches or summer congregations; the former because they are inactive, and the latter because most of the attendants are from other churches and their inclusion would pad the figures unduly. Preaching stations are not included in the list of churches, nor their figures in the statistics. The returns from a few federated churches include members of other bodies but the number is small and does not materially change the totals. These figures are also included in the year book of other denominations represented in each federation.

REPORT OF THE BOARD OF DIRECTORS

To the American Unitarian Association:

As provided by the Bylaws of the Association, the Board of Directors herewith submits its Annual Report for the year 1943–1944:

MEETINGS AND COMMITTEES

There were four meetings of the Board during the year, one of them occupying two full days. In spite of wartime conditions and transportation problems the attendance of members was excellent, averaging twenty-five, with many regional and headquarters officers present at each meeting. Mr. Charles O. Richardson, who was re-elected Chairman, has presided at all the meetings. The Executive Committee, which has power to transact Association business between the meetings of the Board, has met nine times, with an average attendance of six.

The system of committees on which the whole Unitarian constituency is broadly represented continues to work smoothly and efficiently. These committees acting with their respective divisional advisory councils present their recommendations at each meeting of the Board for approval and final action. Thus the policies of the Association are arrived at by an effectively democratic method.

Beside these regular committees the appointment of special committees is often authorized by the Board for the carrying out of certain projects. Three such committees were set up during the past year. At the October, 1943, meeting, by authorizing a special Committee on Libraries, the Board brought about a careful technical survey of the various libraries at 25 Beacon Street and the initiation of a long-range plan of co-ordination. At the meeting in January, 1944, a Committee on Postwar Responsibilities of the Churches was authorized. This notably representative committee, organizing its work with vision and vigor, has already begun to study the situation and to formulate its program, in which it seeks the co-operation of all the churches. The third of these special committees was authorized on the initiative of the War Service Council at the meeting in January, 1944. It is the Committee on Conscientious Objectors which is charged with the

duty of raising funds (1) to reimburse the historic peace churches for money already advanced in behalf of Unitarians serving in Civilian Public Service camps; and (2) to supply direct assistance for Unitarian conscientious objectors in the future.

The Committee on Ministerial Salaries, which has been at work since its authorization last year, has made steady progress which it will report on to the Association at the Annual Meeting.

UNITARIAN ADVANCE

To two projects relating to the important subject of Unitarian Advance the Board has given much thought and time throughout the year. The first grew out of a suggestion, made at the meeting in May, 1943, that some sort of plan be made to enlist and embrace scattered and isolated Unitarians in an organization centering at headquarters. The matter has been discussed at each meeting of the Board and of the Executive Committee. At the meeting in March, 1944, final approval was given to plans establishing the Unitarian Church of the Larger Fellowship to provide a spiritual home for isolated Unitarians, primarily those to whom no local Unitarian church is available. A detailed report of this organization will be given at the Annual Meeting of the Association.

The second of the projects is even more far-reaching in its scope and implications. The Board listened with keen interest to its fellow member, Mr. Hamilton Warren of Summit, New Jersey, when at the meeting in May, 1943, he presented a memorandum, "How to Extend Liberal Religion." The immediate result of the discussion of Mr. Warren's plan was the appropriation of one thousand dollars and the appointment of two committees on "Unitarian Advance" to implement the plan. Committee "A," a creative committee, and Committee "B," a testing and methods committee, began their work at once. Rev. A. Powell Davies was chairman of Committee A, and Mr. Warren, of Committee B. At each succeeding meeting of the Board the interest and enthusiasm of the members increased. At the January meeting the reports of both committees seemed of such compelling importance and significance to the Board that it voted to plan the March meeting so as to devote one full day to the consideration of the reports. This plan was carried out and, while there was animated discussion and vigorous difference of opinion, the Board placed itself squarely behind the two committees in their efforts to develop a wise and promising plan for Unitarian extension.

NEW CHURCHES

During the year a number of new churches became members of the Association, as follows: in January, 1944, the North Shore Unitarian

Society of Port Washington, Long Island; in February, The People's Church of San Fernando Valley, California; in April, the Unitarian Association of Tacoma, Washington. The most picturesque and unusual of these new additions is the Congregational Church of Jesus, a group of five thousand religious liberals in American Samoa. This affiliation was the result of a correspondence with Dr. Eliot begun by a chief pharmacist's mate of the United States Navy, and is a truly dramatic suggestion of the possibilities of Unitarian Advance.

PERSONNEL

WARTIME conditions have been directly or indirectly the cause of some changes in the make-up of the Board and especially of the staff of the Association. Rev. H. Mortimer Gesner of Needham, who entered the Army Chaplains' School in January, resigned as Ministerial Union representative on the Board and to fill the vacancy the Board elected Rev. Bradford E. Gale of Salem.

The Division of Promotion and Publications also yielded to the Army chaplaincy its part-time director, Rev. John O. Fisher, who is now overseas. From this Division the Army also took Carl R. Kruse, in charge of the mailing, and Miss Virginia O'Rourke, now with the Women's Army Corps. As Editorial Director of the Division and of the Beacon Press the Board appointed Dr. Albert C. Dieffenbach, who began his work April 1, 1944.

The following men were appointed Regional Directors during the year: Rev. Everett M. Baker for the Meadville area; Rev. Randall S. Hilton for the Western Conference area; Rev. Philip M. Pétursson for the Icelandic Conference; and Mr. Jonathan A. Noyes for the Southwest, as Acting Regional Director. After long service to the Association at Headquarters and in the field, Dr. George F. Patterson resigned in January as Regional Director for the Southwest and is now interim minister of the First Parish in Framingham, Massachusetts.

MISCELLANEOUS

ON November 17, 1943, members of the Board — sufficient in number to constitute a quorum — met in Worcester and held a *pro forma* meeting of the General Conference in accordance with the Bylaws of the Association. The Moderator-Elect, Senator Burton, was formally nominated and new members of the Association Committees were elected.

At the January meeting the Board learned of the proposed publication of a history of Unitarianism by Dr. Earl M. Wilbur and, recognizing its

definitive significance the Board voted to "sponsor" this work, which will be published shortly by the Harvard University Press.

An invitation was extended by the Board to Rev. Mortimer Rowe, Secretary of the General Assembly of Unitarian and Free Christian Churches, to visit the United States and Canada in the fall of 1944, or to arrange for a visit by some other representative of British Unitarianism.

The Board hopes that readers of this report will realize that it in no way adequately represents or records the activities and interests that have occupied the Board's attention during the past year. To members of the Association the Board would express an awareness of its responsibilities as their representative body and an expression of its gratitude for their confidence. Nor can the Board omit from this report its sincere appreciation of that constant devotion and competence with which the officers and staff of the Association carry forward the direction of its work.

Respectfully submitted,

CHARLES O. RICHARDSON, *Chairman.*

MINUTES OF THE ANNUAL MEETING

Held in Boston, Massachusetts, May 25, 1944

The 119th Annual Meeting of the American Unitarian Association was held on Thursday, May 25, 1944, in Arlington Street Church, Boston, and was called to order at 9 a.m. by the Moderator, Dr. Philip C. Nash.

The devotional service was conducted by Chaplain Irving W. Stultz, Lieutenant Commander, U.S.N.

The rules of procedure as recommended by the Business Committee were adopted, and the Committee on Credentials and the Committee on Ballots, as nominated by the Business Committee, were elected.

The printed report of the Board of Directors, which was distributed to delegates present at the meeting, is given in full in this Report.

In the absence of the Treasurer, Mr. Arthur D. Nash, Comptroller, presented the Treasurer's Report for the year, which will be found in detail herein.

The United Unitarian Appeal attained 80 per cent of its increased goal for the year, according to Mr. Frederick T. McGill, Jr., Director, the total received amounting to $108,605.40.

Due to the fact that the Annual Meeting was again confined to a half-day session, the addresses of the President and the Moderator were necessarily brief. The President outlined achievements of the past year and called special attention to the pamphlet *A Year of Action* which had been prepared as a report. He mentioned the two most recent books by Unitarians, published by the Beacon Press: *An Adventure in World Order,* by Philip C. Nash, and *Men of Liberty,* by Stephen H. Fritchman, which have occasioned wide and favorable comment, and spoke of various other publications by committees and groups in the denomination. In greeting The Congregational Church of Jesus in Samoa, a new member of the Association, he called attention to this as an opportunity beckoning with the most dramatic and thrilling possibilities.

With regard to the plans for Unitarian Advance and the work of the three committees appointed for this purpose, the President suggested that certain points ought to be kept carefully in mind. First, not to bog down

in futile, arid theological controversies; second, to remember that Unitarianism has been from the beginning a religion of laymen and that important as the ministers are they must not forget that lay leadership has always marked the periods of great expansion in our history; third, that we must have the full participation of the men and women who are now in the armed forces; and finally, that there must be unity, for which skillful, consecrated, patient work will be required. On these conditions, he said, we must build our master plan and then go forward together.

Formal organization of The Unitarian Church of the Larger Fellowship was announced by the President, and he took pleasure in reporting that Rev. Albert C. Dieffenbach has agreed to be the minister of this Church, starting September 1. The Annual Meeting collection, taken for purposes of the new Church, amounted to $570.00.

The Rev. E. Burdette Backus, D.D., of Indianapolis, gave an address of welcome to new ministers on behalf of the Fellowship Committee. The Director of the Department of the Ministry read the names of the following men and women, and those present were greeted by the President of the Association and Dr. Backus:

Addressing the Annual Meeting as retiring Moderator, Dr. Philip C. Nash urged Unitarians to take a vigorous part in furthering participation by the United States in some kind of world organization.

RESOLUTIONS

By unanimous consent resolutions of greeting were adopted by the Association addressed to the Universalist General Convention, the General Assembly of Unitarian and Free Christian Churches in Great Britain, the Congregational Church of Jesus in Samoa, the Unitarian chaplains in the armed services and through them the Unitarian men and women in the services, Dr. and Mrs. Robert C. Dexter, Mr. and Mrs. Howard Brooks, Mr. and Mrs. Noel Field, and all other members of our foreign staff who are carrying the flag of liberal Christian help to the unfortunate people of Europe, and such of our foreign groups as may be feasible.

The following resolutions were adopted:

Denominational Affairs

1. Duration of Annual Meeting

Submitted by Dr. Samuel A. Eliot, Cambridge, Mass.

Resolved: That the Program Committee be and hereby is instructed to allot at least a day in Anniversary Week to the Annual Meeting of this Association. The business of the corporation cannot be adequately transacted in a single morning session. The members and delegates should hear complete reports from their officers and representatives and should have time to comment upon the conditions and proposals disclosed in those reports and to consider and act upon any business which may properly come before the meeting.

2. Budgets of the Association

Submitted by the Board of Directors

Whereas: The work of the American Unitarian Association for the benefit of the Unitarian churches in the United States and Canada has been supported in large measure by income from endowments—the gifts of churches and living members in the fiscal year 1942-1943 having been less than twenty per cent of such support; and

Whereas: Due to economic conditions, income from endowments is in general constantly decreasing; and

Whereas: The vitality of our denominational effort will be enhanced by the increased financial interest of our churches and living members;

Be It Resolved: That we recommend to the Board of Directors that every possible effort be made to increase the income from churches and living members, and that it be the policy in the future that this increase in each given year should be a prerequisite to any increase in the Association's budget.

3. World Order Compact

Submitted by the Unitarian War Service Council

WHEREAS: The Congregational Christian Churches have this May sponsored throughout their denomination the signing of a World Order Compact, and have invited our participation in the undertaking; and

WHEREAS: The purpose of the plan and the signing of such a compact is to enlist the individual to pledge himself to demand and support the participation of our country in a "just and coöperative" world order; and

WHEREAS: Such united action in conjunction with our fellow liberals is in complete accord with the spirit and policy of this denomination;

BE IT RESOLVED: That the Unitarian fellowship make use of the plan and urge the signing of the World Order Compact* by those individuals in our denomination who desire to urge upon our country participation in plans for world government and international peace that will further our Unitarian ideals of brotherly love and devotion to freedom; and

BE IT FURTHER RESOLVED: That a program be presented to our churches wherein they would join in setting aside the Sunday before Armistice Day, which will be November 5, 1944, for the presentation and collection of such compacts as have been signed by their members at a special "Furthering World Order" service which will be in direct line with our World Order observation held under the auspices of the War Service Council in Unitarian churches throughout the country last November.

4. Postwar Responsibilities of the Churches

Submitted by the Board of Directors

WHEREAS: War, at least in modern times, constitutes both a challenge and a threat to the moral impulses and standards of men; and

WHEREAS: Both now and after the cessation of hostilities, there is and will be in society both idealism and disillusionment and a profound need for personal and social adjustments; and

WHEREAS: It is the churches' duty to protect and proclaim spiritual and

do solemnly & mutually, in the presence of God & one another, covenant & combine ourselves together to work for a just & cooperative world order. We pray that our nation shall help to establish an international organization for the better ordering of the interdependent life of nations, the preservation of peace with justice & the furtherance of the general good of all peoples. Unto this great task we commit our wills & our ways. In witness whereof we have hereunder subscribed our names.

ethical values, and to rehabilitate and fortify individuals and communities on the basis of these values; and

WHEREAS: The Board of Directors of the American Unitarian Association, recognizing this duty, has created a Committee on Postwar Responsibilities of the Churches; therefore,

BE IT RESOLVED: That the American Unitarian Association, in its 119th Annual Meeting assembled, urges its constituent churches to support the aforesaid Committee on Postwar Responsibilities of the Churches by:

(1) Creating local church committees to integrate returning servicemen and war workers into the life of the church and through the church into the life of the community;

(2) Developing more appealing and effective youth activities;

(3) Proclaiming and teaching the spiritual foundation and ideals of democracy;

(4) Re-emphasizing the importance of the family and the joint spiritual responsibility of church and home; and

(5) Strengthening the churches' concern with respect to community moral standards and social relationships.

5. Extension of International Program

Submitted by the Board of Directors

WHEREAS: Through 119 years the American Unitarian Association has maintained, as one of the chief reasons for its existence, fraternal relations with religious liberals in many lands, seeking to foster the growth of a freer faith of world-wide scope; and

WHEREAS: The period immediately following the end of the present world war will present many opportunities for renewing these connections and establishing new ones on a far greater scale;

BE IT RESOLVED: That the American Unitarian Association recognizes its responsibility to begin preparations at once for the extension of its international program after the war, and instructs its Board of Directors to explore the possibilities and to make provisional plans for an international conference of religious liberals at the earliest practicable moment.

International Relations and Problems in Democracy

6. Places of Refuge

Submitted by the Unitarian Service Committee

RESOLVED: That the Annual Meeting of the American Unitarian Association express to the President of the United States its hearty approval of his courageous determination to rescue by every means possible the victims of

Nazi and Japanese brutality, and respectfully urges that the United States set an example by implementing the President's declaration through the establishment for the duration of places of refuge within our borders for all refugees who are able to reach our land, under conditions at once humane and protecting the present immigration policies of the United States.

7. Social Action and Civic Responsibilities in 1944

Submitted for the Social Relations Committee of The First Parish in Cambridge by Leslie T. Pennington, Karl Deutsch, Mary C. Henderson, and Alice E. Lovely, Secretary

WHEREAS: Our historical congregational tradition in America has been one of vigilance and responsibility at the polls;

BE IT RESOLVED: That the American Unitarian Association urges all of its members to act as practicing and informed citizens by:

(1) Registering and voting in all elections;

(2) Establishing forum and discussion groups in the local churches to evaluate the records and qualifications of candidates for public office;

(3) Cooperating with like-minded organizations to insure the democratic participation of all Americans in the elections of 1944, without discrimination as to color, economic status or military service overseas;

(4) Opposing every move that seeks to disfranchise citizens; and

BE IT FURTHER RESOLVED: That the American Unitarian Association record its protest against the discriminatory poll-tax law enforced by several states and that our protest be communicated to the Governors of such states and the Senate of the United States; and

BE IT FINALLY RESOLVED: That the American Unitarian Association requests the Committee on Adult Education to prepare and send to the ministers and officers of the individual Unitarian churches specific suggested plans for carrying out the purposes of this resolution.

8. Race Relations

Submitted by Edwin B. Goodell, Jr., Wayland, Mass.

WHEREAS: The Annual Meetings of the American Unitarian Association in 1942 and 1943 have gone on record as affirming and implementing our historic tradition of the struggle for the rights and liberties of racial minorities; and

WHEREAS: The past year has seen significant gains in the position especially of the Negro people, as in the commissioning of Negro officers in the Merchant Marine and the Navy, the use of Negro airmen in the Mediterranean theatre of war, and the recent decision of the Supreme Court outlawing "white primaries" in the South; and

Whereas: The past year has also seen an increase of violence against minority groups, as in Detroit, Michigan, Beaumont, Texas, and Boston, Massachusetts, indicating the need for continuing vigilance by all groups interested in democracy; therefore,

Be It Resolved: That the American Unitarian Association in its 119th Annual Meeting declare its support of all steps which have been taken towards the goal of racial democracy, and that it affirms its support of all groups within our fellowship who have contributed, and will contribute towards inter-racial good will through effective community action, and commends the following of their example to all our churches and societies; and warns all members of our fellowship to be on guard against the intensified anti-Semitic, anti-Negro and other divisive propaganda which now directly threatens our national unity; and

Be It Further Resolved: That the Association record its support of the continued and strengthened activity of the Fair Employment Practices Committee, favor the establishment by act of Congress of a permanent Fair Employment Practices Committee, and send a copy of this resolution to the Chairman of the present Committee, and to the President of the United States.

9. Economic and Social Justice

Submitted for the Social Relations Committee of The First Parish in Cambridge by Leslie T. Pennington, Karl Deutsch, Mary C. Henderson, and Alice E. Lovely, Secretary

Whereas: We believe that the true test for liberal religion in any economic or social order should be its effect on the life, health, character, and enduring happiness of human beings; and

Whereas: Economic problems and maladjustments have been found to be at the root of many of the forces of intolerance, poverty, and war in this age of social change and transition; therefore,

Be It Resolved: That we declare the field of social, economic and human relations a proper and indispensable field for the application of liberal religion, and that we call upon our members to study the changing patterns and new discoveries of economic and social thought as an instrument for promoting the general welfare of the community; to be vigilant against our own prejudices and critical of our favorite patterns of thought; to refuse particularly to recognize either "private enterprise" or "collective planning" as absolute idols, good or evil in themselves, but to judge them to the best of our ability according to their effect upon human well-being in each particular time, place, and situation; and finally, to promote to the best of our ability such plans and policies as give promise of greater human welfare.

10. Petition for Constructive Peace Aims

Submitted by Henry W. Pinkham, Newton Centre, Mass.

Be It Resolved: By the American Unitarian Association, in annual meeting assembled, that since the declared purpose of the United Nations is the achievement of political, cultural, and spiritual freedom throughout the world, and economic justice and a higher standard of living for all peoples;

We petition the United Nations through our Government to formulate specific proposals for a peace in harmony with this purpose, and to make them known to the governments and peoples of all lands, in order that the energies of all mankind may be turned at the earliest possible moment to the constructive tasks:

(1) of feeding the millions of men, women, and children now starving;

(2) of providing emergency shelter for the millions now homeless;

(3) of reconstructing destroyed areas and peacetime industries;

(4) of beginning the comprehensive, long-range program of building a better world.

Dr. Charles R. Joy addressed the meeting concerning the work of the Unitarian Service Committee both at home and abroad during the year just ended. A brief report of the work of the Committee on Ministerial Salaries was given by Mrs. John W. Baker, Secretary.

Amendments to the By-Laws

The following amendments to the By-Laws of the Association were proposed by Mr. Frank B. Frederick, Chairman of the Business Committee, for the purpose of reducing the size of the Board of Directors by abolishing the office of Regional Vice-President, which amendments will be in order for consideration at the next Annual Meeting:

(a) To amend Article X, Section 1, by striking out the words "and nine (9) Regional Vice-Presidents, one of whom at the time of his or her election shall be from New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Rocky Mountain States, one from the Pacific Coast, and one from the Dominion of Canada," so that the said Section 1 will read as follows:

"The officers shall be a Moderator; a President; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons,

shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting."

(b) To amend Section 2 of said Article V, by striking out the words "officers and" so that it will read as follows:

"The terms of office shall be as follows: The Moderator for two years; the President, the Secretary, and the Treasurer, for four years; eighteen (18) of the Directors, of whom not less than five shall be laymen, not less than five shall be women and not less than five shall be ministers, for three years, one-third to be elected annually; all other Directors for one year."

(c) To amend Article X, Section 5, by striking out the words "and all other officers qualified to be members of the Board of Directors" so that said Section 5 shall read as follows:

"The other eighteen Directors, of whom one-third shall be chosen annually for three years, shall be nominated by the Nominating Committee."

The following amendment to the By-Laws was also presented by the Chairman of the Business Committee for the purpose of providing additional time for consideration of resolutions to be presented to the Annual Meeting:

To amend Article VII, Section 6, so that as amended it shall read as follows:

"It shall be the duty of the Business Committee to receive and report upon all resolutions or other matters to be presented for action at any annual, biennial, or special meeting of the Association (except such matters as are provided for in these By-Laws), and, except by consent of a three-quarters vote of those present and voting at the meeting, only such matters as have been presented to the Business Committee at least forty-nine days prior to the meeting shall be considered."

The Ballot Committee reported as follows:

Ballots Cast:

Received by Tellers	511	
By Mail	140	
		651
Straight Ballots	608

REPORT OF THE TREASURER

FOR THE YEAR ENDING APRIL 30, 1944

AUDITOR'S REPORT

BOSTON, JUNE 28, 1944

We have examined the financial statements of American Unitarian Association, as listed in our report for the fiscal year ended April 30, 1944, have reviewed the system of internal control and the accounting procedures of the Association and have examined accounting records of the Association and other supporting evidence, by methods and to the extent we deemed appropriate.

We satisfied ourselves that all cash recorded as received was properly deposited in the bank, that all income due from investments was received or properly accounted for, and that disbursements were supported by cancelled checks and properly approved vouchers; and we examined or otherwise satisfactorily accounted for the investments on hand at April 30, 1944.

In our opinion, the accompanying balance sheet and supporting schedules present fairly the position of American Unitarian Association at April 30, 1944, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Scovell, Wellington & Company.

ANNUAL REPORT OF THE TREASURER

The Income and Expense Account and the Balance Sheet as contained in this report, have been taken from the auditors' report. Accompanying each of these schedules are explanations and comments by the treasurer, which it is hoped will enable those who are interested in the Association's financial affairs to understand them better.

The Association again this year participated in the United Unitarian Appeal. All churches, branch Alliances and other organizations which contributed to the appeal are treated as having complied with the provision of the by-laws of the Association which requires an annual contribution in order to maintain membership in the Association. Consequently no detail of contributions is published with the list of churches, branch Alliances and other organizations which thus maintained membership; but there is published only the aggregate amount received by the Association, since contributions to the United Unitarian Appeal were allocated to the participating organizations.

This report also segregates gifts to the Association where the principal or income is applicable to the work of the Association, from those funds which during the year have been turned over to the Association as trustee.

The rate earned by our General Investment Account, in which are invested most of the funds of the Association and most of the trust funds held for others, was 3.8% for the year ending April 30, 1944.

PERCY W. GARDNER,
Treasurer

Comments on Income and Expense Schedule:

A comparison of this schedule with that contained in the Treasurer's report for the year ending April 30, 1943, discloses an increase in contributions from the United Unitarian Appeal of $3,035, and an increase in contributions from the Unitarian Sunday School Society of $161.76, a total increase from these sources of $3,196.76.

The income from unrestricted general funds shows a drop of $3,405.28, while the income from funds restricted to departments shows an increase of $4,207.76, or a net increase for budget purposes of $802.48.

The items of expenditure are self-explanatory. While certain items as budgeted by the Board of Directors, such as Meetings, Conferences and Special Commissions; and Radio, New Projects and Emergencies, were over-expended, there were savings in other items, so that at the end of the year there was a net over-expenditure amounting to $1,175.63.

In the foregoing Income and Expense Account are carried only items which are budgeted by the Association. We hold funds such as Ministerial Aid, the income from which is used to assist ministers in case of illness and other emergencies; Sustentation, the income from which is used to supplement inadequate salaries; and certain purely charitable funds, the income from which is administered confidentially by special committees.

In addition to the Ministerial Aid and Sustentation Funds, the Association acts as trustee of a large number of funds for Unitarian educational institutions, conferences and churches, and of certain purely charitable funds. With the exception of the Rogers Memorial Fund, these funds are invested as a part of our General Investment Account.

During the fiscal year there has been paid out to all beneficiaries under all trust accounts the sum of $86,352.92.

The Association also holds the permanent funds of the Unitarian Service Pension Society. The income from these funds during the fiscal year, plus current contributions, was $39,655.82, which was paid out in service pensions to 84 participants. The average pension paid during the year was $474.92. There has been paid out, therefore, to denominational beneficiaries during the year a total of $126,008.74.

Comments on the Balance Sheet:

The cash balance includes sums held in the Building Loan Fund, uninvested principal of funds, and certain undistributed trust income.

The item of "Bonds and Stocks" includes all securities held by the Association except the investments of the Unitarian Sunday School Society and the Rogers Memorial Fund, which appear separately in the balance sheet. With these two exceptions under the system of bookkeeping employed by the Association all securities are included in this one item of bonds and stocks, although the income is applied to ministerial aid, sustentation, and the various beneficiaries whose funds we hold, as well as to the immediate activities of the Association.

In a few instances trust funds which are held for others are so constituted that some part of the income is payable to the Association either for general or special purposes. Based on income paid by the Association during the fiscal year to other beneficiaries, and income applicable to ministerial aid and sustentation, the ratio of the aggregate amount of stocks and bonds held is approximately 38.5 per cent representing trusts held for others, ministerial aid and sustentation, and 61.5 per cent representing funds the income from which is applicable to the immediate activities of the Association. Concerning the latter, a reference to the income account will show that there are two general types of funds, the income from which may be budgeted by the Board of Directors, namely those funds the income from which is applicable to the general work of the Association, and those the income from which, by the restrictions of the donors, must be applied to specific activities of the Association.

The Building Loan Fund is a special fund set up for the purpose of assisting churches in building and in reconstruction projects. This fund was created on a revolving basis. During the year there has been collected on these loans the sum of $69,378.40, an increase in collections over the previous year of $34,536.27. Due to governmental restrictions on building loans made during the current fiscal year have been chiefly for acquisition of new properties, and for minor repairs. During the year seven new loans were made in the aggregate amount of $30,550. At the end of the year there were 74 loans outstanding, of which 33 were in arrears. The Treasurer has made a constant effort to get these loans on a current basis.

The Church Properties Account, which aggregates $1,260,212.05, and shows a decrease during the year of $4,467.22, represents various types of investments made by the Association in church properties in the United States and Canada. This balance is comprehended on the Liabilities side in the aggregate of "Trust Funds and Accounts for General Purposes".

These investments have been made with the object of developing denominational growth, and are not income-producing.

On the Liabilities side, "Special Trust Funds and Accounts" comprehend those trust funds the income from which is paid to beneficiaries, and those funds the income from which must be applied to special activities of the Association.

The item of $39,872.31 represents distributable funds held by the Association for the Pension Society, which will be applied to the payment of pensions during the fiscal year May 1, 1944 to April 30, 1945. "Sundry Credit Balances" include items accrued and to be disbursed. The "Reserve Fund" is made up of certain unrestricted funds which have been carried to this account.

"Loss and Gain on General Investments" represents the net accrual over many years of capital losses from the sale of securities. During the fiscal year securities were sold at a profit of $30,963.17, and others at a loss of $117,990.76, showing a net loss for the year of $87,027.59.

Other Balance Sheets and Income Statements:

The auditors prepare a balance sheet for the Publication Department including the *Christian Register,* an income statement of this Department exclusive of the *Christian Register,* and an income statement of the *Christian Register,* which for lack of space are not incorporated in this report. The Treasurer stands ready at all times to give to the member churches and the members of the denomination any information in his possession.

Comments on List of Securities:

The preceding list shows securities held by the Association exclusive of those held by it as agent for the Unitarian Sunday School Society and as trustee of the Rogers Memorial Fund.

The investment and reinvestment of funds are under the direction of the Finance Committee of the Board of Directors. This committee has followed its practice of continuing to weed out securities of inferior quality, while undertaking to do so without too violently upsetting the principal source of income of the Association.

On April 30, 1944, the market value of United States and Canadian Government bonds was 100.264 per cent of the book value, foreign bonds 69.26 per cent, public utilities 105.271 per cent, railroad bonds 101.445 per cent, industrial bonds 105.351 per cent, real estate bonds 49.509 per cent, bank and insurance stocks 96.986 per cent, industrial, public utility, railroad and miscellaneous stocks 84.251 per cent. The market value of the total portfolio was 94.344 per cent of the book value. On July 1, 1944 this market value was 97.125 per cent of the book value.

During the fiscal year there have been bonds called and bonds and stocks sold aggregating $775,973.11, and purchases in the aggregate of $1,153,673.35.

Percy W. Gardner,
Treasurer.

AMERICAN UNITARIAN ASSOCIATION

NATURE AND SCOPE OF THE ASSOCIATION

At the Annual Meeting of the American Unitarian Association, held on May 25, 1936, the following "declaratory resolution" was adopted:

The Association is a voluntary organization of churches and other religious, educational and philanthropic societies, and life members now empowered to vote, uniting themselves in the furtherance of the purposes enumerated in Article I of the Association's By-Laws.

In thus associating themselves the individual churches and societies abrogate no part of their independent autonomy; neither does the Association have any authority over other conferences or associations of Unitarian churches having lesser geographical scope. The Association is, nevertheless, competent to undertake such functions in behalf of the entire body of associated churches as these churches, by delegates assembled, may from time to time commit to it.

The Association shall make a biennial review of the whole field of interest common to the Unitarian fellowship in America and shall address general suggestions or special counsel to the churches as a group and to the associated societies in relation to their collective concerns.

The relation of the Association to other Unitarian societies of general scope is that of a general council. It has responsibility for promoting the unity and harmony of the entire movement, but, until further advised by its experience, will confine itself to recommending to these societies for voluntary adoption such undertakings and methods in their respective fields as it judges to be in the minds of the fellowship.

BY-LAWS OF THE ASSOCIATION

AS ADOPTED ON MAY 25, 1937

Amended May 26, 1938, May 25, 1939, May 23, 1940, and May 22, 1941

Article I. Purpose

The purpose of the American Unitarian Association shall be:

1. To diffuse the knowledge and promote the interests of pure religion, which, in accordance with the teachings of Jesus, is summed up in love to God and love to man;

2. To strengthen the churches which unite in the Association for more and better work for the Kingdom of God;

3. To organize new churches for the extension of our faith in our own country and in other lands;

4. And to encourage sympathy and cooperation among religious liberals at home and abroad.

5. The Association recognizes that its constituency is congregational in tradition and policy, and that nothing in these By-Laws is to be construed as an authoritative test.

Article II. Organization Members

1. Churches and other religious, educational and philanthropic societies which make annual contributions to the Association shall be members of the Association. Churches and organizations not members of the Association may become such whenever they shall express their approval of or general sympathy with the purpose of the Association, and whenever their contributions are received and have been accepted by the Board of Directors.

2. Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, and by one additional lay delegate for each additional fifty voting members; and shall be entitled to choose a like number of alternate lay delegates to serve in the event of the absence of any of the delegates originally chosen, and, in the case of such member churches as have local auxiliaries in good standing of the Unitarian Laymen's League, the General Alliance of Unitarian and Other Liberal Christian Women, and the Young People's Religious Union, by one additional lay delegate or alternate for each such auxiliary. All lay delegates shall be chosen by each member church from its own constituency in accordance with its by-laws or precedents. Each other member society shall be represented by its president and two other accredited delegates or alternates, only, chosen as aforesaid from its members or those participating in its activities. No individual member nor any delegate shall be entitled to more than one vote at any meeting of the Association. A contribution must be placed in the hands of the officers of the Association on or before April 30, to entitle a church or other society to be represented in meetings of the Association during the year beginning on the following May 1.

Article III. Individual Life and Associate Members

1. A subscription of fifty dollars shall constitute a person a member of this Association for life, but no church or other society shall be entitled to the representation set forth in Article II by virtue of any subscription used for the creation of life members. No person constituted a life member after the first day of May, 1925, shall have the right to vote; but nothing herein provided shall be construed to affect the rights or privileges of life members duly constituted as such before the first day of May, 1925.

2. A subscription of one dollar or more per year shall constitute a person an associate member of this Association. Associate membership shall not carry the right to vote.

Article IV. Honorary Vice-Presidents and Members

1. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect honorary life members of this Association who shall have the rights and privileges of accredited delegates. Such elections shall be by ballot and nominations shall lie over one month. The number of such honorary life members shall not exceed twenty-five.

2. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect one or more honorary Vice-Presidents, ex officiis, to be chosen exclusively from among the chief officers of the organized Unitarian or allied church groups in other countries.

Article V. Officers and Directors

1. The officers shall be a Moderator; a President; and nine (9) regional Vice-Presidents, one of whom at the time of his or her election shall be from Northern New England, one from Southern New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Rocky Mountain States, one from the Pacific Coast, and one from the Dominion of Canada; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting.

2. The terms of office shall be as follows: the Moderator for two years; the President, the Secretary, and the Treasurer, for four years; eighteen

(18) of the directors, of whom not less than five shall be laymen, not less than five shall be women and not less than five shall be ministers, for three years, one-third to be elected annually; all other officers and directors for one year.

3. The Secretary of the Association shall cause to be prepared and mailed each year, on or before May 1st, to every member church and society as many ballots as the number of delegates to which it is entitled as representatives at the annual meeting of such year, and one ballot each to every individual member entitled to vote at the annual meeting, upon which ballots shall appear the nominations made in accordance with Article X with appropriate blank spaces for the substitution of alternative names. Each such ballot, when placed in a sealed envelope and accompanied by the signed credentials of an individual member or of any delegate member entitled to vote at such annual meeting and received by the Secretary of the Association not later than 5 P. M. of the day preceding the said annual meeting, shall be deposited with the chairman of the Committee on Ballots, who shall open any and all such envelopes in the presence of the Committee on Ballots at the time of their canvass of the vote of the meeting; and all of such ballots so found shall be counted in said canvass and in addition to the votes cast in person at said annual meeting, provided that no individual member nor any delegate shall be entitled to more than one vote.

Article VI. Duties of Directors

1. The Board of Directors shall meet at least four times each year, ten members constituting a quorum, and shall have charge of all the business and interests of the Association, the direction of its funds and operations, and authority to call special meetings of the Association whenever they shall deem it necessary or expedient.

2. It shall report to the annual meeting of the Association.

3. The Board shall choose from its own number a chairman of the Board, who shall have such duties as the Board may designate.

To help young people discover the convictions, traditions and practices of the Unitarian Church.

To work for closer understanding and co-operation with other denominations and faiths in the hope of building a more united church.

To provide for the achievement of strong personal character in terms consistent with religious and ethical idealism.

To assist young people in discovering the creative resources of life—cultural, spiritual, intellectual and social, especially in those familiar experiences of home, school, church and community.

To participate in the total life of the Unitarian Church, both as individuals and as local fellowships, in the belief that liberal religion stands both for personal faith and active loyalty to an organized religious fellowship.

To share through study and work in local fellowships in the building of a just social order which will guarantee equal rights and opportunities to all persons, irrespective of race, class, religion or nationality.

To assist young people to find personal opportunities for creative citizenship and to learn the responsibilities of a democratic society.

To encourage local fellowships to share in the building of a classless community of nations, free from economic exploitation or political domination of one people by another.

To encourage co-operation with like-minded youth organizations outside the Unitarian denomination.

The Unitarian Church of the Larger Fellowship provides a continuous ministry for Unitarians and their families who live in communities where there are no congregations of the liberal faith. The headquarters of the church are at 25 Beacon Street, Boston 8, Mass. Regular weekly meetings for worship are held in the chapel.

The Bond of Fellowship is the earnest desire of the members to lead pure, reverent and useful lives, to seek together the love that quickens fellowship and the truth that makes them free.

Persons who have reached the age of sixteen years, who subscribe to the Bond of Fellowship, and who make an annual contribution of at least $5.00 a year may become members. For young people in schools and colleges, and men and women in the armed forces of the United States and Canada, the minimum annual subscription is $2.00.

Upon joining the church, each member or member family receives a copy of *Hymns of the Spirit*, a *Unitarian Year Book*, a subscription to *The Christian Register* and free literature of the American Unitarian Association. The *Year Book*, the *Register*, and the free literature are continued with each subsequent subscription to the church.

Please send to the Unitarian Church of the Larger Fellowship the names of persons who may wish to become members. Invitations to unite with the church will be sent to them. Address:

OFFICIAL LIST OF UNITARIAN MINISTERS

WITH THEIR ADDRESSES

PUBLISHED BY AUTHORITY OF THE FELLOWSHIP COMMITTEE

The following is a list of ministers whom the Fellowship Committee believes are qualified to serve Unitarian Churches. It is the earnest recommendation of the Fellowship Committee that churches of the Unitarian denomination will not call ministers whose names are not on this list without consulting the Department of the Ministry.

Ministers in active parochial work are listed with no letter following their name.

Those in non-parochial service are indicated by the letter N in parenthesis; those who have retired, by the letter R in parenthesis.

The letter P in parenthesis indicates ministers who have received their Preliminary Certificate only.

The letter A in parenthesis indicates those ministers who have primary Fellowship with another denomination but are temporarily serving a Unitarian Church or a Federated Church in which a Unitarian Church is part of the organization.

The official list of ministers in Fellowship with the Unitarian denomination is in the custody of the Fellowship Committee, and all correspondence with regard to the list should be addressed to Rev. Dan Huntington Fenn, Secretary of the Fellowship Committee, 25 Beacon Street, Boston 8. Copies of the Rules of the Fellowship Committee may be obtained through the Department of the Ministry.

NECROLOGY

Willard Reed

Willard Reed, preacher, educator, traveler, writer, died in Cambridge, Massachusetts, September 6, 1944, at the age of seventy-four. He was graduated from Harvard College, *magna cum laude,* in 1891, from the Harvard Divinity School in 1895, and received the degree of Master of Arts in 1896. For a period of five years he served as the minister of Unitarian parishes in Minnesota, Massachusetts and New Jersey. Then, for a period of thirty-five years, he served as master or headmaster of some of our leading private academies, including the Roxbury Latin School and Browne and Nichols School in Cambridge. He considered that the chief function of a teacher is to arouse the interest of his pupils, even to the pitch of excitement, and found much joy in following the careers of his former pupils, a number of whom had attained positions of distinction.

He visited Europe, for purposes of study, five times, spending one term at Oxford. He took an active interest in politics, as a member of the Cambridge City Democratic Committee, and in many important state, national and international issues. After retirement, he preached occasionally and wrote numerous articles and sketches on literary, historical and political topics. At the time of his death, he was working on a memoir of Dr. E. H. Bradford. He is survived by his wife, nee Wesselhoeft, two daughters and one grandchild. A son, Willard Reed, Jr., an aviator in the United States Army, was killed in the present war while serving as an instructor for Dutch aviators at Jaud. His grandson was killed fighting in the Russian army.

George Browning Spurr

George Browning Spurr was born in Winchester, Massachusetts, September 12, 1879, and died at Hyannis Port, Massachusetts, on October 14, 1944. After a short business career he entered the Meadville Theological School and graduated with the class of 1907. He was ordained and installed that same year at Petersham, Massachusetts, and served that parish until 1912, when he went abroad for study and travel.

He held the following Unitarian pastorates: New North Church, Hingham, Massachusetts, 1913-1918; Nashville, Tennessee, 1919-1923; Brewster, Massachusetts, 1923-1926; Pittsfield, Massachusetts, 1928-1930; Yarmouth Port, Massachusetts, 1931-1943. He retired in 1943 because of ill health and was made Minister Emeritus of the church at Yarmouth Port. He leaves no immediate relatives.

Napoleon Stage Hoagland

Born in Holland, Illinois, in 1858 of pioneer parents, Napoleon Stage Hoagland was ordained in 1885, the year of his graduation from the Meadville Theological School. His first pastorate in Greeley, Colorado, was followed by the organization of a Unitarian church in Olympia, Washington. In 1893, when the "church business" in the West was dead due to a "depression," Mr. Hoagland with his wife and young daughter came to Boston. His pastorates from 1893 to 1914 were at Providence, Rhode Island, and at Green Harbor, Mendon, Warwick and Tyngsboro, Massachusetts.

Endowed with a deep love for his fellow man, particularly for the lowly and needy, and with a keen appreciation of the world about him, he never lost his zest for life. His daughter, Gladys Hoagland Groves, in one of her early books, *Parents and Children,* writes of him: "A grandfather who is always learning new things about the stars, and getting surprised attention from those to whom he points out the distinguishing marks of the dainty ferns growing unnoticed by the roadside or on the edge of a cliff or swamp, cannot be a vague, dull background in the lives of the younger members of the family."

Mr. Hoagland passed away at his home in Valdosta, Georgia, November 7, 1944, in his eighty-seventh year. He is survived by three daughters and one son.

Charles Brown Elder

Charles Brown Elder brought to our ministry an energetic, scholarly mind, a profound love of people and a high missionary zeal. Born in Portland, Maine, in 1856, he graduated from Brown University. He was a member of Phi Beta Kappa and his alma mater took great pleasure some years later in awarding him an honorary degree of Doctor of Divinity. He did his theological work at the Harvard Divinity School.

He held two pastorates in Greater Boston — Neponset and South Boston — and one in New Hampshire at Keene, 1889-1904. Under his inspiring leadership the present beautiful church was built. He had most happy and useful years here. His last pastorate was from 1905 to 1915 at the Church of the Unity, Worcester, Massachusetts. The senior minister of our fellowship at the time of his death, November 24, 1944, he kept loyally interested in Unitarian work and doings and generous in his warm help all his days. He has left blessed memories for former parishioners and for his own family. He is survived by two of his three daughters and two grandchildren.

Cloyd Harmon Valentine

Cloyd Harmon Valentine represented what has come to be all too rare in our ministry — the pastoral element. He knew his people as men, women and children, not merely as a church group. He was concerned with their concerns — their worries, burdens, illnesses, failures, successes. He was never too busy to give them time, counsel and comfort. His was a ministry of fellowship, friendship

and service. He saw religion and the church as a meeting place for the willing and helpful sharing of both the good and the ill of life. His greatest interest was always in people as individuals rather than in abstract principles and theories. He entered naturally and easily into the lives of his parishioners, and this characteristic extended beyond the limits of the parish into the community of which it was a part. It is seldom indeed that a former parish, after an interim of sixteen years, remembers a minister as Canton, Massachusetts, remembered the ministry of Dr. Valentine, when, shortly after the service for him in his own church in Lowell, Massachusetts — in itself a rich outpouring of love and appreciation — this old parish where as a young man he had served for nine years gathered in a special service to pay tribute to his memory.

Born in New York on January 25, 1894, he died in Lowell on December 19, 1944.

Arthur Buckner

Arthur Buckner, who died May 12, 1945, left a flourishing midwestern parish to join our fellowship. His first and only Unitarian pastorate at Waterville, Maine, was abruptly terminated by a tragic accident.

Throughout the years that followed, he never once sank to the level of self-pity. He remained a valuable exponent of the heroic faith he had preached. His utterly winsome and merry heart endeared him to a "parish" wider than the one he served so ably. As a preacher he opened windows towards new horizons proving once more that the genius of our Protestant heritage is the prophetic voice lifted above facile jargon and age-smoothed hypocrisies to the broad pastures of the mind and spirit of man.

Above all else, Arthur Buckner was a master in dealing with the anxieties that haunt the human heart. His wit, understanding, and quick sympathy for people marked him at all times as a true friend. *Frater, ave atque vale.*

William Ware Locke

William Ware Locke died at the Massachusetts General Hospital, Boston, Massachusetts, on June 5, 1945. He had lived during these latter days with his sister in the old Thatcher parsonage close to the Clapboard Tree Meeting House at Westwood, Massachusetts, where his father had been the minister many years ago. He came from a distinguished line of Unitarian forebears whose scholarly instincts and social sympathies he worthily shared and carried on. Active throughout his long life in social service movements and the promotion of the liberal religious faith, he was loyal and devoted to the last, combining in his personality the best of our ancient tradition with an ever vigorous and forward-looking, eager zest. Indeed an almost childlike sweetness and simplicity of spirit accompanied the insistent strength of his sterling character.

The concluding lines of a poem he recently wrote about "The Great Ad-

venture" now speak to us, in his own words, of him:

For Memory with wand of fairy queen
Transformed those awful shades of scenes of youth
Whose peril chiefly lies where shadows lurk.
I seem to stand transfigured in that scene
And hear again the words of Light and Truth
"Come now with me to your unfinished work."

Mr. Locke served the following churches: Warren Street Chapel, Boston, Massachusetts; All Soul's (assistant minister), New York City; Scituate, Massachusetts; Westwood, Massachusetts; Lawrence, Massachusetts; and Roslindale (assistant minister), Massachusetts. In his latter years he always took honor in the title of Minister-at-Large.

Christopher Rhodes Eliot

Christopher Rhodes Eliot was born in St. Louis, Missouri, on January 20, 1856. His father, William G. Eliot, for fifty years minister of the Church of the Messiah in St. Louis, was one of the pioneers of liberal Christianity in the great Middle West, and at a time when such work demanded the highest qualities of character, intellectual honesty and spiritual dignity. He inherited his full share of these qualities, and proved himself a worthy member of an outstanding ministerial family. He served the First Parish in Dorchester, Massachusetts, and the Bulfinch Place Chapel in Boston, Massachusetts, teaching all that the events and experiences that take place in the spirit are what matter the most. At all times he was a voice proclaiming the reality of the spirit's values and activities, and their supreme importance. He savored of the things that be of God, and, even without knowing that he did so, he guided his people to the order and tranquility of a serene and reasonable faith.

Clarence Reed

The Reverend Clarence Reed, S.T.D,. was born in Jerseyville, Illinois, on September 16, 1871. He was a graduate of DePauw University, Indiana, in 1892. Later he studied at Harvard University and at the University of California, receiving his A.M. in 1908.

Ordained into the Methodist ministry in 1892, he served in that denomination until 1906. Coming under the influence of Unitarian thought, he entered our fellowship in 1906, his first church being Alameda, California, where he remained until 1909. From 1909 to 1915, he was pastor in Palo Alto, California, the seat of Leland Stanford University. In 1919, he moved to Oakland, California, where he served the First Unitarian Church until he retired in the fall of 1944.

His influence was widespread throughout the whole East San Francisco Bay region, for he was not only a beloved pastor to his own people but to great numbers without affiliation with any church. Every worthy cause

meriting his attention was sure of his support. Intellectually keen, he retained his interest in all those movements of thought affecting the life of the race, unto the end. He founded and fostered the Oakland Book Lover's Club, with which his name will always be identified. He was a member of the Oakland Forum and the San Francisco Commonwealth Club. For a time he served as a trustee of the Pacific Unitarian School for the Ministry (now the Starr King School for the Ministry). At one time, he was also a director of the American Unitarian Association.

He passed to his reward on July 19, 1945. He is survived by his widow.

Walter Folger Greenman

At the age of eighty, Walter Folger Greenman died in West Newton, Massachusetts, on July 26, 1945, after a long illness. He began his ministry in Winona, Minnesota, serving our churches in Fitchburg, Massachusetts; Watertown, Massachusetts; Milwaukee, Wisconsin; Greenfield, Massachusetts; and Augusta, Maine. He retired at Augusta in 1931, when he became Minister Emeritus. For a period of eighteen years he was Secretary of the General Conference.

Deeply beloved by his fellow ministers, he found the younger men particularly turning to him to profit from his long and varied experience, his kindly understanding, and his mellow wisdom. His life was a full and active one, for he conceived his ministry in broad fashion as including community welfare and social service. Unstintingly he served good causes, public health — especially antituberculosis work — claiming his enthusiasm. He was instrumental in organizing the Council of Social Agencies in Milwaukee.

A wide and deep reader, a painstaking scholar, a thoroughgoing liberal, a conscientious and devoted parish minister, a zestful appreciator of all good things, his rich fraternal spirit and unfailing sense of humor made glad the hearts of his fellows.

Frederic Mitchell Tileston

Frederic Mitchell Tileston died suddenly on March 28, 1945, in his study at the end of a happy day's work. He was Minister of the First Congregational Unitarian Parish of Deerfield, Massachusetts, from 1940, and, although he held no official position in Deerfield Academy, his services to the school and his friendship to all in it must have given him a strong sense of being chaplain all but in name and with formal recognition. He gained the trust and affection of the academy members, who composed the greater part of his Sunday congregations; and their volume of feeling, when his life was short-circuited, proved again that "all who have meant good work with their whole hearts have done good work, although they may die before they have time to sign it."

Mr. Tileston was born in Boston on December 14, 1902. A graduate of Bowdoin College in 1924, he later attended the Harvard Divinity School. Before going to the Union Parish in

Deerfield, he served the Unitarian Churches in Duxbury, Massachusetts, and in Atlanta, Georgia. His wife, Elizabeth, and his very young son, Nathaniel, survive him.

Robert Sprague Loring

Seventy-three years ago Robert Sprague Loring was born in Boston. Some years of his early manhood were spent in the family banking house, and he was well on his way to wealth and a position of importance in the financial world. Wealth and power, however, were never part of Robert Loring's goal. The urge was strong to devote his life to working for the spiritual and moral benefit of his fellow man. He accordingly turned to the ministry as the best means of accomplishing this ambition and entered the Meadville Theological School, was graduated and later spent some time in graduate work in the Harvard Divinity School. This was followed by some two years at the University of Berlin, Germany.

In 1919, after serving churches in St. Cloud, Minnesota, Iowa City, Iowa, and Ann Arbor, Michigan, he went to Milwaukee.

He devoted a year to the American Unitarian Association Pension Society, advancing its interests materially. He served many years as a director of the Western Conference and of the Meadville Theological School, and in 1926 and 1927 organized and directed the successful campaign for increased endowment for the school.

Robert Loring spent the last seven years in St. Petersburg, Florida, and was usually present at all the regular services of the United Liberal Church and its Men's Club. During his first five years in St. Petersburg, he preached twice during the winter season, only ceasing this service when his health did not permit.

His memory will be deeply and tenderly cherished; his influence will continue in those centers where he lived, but we are all immeasurably poorer because his cheerful presence no longer inspires us.

Amos Newton Somers

Amos Newton Somers died at his home in Westboro, Massachusetts, on July 26. Born in 1893, Mr. Somers graduated from Roanoke College in 1871. After attending Indiana University, where he received his B.D. in 1874, he spent one year at Meadville Theological School.

His first parish was in Shrewsbury, Vermont, where he served in 1880. Until he retired from the active parish ministry in 1909, he served twelve churches in Universalist and Unitarian parishes in New York, Wisconsin, New Hampshire, Virginia and Massachusetts. In his latter years he had been busy inventing various mechanical devices.

The following list includes the names of ministers who hold their Primary Fellowship in another denomination but who desire to manifest their sympathy with the cause of Liberal Religion as a whole.

Inclusion of a name in this list does not necessarily carry the endorsement of the Fellowship Committee for settlement in a Unitarian Church.

SUMMARY

No statistics are included from starred churches or summer congregations; the former because they are inactive, and the latter because most of the attendants are from other churches and their inclusion would pad the figures unduly. Preaching stations are not included in the list of churches, nor their figures in the statistics. The returns from a few federated churches include members of other bodies but the number is small and does not materially change the totals. These figures are also included in the year book of other denominations represented in each federation.

MINUTES OF THE *PRO FORMA* ANNUAL MEETING

Held in Boston, Massachusetts, May 24, 1945

In accordance with the vote of the Board of Directors, the 120th Annual Meeting of the American Unitarian Association was a *pro forma* meeting held at 25 Beacon Street, Boston, Massachusetts, on Thursday, May 24, 1945. About seventy-five persons, including twenty-eight members of the Board, attended. The meeting was called to order at 10 a.m. by the President, and prayer was offered by Dr. Samuel A. Eliot.

In the absence of the Moderator, the President of the Association was elected chairman of the meeting. The following excerpt from a recent letter from the Moderator, the Hon. Harold H. Burton, was read:

> I congratulate you upon the activity of the denomination, and upon the vigorous spirit of freedom and initiative which characterizes the activity in all of our churches. I also have been impressed with the fact that in every case where I have visited a church, I have found a deep religious sense evident in the attitude of the church. This has been especially encouraging to me because I had gained an impression that there was something of a trend in our denomination toward a psychological rather than a religious approach to the opportunities of the Unitarian Church.

The Committee on Credentials and Ballots, as nominated by the Business Committee, was elected.

Ballots were reported to have been received by mail or in person, from the following:

Lay Delegates	639	
Ministerial Delegates	141	
Life Members	217	
		997

Ballots were cast as follows:

Straight ballots	896	
Split ballots	97	
Blanks	4	
		997

It was voted to accept the report of the committee and declare the following persons to be elected to their respective offices:

President:
Frederick May Eliot

Secretary:
Dana McLean Greeley

Treasurer:
Percy W. Gardner

Regional Vice-Presidents:

Mrs. Waller C. Brinker	Jonathan A. Noyes
Roland W. Burbank	Curtis W. Reese
H. Clay Burkholder	Charles W. Rugg
D. Howard Fletcher	S. Thorvaldson

Horace Westwood

Directors for a term of three years:

Everett Moore Baker	Mrs. Charles H. Moran
Thaddeus B. Clark	Frank S. Symons
Mrs. Charles A. Hart	Hamilton M. Warren

Director for a term of one year, to complete an unexpired three-year term:
Frank B. Frederick

Directors representing various groups:

Sanford Bates	Mitchell Gratwick
Bradford E. Gale	Winslow C. Sisson

The Presidents of the General Alliance
and of American Unitarian Youth

It was voted to postpone action on amendments to the Bylaws of the Association which were proposed in 1944, and to present them for consideration at the Annual Meeting in 1946. The purpose of the first three of these was to reduce the size of the Board of Directors by abolishing the office of Regional Vice-President; of the fourth, to provide additional time for consideration of resolutions to be presented to the Annual Meeting.

It was further voted to record due notice of the proposal of three additional amendments to the Bylaws, the sole purpose of which is to provide

for change from the name of Young People's Religious Union to American Unitarian Youth in the following articles:

Article II, Section 2

Article X, Section 2

Article XI, Section 1

Following a special word of appreciation by the Chairman of the Board of Directors, it was voted to extend the deep appreciation of the Association to Dr. Palfrey Perkins for his eight years of service as Secretary of the Association.

Copies of the printed *Report to the Churches* by the President of the Association had been sent out in advance and were available at the meeting. The Secretary of the Association reported for the Board of Directors, and the Treasurer made a brief statement, pending his final report. The report of the Board of Directors and the full report of the Treasurer are presented in this Annual Report.

The meeting was declared adjourned at 10:30 A.M., with a hymn and benediction.

Secretary

REPORT OF THE TREASURER

FOR THE YEAR ENDING APRIL 30, 1945

AUDITOR'S REPORT

BOSTON, JUNE 25, 1945

We have examined the financial statements of American Unitarian Association, as listed in our report for the fiscal year ended April 30, 1945, have reviewed the system of internal control and the accounting procedures of the Association and have examined accounting records of the Association and other supporting evidence, by methods and to the extent we deemed appropriate.

We satisfied ourselves that all cash recorded as received was properly deposited in the bank, that all income due from investments was received or properly accounted for, and that disbursements were supported by cancelled checks and properly approved vouchers; and we examined or otherwise satisfactorily accounted for the investments on hand at April 30, 1945.

In our opinion, the accompanying balance sheet and supporting schedules present fairly the position of American Unitarian Association at April 30, 1945, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

SCOVELL, WELLINGTON & COMPANY.

ANNUAL REPORT OF THE TREASURER

The Income and Expense Account and the Balance Sheet as contained in this report, have been taken from the auditors' report. Accompanying each of these schedules are explanations and comments by the treasurer, which it is hoped will enable those who are interested in the Association's financial affairs to understand them better.

The Association again this year participated in the United Unitarian Appeal. All churches, branch Alliances and other organizations which contributed to the appeal are treated as having complied with the provision of the by-laws of the Association which requires an annual contribution in order to maintain membership in the Association. Consequently no detail of contributions is published with the list of churches, branch Alliances and other organizations which thus maintained membership; but there is published only the aggregate amount received by the Association, since contributions to the United Unitarian Appeal were allocated to the participating organizations.

This report also segregates gifts to the Association where the principal or income is applicable to the work of the Association, from those funds which during the year have been turned over to the Association as trustee.

The rate earned by our General Investment Account, in which are invested most of the funds of the Association and most of the trust funds held for others, was 4% for the year ending April 30, 1945.

PERCY W. GARDNER,
Treasurer

Comments on Income and Expense Schedule:

A comparison of this schedule with that contained in the Treasurer's report for the year ending April 30, 1944, discloses an increase in donations of $1,953.24, of which amount $1,628.00 is an increase from the United Unitarian Appeal.

Income from unrestricted funds increased $7,123.43, and from restricted funds $2,581.07, a total increase of income from investments of $9,704.50.

Expenditures increased over the preceding year by $23,632.60, creating a deficit of $6,334.43.

In the foregoing Income and Expense Account are carried only items which are budgeted by the Association. We hold funds such as Ministerial Aid, the income from which is used to assist ministers in case of illness and other emergencies; Sustentation, the income from which is used to supplement inadequate salaries; and certain purely charitable funds, the income from which is administered confidentially by special committees.

In addition to the Ministerial Aid and Sustentation Funds, the Association acts as trustee of a large number of funds for Unitarian educational institutions, conferences and churches, and of certain purely charitable funds. With the exception of the Rogers Memorial Fund, these funds are invested as a part of our General Investment Account.

During the fiscal year there has been applied to the use of beneficiaries, other than the Rogers Memorial Fund and the Unitarian Service Pension Society, the sum of $102,003.87.

The Association also holds the permanent funds of the Unitarian Service Pension Society. The income from these funds during the fiscal year, plus current contributions, was $40,632.08, which was paid out in service pensions to 80 participants. The average pension paid during the year was $516.02.

There has been applied, therefore, to denominational beneficiaries during the year a total of $142,635.95.

Comments on the Balance Sheet:

The cash balance includes sums held in the Building Loan Fund, uninvested principal of funds, and certain undistributed trust income.

The item of "Bonds and Stocks" includes all securities held by the Association except the investments of the Unitarian Sunday School Society and the Rogers Memorial Fund, which appear separately in the balance sheet. With these two exceptions under the system of bookkeeping employed by the Association all securities are included in this one item of bonds and stocks, although the income is applied to ministerial aid, sustentation, and the various beneficiaries whose funds we hold, as well as to the immediate activities of the Association.

In a few instances trust funds which are held for others are so constituted that some part of the income is payable to the Association either for general or special purposes. Based on income applicable to other beneficiaries, and to ministerial aid and sustentation, the ratio of the aggregate amount of stocks and bonds held is approximately 45.3 per cent representing trusts held for others, ministerial aid and sustentation, and 54.7 per cent representing funds the income from which is applicable to the immediate activities of the Association. Concerning the latter, a reference to the income account will show that there are two general types of funds, the income from which may be budgeted by the Board of Directors, namely those funds the income from which is applicable to the general work of the Association, and those the income from which, by the restrictions of the donors, must be applied to specific activities of the Association.

The Building Loan Fund is a special fund set up for the purpose of assisting churches in building and in reconstruction projects. This fund was created on a revolving basis. During the year there has been collected on these loans the sum of $51,069.56. Due to governmental restrictions on building, loans made during the current fiscal year have been chiefly for acquisition of new properties, and for minor repairs. During the year ten new loans were made in the aggregate amount of $42,454.09. At the end of the year there were 70 loans outstanding. On 11 of these no payment was made during the year. The Treasurer has made a constant effort to get these loans on a current basis.

The Church Properties Account, which aggregates $1,096,781.67, represents various types of investments made by the Association in church properties in the United States and Canada. This balance is comprehended on the Liabilities side in the aggregate of "Trust Funds and Accounts for General Purposes." These investments have been made with the object of developing denominational growth, and are not income-producing.

On the Liabilities side, "Special Trust Funds and Accounts" comprehend those trust funds the income from which is paid to beneficiaries, and those funds the income from which must be applied to special activities of the Association.

The item of $43,714.94 represents distributable funds held by the Association for the Pension Society, which will be applied to the payment of pensions during the fiscal year May 1, 1945 to April 30, 1946. "Sundry Credit Balances" include items accrued and to be disbursed. The "Reserve Fund" is made up of certain unrestricted funds which have been carried to this account.

"Loss and Gain on General Investments" represents the net accrual over many years of capital losses from the sale of securities. During the fiscal year securities were sold at a net profit of $40,807.56, which was applied to reduce this item.

Other Balance Sheets and Income Statements:

The auditors prepare a balance sheet for the Publication Department including the *Christian Register*, an income statement of this Department exclusive of the *Christian Register*, and an income statement of the *Christian Register*, which for lack of space are not incorporated in this report. The Treasurer stands ready at all times to give to the member churches and the members of the denomination any information in his possession.

Comments on List of Securities:

The preceding list shows securities held by the Association exclusive of those held by it as agent for the Unitarian Sunday School Society and as trustee of the Rogers Memorial Fund.

The investment and reinvestment of funds are under the direction of the Finance Committee of the Board of Directors. This committee has followed its practice of continuing to weed out securities of inferior quality,

while undertaking to do so without too violently upsetting the principal source of income of the Association.

On April 30, 1945 the market value of United States and Canadian Government bonds was 101.49 per cent of the book value, foreign bonds 85.36 per cent, public utilities 104.31 per cent, railroad bonds 109.40 per cent, industrial bonds 104.45 per cent, real estate bonds 60.54 per cent, bank and insurance stocks 110.83 per cent, industrial, public utility, railroad and miscellaneous stocks 100.91 per cent. The market value of the total portfolio was 103.076 per cent of the book value. On July 1, 1945 this market value was 103.85 per cent of the book value.

During the fiscal year there have been bonds called and bonds and stocks sold aggregating $923,083.17, and purchases in the aggregate of $1,237,620.41.

Percy W. Gardner,
Treasurer.

AMERICAN UNITARIAN ASSOCIATION

NATURE AND SCOPE OF THE ASSOCIATION

At the Annual Meeting of the American Unitarian Association, held on May 25, 1936, the following "declaratory resolution" was adopted:

The Association is a voluntary organization of churches and other religious, educational and philanthropic societies, and life members now empowered to vote, uniting themselves in the furtherance of the purposes enumerated in Article I of the Association's By-Laws.

In thus associating themselves the individual churches and societies abrogate no part of their independent autonomy; neither does the Association have any authority over other conferences or associations of Unitarian churches having lesser geographical scope. The Association is, nevertheless, competent to undertake such functions in behalf of the entire body of associated churches as these churches, by delegates assembled, may from time to time commit to it.

The Association shall make a biennial review of the whole field of interest common to the Unitarian fellowship in America and shall address general suggestions or special counsel to the churches as a group and to the associated societies in relation to their collective concerns.

The relation of the Association to other Unitarian societies of general scope is that of a general council. It has responsibility for promoting the unity and harmony of the entire movement, but, until further advised by its experience, will confine itself to recommending to these societies for voluntary adoption such undertakings and methods in their respective fields as it judges to be in the minds of the fellowship.

BY-LAWS OF THE ASSOCIATION

AS ADOPTED ON MAY 25, 1937

Amended May 26, 1938, May 25, 1939, May 23, 1940, May 22, 1941, and May 23, 1946

Article I. Purpose

The purpose of the American Unitarian Association shall be:

1. To diffuse the knowledge and promote the interests of pure religion, which, in accordance with the teachings of Jesus, is summed up in love to God and love to man;

2. To strengthen the churches which unite in the Association for more and better work for the Kingdom of God;

3. To organize new churches for the extension of our faith in our own country and in other lands;

4. And to encourage sympathy and cooperation among religious liberals at home and abroad.

5. The Association recognizes that its constituency is congregational in tradition and policy, and that nothing in these By-Laws is to be construed as an authoritative test.

Article II. Organization Members

1. Churches and other religious, educational and philanthropic societies which make annual contributions to the Association shall be members of the Association. Churches and organizations not members of the Association may become such whenever they shall express their approval of or general sympathy with the purpose of the Association, and whenever their contributions are received and have been accepted by the Board of Directors.

2. Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, and by one additional lay delegate for each additional fifty voting members; and shall be entitled to choose a like number of alternate lay delegates to serve in the event of the absence of any of the delegates originally chosen, and, in the case of such member churches as have local auxiliaries in good standing of the Unitarian Laymen's League, the General Alliance of Unitarian and Other Liberal Christian Women, and the American Unitarian Youth, by one additional lay delegate or alternate for each such auxiliary. All lay delegates shall be chosen by each member church from its own constituency in accordance with its by-laws or precedents. Each other member society shall be represented by its president and two other accredited delegates or alternates, only, chosen as aforesaid from its members or those participating in its activities. No individual member nor any delegate shall be entitled to more than one vote at any meeting of the Association. A contribution must be placed in the hands of the officers of the Association on or before April 30, to entitle a church or other society to be represented in meetings of the Association during the year beginning on the following May 1.

Article III. Individual Life and Associate Members

1. A subscription of fifty dollars shall constitute a person a member of this Association for life, but no church or other society shall be entitled to the representation set forth in Article II by virtue of any subscription used for the creation of life members. No person constituted a life member after the first day of May, 1925, shall have the right to vote; but nothing herein provided shall be construed to affect the rights or privileges of life members duly constituted as such before the first day of May, 1925.

2. A subscription of one dollar or more per year shall constitute a person an associate member of this Association. Associate membership shall not carry the right to vote.

Article IV. Honorary Vice-Presidents and Members

1. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect honorary life members of this Association who shall have the rights and privileges of accredited delegates. Such elections shall be by ballot and nominations shall lie over one month. The number of such honorary life members shall not exceed twenty-five.

2. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect one or more honorary Vice-Presidents, ex officiis, to be chosen exclusively from among the chief officers of the organized Unitarian or allied church groups in other countries.

Article V. Officers and Directors

1. The officers shall be a Moderator; a President; and nine (9) regional Vice-Presidents, one of whom at the time of his or her election shall be from Northern New England, one from Southern New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Rocky Mountain States, one from the Pacific Coast, and one from the Dominion of Canada; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting.

2. The terms of office shall be as follows: the Moderator for two years; the President, the Secretary, and the Treasurer, for four years; eighteen

(18) of the directors, of whom not less than five shall be laymen, not less than five shall be women and not less than five shall be ministers, for three years, one-third to be elected annually; all other officers and directors for one year.

3. The Secretary of the Association shall cause to be prepared and mailed each year, on or before May 1st, to every member church and society as many ballots as the number of delegates to which it is entitled as representatives at the annual meeting of such year, and one ballot each to every individual member entitled to vote at the annual meeting, upon which ballots shall appear the nominations made in accordance with Article X with appropriate blank spaces for the substitution of alternative names. Each such ballot, when placed in a sealed envelope and accompanied by the signed credentials of an individual member or of any delegate member entitled to vote at such annual meeting and received by the Secretary of the Association not later than 5 P. M. of the day preceding the said annual meeting, shall be deposited with the chairman of the Committee on Ballots, who shall open any and all such envelopes in the presence of the Committee on Ballots at the time of their canvass of the vote of the meeting; and all of such ballots so found shall be counted in said canvass and in addition to the votes cast in person at said annual meeting, provided that no individual member nor any delegate shall be entitled to more than one vote.

Article VI. Duties of Directors

1. The Board of Directors shall meet at least four times each year, ten members constituting a quorum, and shall have charge of all the business and interests of the Association, the direction of its funds and operations, and authority to call special meetings of the Association whenever they shall deem it necessary or expedient.

2. It shall report to the annual meeting of the Association.

3. The Board shall choose from its own number a chairman of the Board, who shall have such duties as the Board may designate.

He shall be an official representative of the Unitarian churches in fraternal non-administrative relations with other religious bodies. He shall be ex officio a member of the Commission on Planning and Review and a Director of the Association, but have no other responsibility for its administrative affairs.

He shall have authority to sell, with the approval of any two other members of the Finance Committee, any stocks or other personal property owned by the Association.

5. The President, Secretary, and Treasurer, together with others employed as executive officers and heads of departments, shall constitute a Staff Council, which shall meet at call of the President or Secretary. The

Staff Council shall confer concerning questions involving the work of more than one department; but shall not as a body take action on matters which fall within the primary responsibility of any departmental or standing committee. All regional secretaries shall be eligible to sit with the Staff Council.

6. It shall be the duty of the Business Committee to receive and report upon all resolutions or other matters to be presented for action at any annual, biennial, or special meeting of the Association (except such matters as are provided for in these By-laws), and, except by consent of a three-quarters vote of those present and voting at the meeting, only such matters as have been presented to the Business Committee at least forty-nine days prior to the meeting shall be considered.

The Commission may also advise any agency directly as to its work.

Article IX. Meetings of the Association

1. In the fall of each alternate year beginning in 1937 the Association shall hold a meeting within the United States or Dominion of Canada, but not at the place at which the last annual meeting was held, to consider and act upon all matters to promote its objects. This meeting shall be known as

the General Conference of the American Unitarian Association. It shall review the outlook and work of the Unitarian movement and shall advise the several agencies of the movement in the light of their common objectives. It may make recommendations to the Board of Directors on matters which for legal reasons the Association cannot act upon outside of the Commonwealth of Massachusetts. The representation of churches at the General Conference shall be upon the same basis as that provided for the annual meeting in section 2 of Article II.

The annual meeting of the Association shall be held in the month of May, in Boston, Massachusetts, of which due notice shall be given by circulars to the members of the Association and by advertisement in two or more newspapers published in Boston at least ten days previous to the annual meetings.

6. At the General Conference of the Association, the Nominating Committee shall nominate the Moderator for a two-year term, his election to take place at the next following annual meeting. It shall also nominate and the General Conference shall elect a Program Committee and a Business Committee, each of five members, to serve for the biennial and annual meetings held during the two succeeding years. The Program and Business Committees shall elect their own chairmen and secretaries, and the chairman and secretary of each shall be members ex officiis of the other. Vacancies on the Program or Business Committees shall be filled by the Committee in which such vacancy occurs until the next General Conference.

7. Nominations for any and all officers, directors, and committees shall be published at least ninety days prior to the date of election. Additional nominations may be made through nomination papers signed by fifty adult voting members, of whom not more than five shall be members of any one constituent society, and such nominations when reported to the Secretary of the Association not less than sixty days prior to the date of the meeting at which they are to be voted upon shall be placed upon the official ballot for said meeting.

The United Unitarian Appeal is in essence a Unitarian Community Chest for financing denominational programs reaching far beyond the confines of the local parish. It also conducts a program of education in denominational affairs. The annual goal is set by the Budget and Campaign Committees after an analysis of the needs of the participating organizations. The total amount to be raised is equitably divided throughout the denomination on a suggested-share basis, proportionate to local parish budgets. Provision is also made for receiving individual contributions at Appeal headquarters. In most cases these latter are credited to church quotas.

The United Unitarian Appeal was inaugurated in 1941 for the support and extension of the work of the participating organizations. It was incorporated in 1946. In its first post-war year, 1945-46, for the first time it exceeded its goal, raising $240,000 on a goal of $231,000.

REV. FREDERICK MAY ELIOT, *Honorary Minister*
REV. ALBERT C. DIEFFENBACH, *Minister*

The Unitarian Church of the Larger Fellowship is composed of persons living in all parts of the United States, in Canada, and in other countries where there are no Unitarian congregations. The Church provides a spiritual home and a continuous ministry.

The basis of membership follows: "Avowing as our sole Bond of Fellowship our earnest desire to lead pure, reverent, and useful lives, we seek together the love which quickens fellowship and the truth which makes men free."

A person who subscribes to the Bond of Fellowship, and who makes an annual contribution of at least $5.00, may become a member. For young people in schools and colleges the minimum annual contribution is $2.00.

Upon uniting with the Church, each member receives a copy of *Hymns of the Spirit,* with services for worship in the home; the Unitarian Year Book; a subscription to *The Christian Register;* and the free literature of the American Unitarian Association. The Minister keeps in communication with all of the members.

For further information write to the Minister, and send him the names of persons who would be interested in becoming members of the Larger Fellowship.

REV. ALBERT C. DIEFFENBACH, D.D., 25 Beacon Street, Boston 8, Mass.

The San Francisco Bay area is the largest center of theological education on the Pacific Coast. The year-round mild climate is especially conducive to study.

OFFICIAL LIST OF UNITARIAN MINISTERS

WITH THEIR ADDRESSES

PUBLISHED BY AUTHORITY OF THE FELLOWSHIP COMMITTEE

The following is a list of ministers whom the Fellowship Committee believes are qualified to serve Unitarian Churches. It is the earnest recommendation of the Fellowship Committee that churches of the Unitarian denomination will call only those ministers who have been endorsed by the Committee.

Ministers in active parochial work are listed with no letter following their name.

Those in non-parochial service are indicated by the letter N in parentheses; those who have retired, by the letter R in parentheses.

The letter P in parentheses indicates ministers who have received their Preliminary Certificate only.

The letter A in parentheses indicates those ministers who have primary Fellowship with another denomination but are temporarily serving a Unitarian Church or a Federated Church in which a Unitarian Church is part of the organization.

The official list of ministers in Fellowship with the Unitarian denomination is in the custody of the Fellowship Committee, and all correspondence with regard to the list should be addressed to the Secretary of the Fellowship Committee, 25 Beacon Street, Boston 8. Copies of the Rules of the Fellowship Committee may be obtained through the Department of the Ministry.

NECROLOGY

Norbert F. Capek

Dr. Norbert F. Capek was born in Radomysl, Czechoslovakia in 1870. From 1890-1894, he studied theology and philosophy in Germany and in 1895 was ordained a Baptist minister. He served the Baptist denomination until 1919.

His first trip to America was in 1911; and later in 1914 he again visited America and worked for five years as a Baptist minister in New York and Newark. In 1919, he resigned his connections with the Baptist denomination and served for a year or two as editor of the Slovak newspaper in New York. During this time, he formed connections with the American Unitarian Association, and in 1921 he returned to Czechoslovakia, where in Prague he started the liberal religious mission of which he had dreamed. From then until the Second World War, Dr. Capek worked tirelessly and courageously with his people in Prague, and the Unitarian Church he founded there, despite the harrowing experiences of the war years, is a tribute to him and to the traditions which he so firmly established.

In the course of his ministry he wrote several books and numerous pamphlets on religious and educational subjects, as well as over eighty hymns in the Czech language, which have been widely sung in Czechoslovakia.

In October, 1945, word reached us of the death early in November, 1942 of Norbert Capek, in his 73rd year, at the hands of the Gestapo at Dachau. He died a martyr, a "man of liberty", whose life and memory are immortal.

Wilson Marvin Backus

Mr. Backus was born at Prairie Du Chien, Wisconsin, February 11, 1865 and died at Birmingham, Michigan, September 4, 1945. He was educated for the Methodist ministry, but served only one church before becoming so liberal in his views that he left his pulpit for the principalship of the school in the town where he had been minister. Afterward he came into contact with Unitarianism and found his life work in its ministry. He was married twice; first to Miss Estelle Campbell, mother of Rev. E. Burdette Backus, who died in 1889. Two years later he married Miss Mary Day, mother of Hugh Day Backus, of Detroit.

Mr. Backus suffered severely all of his life from an accident in infancy, but was able to serve forty-three years in the ministry.

Elvin James Prescott

Elvin J. Prescott was born in Hampton Falls, New Hampshire, August 27, 1865, of Unitarian parents deeply devoted to the religious and social idealism of Theodore Parker. After attending public schools, he was graduated from Meadville Theological School in 1890, and ordained to the Unitarian

ministry at Littleton, Mass. He also studied at the Harvard Divinity School.

From Littleton, Mr. Prescott was called to Kennebunk, Maine, and then to the First Church, Salem, Mass. His other pastorates were at Rockland, Mass.; Sanford, Maine; Gloucester, Westwood, and North Andover, Mass. It was in 1909 that Mr. Prescott organized the Sanford Church; having served as its first minister, he continued, in later years, to take great pride in its increasing influence and growth. He served for many years as minister-in-charge of the historic Rocky Hill Meeting House at Amesbury, Mass.; he was also a member of the Board of Wardens of the Hampton Falls Church, of which his grandfather had served as deacon. He was always actively concerned for the extension of Unitarianism in New Hampshire, and had a great deal to do with the revival of interest in the Exeter and Hampton Falls Churches in recent years.

In 1907, Mr. Prescott married Lillian Burpee. He is survived by Mrs. Prescott, and by a sister, Mrs. George Manson of Bradford, Mass.

Mr. Prescott died in Exeter, New Hampshire, November 15, 1945, in his 81st year, having retained to the end a youthful enthusiasm for the cause of liberal religion.

Thomas Montgomery Mark

When Thomas Montgomery Mark came to the United States from Scotland, where he was born in 1888, to study for the Unitarian ministry, he began his preparation with two years' work (1911-1913) at the Meadville Theological School. During the next three years (1914-1917), he served in the Universalist ministry and studied at Tufts College from which he received, in 1916, the degrees of A.B. and B.D.

During the First World War, he also was in service with the United States Navy as a Chaplain. At the conclusion of this work, he was called as the minister of the Hawes Memorial Church in South Boston, Mass. (1919-1941). Then he was called to the Unitarian Church in Marblehead, Mass. With the outbreak of the Second World War, the Chaplains' Office of the Navy put pressure upon him to return to the work he had previously accomplished with such marked success. In 1943, he was given the Commission of a Lt. Commander in the Chaplaincy and began the work which he pursued with vigor until his sudden death at Pearl Harbor on February 2, 1946. Funeral services were held in the Marblehead Church on February 27.

Ray Spencer Hubbard

Ray Spencer Hubbard, born in 1875 into a missionary family in Sivas, Turkey in Asia, brought to all his work the best in missionary zeal and desire to render real service to his fellowmen. Educated at St. Johnsbury Academy, Vermont, Amherst College, and Auburn, New York Theological Seminary, he held brief but memorable pastorates in the Congregational body. In 1908, at the age of thirty-three, he became associated with the Massachusetts Society for the Prevention of Cruelty to Children, in which work he labored for thirty-eight years, finding therein a rich field for his intelligent, untiring, sympathetic, and wisely directed interest in human welfare. While, specifically, he dealt with children, his wise counsel, wide experience, and good,

sturdy, common sense was a godsend to countless homes.

He loved companionship, his friends, his work, and his church. He understood, far better than most of us, why people are so often not what they ought to be, and his religion was to correct the conditions that contributed to their inability to be their best.

In the midst of a busy life, he found time to serve his home community of Braintree in many capacities. All Souls Church will miss him. At one time, he sang in the choir. The Church School knew him as an interesting teacher. He served several terms on the Parish Committee, both as a member and as president of the parish. His interest in the Men's Club remained active to the end.

He had an unusual capacity for making and keeping friends. His administrative wisdom and ability were continually reinforced by the good will which characterized all his life. His home was a perfect symbol of hospitality and neighborliness and his talented and gracious wife and three sons, who survive him, were his beloved companions.

The end came suddenly and unexpectedly on May 7, at his Braintree home. His was a useful and meaningful life. He dealt with the immortal stuff of which the future is made. To him, the "work was never done while the power to work remained. To live was to function."

SUMMARY

No statistics are included from starred churches or summer congregations; the former because they are inactive, and the latter because most of the attendants are from other churches and their inclusion would pad the figures unduly. Preaching stations are not included in the list of churches, nor their figures in the statistics. The returns from a few federated churches include members of other bodies but the number is small and does not materially change the totals. These figures are also included in the year book of other denominations represented in each federation.

MINUTES OF THE ANNUAL MEETING

Held in Boston, Massachusetts, May 23, 1946.

The 121st Annual Meeting of the American Unitarian Association was held on Thursday, May 23, 1946 in Arlington Street Church, Boston, and was called to order at 9:30 a.m. by the President, in the absence of the Moderator.

The Devotional Service was conducted by Rev. Robert S. Hoagland, of Chicago, Illinois.

The President read a message from Justice Harold H. Burton expressing regret at his inability to attend the meeting because of his duties in the Supreme Court, and his appreciation for the unique privilege which had come to him and Mrs. Burton through their experiences during his term of service as Moderator.

Dr. Philip C. Nash, former Moderator of the Association, was elected Moderator pro tem upon nomination by Mr. H. Clay Burkholder, Chairman of the Business Committee.

The rules of procedure as recommended by the Business Committee were adopted, and the Committee on Credentials and the Committee on Ballots, as nominated by the Business Committee, were elected.

The report of the Board of Directors, which was distributed to delegates at the meeting, is printed in full in this Report.

The Treasurer, Mr. Percy W. Gardner, reported that the General Investment Account had earned interest at the rate of 3.96% during the year ending April 30, presented his preliminary financial report in printed form, and stated that the final and complete report would be available in the new Year Book together with the report of the auditors. He then addressed the meeting briefly, setting forth the general principles which he believes should govern the life of a religious organization in a period of severe political and economic conflict, affirming his personal faith in the capitalist system, and pointing out what seemed to him the fundamental inconsistency when an organization whose operations are largely supported by income from invested funds encourages movements within the

life and thought of the nation which are directly hostile to the present economic order.

Mr. Frank B. Frederick, Chairman of the Steering Committee of the United Unitarian Appeal, announced that with a goal of $231,000 the Unitarians of the United States and Canada raised $240,000 for the United Unitarian Appeal in 1946. He reported that the United Unitarian Appeal has been incorporated and put on a permanent basis, and he introduced the new Director, Mr. Noyes Collinson.

The President's address reviewed the work of the several divisions of the Association, including the Unitarian Service Committee, with particular respect to Unitarian advance. He spoke of the record of the churches and ministers in World War II, and reminded those present of the Service of Commemoration to be held in the First Church the same evening in honor of the Unitarians who gave their lives in the war. The President's Report has been printed for distribution throughout the churches.

The Annual Meeting offering was taken for the Unitarian Churches in Europe, and amounted to $706.50.

Special addresses were given by Rev. N. W. Lovely, minister of the First Unitarian Church, San Antonio, Texas, recently Chaplain in the Army of the United States; Mr. Laurens J. Van der Lof, of Amsterdam, Holland, now a student at Meadville Theological School, and Rev. Karel J. Haspl, minister of the Unitarian Church of Prague, Czechoslovakia.

AMENDMENTS TO THE BY-LAWS

Amendments to the By-laws, which had been duly presented in 1944 and 1945 were acted upon as follows:

The amendment to abolish the office of Regional Vice-President was dropped for lack of support.

On motion by the Chairman of the Business Committee, the following amendments were adopted:

To amend Article VII, Section 6, so that as amended it shall read as follows:

> "It shall be the duty of the Business Committee to receive and report upon all resolutions or other matters to be presented for action at any annual, biennial, or special meeting of the Association (except such matters as are provided for in these By-laws), and, except by consent of a three-quarters vote of those present and

voting at the meeting, only such matters as have been presented to the Business Committee at least forty-nine days prior to the meeting shall be considered."

To amend Section 2 of Article II, Section 2 of Article X and Section 1 of Article XI by substituting the name "American Unitarian Youth" in place of the name "Young People's Religious Union," so that as amended said sections will read:

Article II

Sec. 2. Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, and by one additional lay delegate for each additional fifty voting members; and shall be entitled to choose a like number of alternate lay delegates to serve in the event of the absence of any of the delegates originally chosen, and in the case of such member churches as have local auxiliaries in good standing of the Unitarian Laymen's League, the General Alliance of Unitarian and Other Liberal Christian Women, and the American Unitarian Youth, by one additional lay delegate or alternate for each such auxiliary. All lay delegates shall be chosen by each member church from its own constituency in accordance with its by-laws or precedents. Each other member society shall be represented by its president and two other accredited delegates or alternates, only, chosen as aforesaid from its members or those participating in its activities. No individual member nor any delegate shall be entitled to more than one vote at any meeting of the Association. A contribution must be placed in the hands of the officers of the Association on or before April 30, to entitle a church or other society to be represented in meetings of the Association during the year beginning on the following May 1.

Article X

Sec. 2. The Unitarian Ministerial Union, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, and the American Unitarian Youth shall each have the right to nominate one director to serve for one year.

Article XI

Sec. 1. The Nominating Committee shall consist of ten members. The Presidents of the Unitarian Ministerial Union, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, and the American Unitarian Youth shall be members, ex officiis.

The official ballot prepared by the Nominating Committee having been

RESOLUTIONS

On motion by the Chairman of the Business Committee appropriate resolutions of greeting were directed by the Association to be sent to Unitarian churches in foreign lands.

The following resolutions were then adopted:

DENOMINATIONAL AFFAIRS

Co-operative Appeals

WHEREAS: The response of our churches to the appeal for food for Europe, which within a three-month period brought in more than 165,000 pounds and more than $38,000, has demonstrated that Unitarians can work together with swift and generous effectiveness for purposes that stir their imaginations and touch their hearts;

BE IT RESOLVED: That the American Unitarian Association assembled in its 121st Annual Meeting, records its grateful appreciation of the generosity of our people, the co-operative spirit of our ministers and the skilful work of the headquarters staff in this campaign; and, recognizing that we possess the organizational machinery to implement such appeals on a large scale;

BE IT FURTHER RESOLVED: That we urge a more frequent use of such direct appeals to our churches, not only for specific pieces of humanitarian service, but also for the expanding program of our fellowship at home and abroad.

Submitted by the Board of Directors of the American Unitarian Association.
Approved by the Business Committee.

Publication of Board Proceedings

IN ORDER: That the members of the Association may be kept informed of the transactions of the Board of Directors of the American Unitarian Association and the reasons therefor;

Association be requested to publish in *The Christian Register* after each meeting of the Board an accurate digest of the proceedings on all matters of general denominational interest.

WHEREAS: There is great need among Unitarians for better and more direct information as to governmental issues;

BE IT RESOLVED: That the American Unitarian Association assembled in its 121st Annual Meeting, recommends that the strengthened Department of Adult Education and Social Relations take all possible steps regularly to inform our churches on the status and progress of national legislation of ethical and religious significance, utilizing available information services; and further recommends that this Department co-operate with the Social Action Committee of All Souls' Church, Washington, D. C., for this purpose.

United Nations

WHEREAS: At its annual meeting in the year 1846 the American Unitarian Association declared that Unitarians are bound to "plead for peace with renewed earnestness" and "to lift up a united remonstrance against that spirit and those measures which may tend to renew or perpetuate the horrors and sins of war"; and

WHEREAS: Throughout the century since that date Unitarians have consistently and openly advocated all practical measures looking toward the establishment of just and enduring peace among all nations, as is exemplified by the activities of William Ellery Channing, Theodore Parker, Julia Ward Howe, Edward Everett Hale, Edwin D. Mead and many others, as well as by a long series of resolutions committing the Association to the cause of international co-operation; and

WHEREAS: In this present year the United Nations is the instrument by which the cause of peace may most surely and swiftly be promoted;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 121st Annual Meeting, hereby pledges full and

loyal support to the United Nations in the pursuit of its purposes and its principles as a developing organization, as set forth in its charter, urging upon our constituent churches the solemn obligation to arouse and strengthen among their members and the communities they serve the full force of public opinion to uphold the hands of the responsible representatives of the nations in their efforts to create the framework for a United World; and

BE IT FURTHER RESOLVED: That the Unitarian Commission on World Order, recently appointed by the Board of Directors of the Association, be authorized to speak in the name of our Unitarian churches in the discharge of the obligation which this resolution accepts.

INTERNATIONAL RELATIONS

Atomic Energy

WHEREAS: There is now overwhelming evidence that there is no effective defense for any nation against atomic warfare, except by preventing such warfare from ever beginning; and

WHEREAS: Domestic control by a civil governmental authority, as distinguished from a military authority, will symbolize this country's determination that atomic energy shall never again be used for warfare, will foster the advancement of the peaceful applications of the new discovery as military control has not and will not; and because such control will preserve intact the subordination of the military to the civil authority, a proven bulwark of democracy; and

WHEREAS: Domestic control must be supplemented and, as soon as possible, supplanted by international control, to avoid an atomic armaments race leading inevitably to war; and

WHEREAS: Effective international control requires not only agreements for inspection but the actual ownership, management and sole production of dangerous fissionable materials, as defined and demonstrated by the State Department consultants in the so-called Acheson report, released March 28, 1946;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, with member churches in the United States and Canada, assembled in its 121st Annual Meeting, believes that the safety and preservation of democracy, the advancement of science and the peace of the world alike require the prompt adoption of domestic control by a civil governmental

authority and the international basis of solution offered in the Acheson report; and that the American Unitarian Association urges the President of the United States, the United States Secretary of State, and the Congress of the United States to take explicit, prompt action by legislation for domestic control of atomic energy by a civil governmental authority and by negotiations within the United Nations for international control to accomplish these ends; and

Be It Further Resolved: That the American Unitarian Association urges the Prime Minister of Canada, the Secretary of State of Canada and the Canadian Parliament to take similar action, and that copies of this resolution be forwarded to them; and

Be It Finally Resolved: That the American Unitarian Association believes that in the present urgent and unprecedented situation all statesmanship is deficient both in patriotism and responsibility which fails to reckon fully, plainly and completely with the necessity for prompt, effective action to these ends.

Submitted by the Social Action Committee, First Unitarian Church of Pittsburgh, Pa.
Approved by the Adult Education and Social Relations Committee and the Business Committee, as revised.

FOOD FOR WAR VICTIMS

Whereas: The President of the United States has appealed to the American people to do their utmost to save food in order that the millions of suffering war victims in Europe and Asia may be saved from death by starvation; and

Whereas: The reports of representatives of the Unitarian Service Committee and other voluntary relief agencies emphasize the need for continuing relief throughout 1946 and 1947; and

Whereas: The United Nations Relief and Rehabilitation Administration likewise emphasizes the immediate and urgent necessity of mobilizing the food resources of the entire world in order to save as many lives as possible; and

Whereas: We believe that every Unitarian wishes to continue to do his utmost to help save all suffering war victims, regardless of nationality, and to carry on our continuous food collection which has resulted in hundreds of tons of food for Europe;

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 121st Annual Meeting, instructs its executive officers to take such steps as may be feasible to remind every individual Unitarian of his responsibility and his opportunity to be of service in

this grim battle with death, and urges its executive officers to recommend from time to time specific action for our Unitarian constituency, such as: voluntary personal sacrifice in order to save food; requests to clubs, hotels and restaurants to serve less bread; organizing and supporting continuous food collection campaigns for overseas relief; planting a 1946 peace garden; writing national and local government officials and legislators requesting favorable administrative and legislative action on measures designed to increase food supplies available for overseas shipment; and

Be It Further Resolved: That the American Unitarian Association urges upon proper governmental officials the immediate return to compulsory food rationing; and

Be It Further Resolved: That copies of this resolution be sent to the President of the United States, the Secretary of Commerce and Secretary of Agriculture, the Director of the Office of Price Administration and every member of Congress.

Submitted by the Unitarian Service Committee.
Approved by the Adult Education and Social Relations Committee and the Business Committee.

WORLD FEDERAL GOVERNMENT

Whereas: The United Nations, while demanding our support as an important achievement in the direction of world organization, is still, as now constituted, only a league of sovereign states; and

Whereas: Leagues of sovereign states throughout history have failed to prevent aggression and armed conflict; and

Whereas: Only a World Federal Government emerging from a developing United Nations is adequate for the requirements of the atomic age and to our desire for universal justice and peace;

Be It Therefore Resolved: That the American Unitarian Association, with member churches in the United States and Canada, assembled in its 121st Annual Meeting, urges and endorses the development of the United Nations into a real World Federal Government at the earliest possible moment, and asks the governments of the United States and Canada to assume immediate constructive leadership to this end; and

Be It Further Resolved: That the Unitarian Commission on World Order, recently appointed by the Board of Directors of the Association, be authorized to speak in the name of our Unitarian churches in the discharge of the obligation which this resolution accepts.

Submitted by Donald Harrington, New York, N. Y.
Approved by the Business Committee, as revised.

IMMIGRATION

WHEREAS: The Unitarian Service Committee believes that there is a present need for adequate consideration of immigration laws and procedures in the United States and Canada; that a thorough study of the existing laws and a weighing of factual information concerning the effect of quota restrictions should be made to ensure the formulation of a sound, constructive immigration policy adapted to our present participation in world co-operation; and that, in the words of President Truman, "This period of unspeakable human distress is not the time for us to close or narrow our gates";

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 121st Annual Meeting, urges that no legislation be passed aimed at curtailment of the present immigration quotas or temporary cessation of migration until a thorough study is made of the immigration laws and their administration; and

BE IT FURTHER RESOLVED: That the American Unitarian Association concurs in the sentiments expressed in House Resolution 52, 79th Congress, which proposed that because "of the post-war demographic trends due to maladjustment of world populations, the United States should re-examine its policy with respect to immigration from the standpoint of the relation to the future development of this country, the progress of other nations, and the maintenance of world peace."

PROBLEMS IN DEMOCRACY

Religious Interference with Democratic Liberties

WHEREAS: The various religious bodies of America are greatly interested in influencing secular activity according to their own conceptions of moral and social action; and

WHEREAS: Such interest finds expression in attempts to control public education; to limit freedom of the press, and to secure by financial pressure a disproportionate amount of newspaper space; to determine the nature of motion pictures produced; to sway government policies on domestic and foreign matters for sectarian advantage; and

WHEREAS: There are clear evidences today that the control of certain sections of American life for sectarian purposes by religious groups has reached a point of endangering the democratic principles of our nation, for the protection of which Thomas Jefferson and other founders tried to build safeguards by separating church and state; and

WHEREAS: There is a solemn responsibility for religious groups to rethink their position on religious interference with democratic liberties;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 121st Annual Meeting, urges that our churches vigorously uphold in American life the following principles:

1. THE COMPLETE SEPARATION OF CHURCH AND STATE

   No religion should seek, through legislation, political dominance for sectarian advantage, nor through infiltration of government departments or diplomatic services, any special control; for the government of any democratic nation shall not be dominated by any ecclesiastical power.

2. FREEDOM OF RELIGION

   We would help always to protect the freedom of worship which democracy requires and for which the constitution provides, and having this purpose we will oppose the persecution for views on religion of any individual or of any religious body by governmental action or by action of special interest groups within the nation.

3. SUPPORT FOR FREEDOM OF PRESS, SPEECH AND EDUCATION

   Believing that freedom of press, speech and education require the support of the moral idealism of religion as well as constitutional guarantees, we hold that no religious bloc may justly use political power or financial pressure to dominate motion pictures, radio, press, education or any phase of civil life for sectarian advantage; and

BE IT FURTHER RESOLVED: That in affirming these principles, the American Unitarian Association calls upon all Americans, both within and outside of organized religion, to examine carefully all sectarian encroachments on democratic liberties and to oppose them vigorously.

Released Public School Time for Sectarian Religious Education

WHEREAS: The principle of separation of church and state is vital to the legal framework of tolerance in the United States and has proved an effective way of maintaining religious equality before the law; and

WHEREAS: We are convinced that there are spiritual values essential to the moral nurture of children inherent in the educational process of the

free public schools of America, which values now are being threatened in the name of sectarian religious education; and

WHEREAS: The practice of releasing children from public school classes for week-day religious instruction unnecessarily accentuates the sectarian differences of religious groups and jeopardizes the sense of community among the children; and

WHEREAS: The operation of the released-time plan for religious instruction deprives those children not dismissed, of educational opportunities due them, and utilizes not only the authority of the state over the child, but often the staff, the buildings, and the funds of public schools, thus establishing an organic relationship between sectarian religion and the state;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 121st Annual Meeting, recognizing the widespread neglect of religion and the nation's serious moral condition with its disastrous effects upon youth and children, and recognizing further the need for ethical religion as a basis for character, urges all our churches to provide, in co-operation with the home, a more effective religious education designed to enlist parent and child co-operation, using church buildings and church funds; and

BE IT FURTHER RESOLVED: That the American Unitarian Association opposes the week-day religious education plan on released public school time, the use of school premises for sectarian purposes and the use of public funds for textbooks, transportation, or instruction, and calls upon all citizens within and without the church to oppose this sectarian encroachment upon the essential task of the public schools.

Un-American Activities

WHEREAS: The House Committee on Un-American Activities, now better known as the Rankin Committee and formerly known as the Dies Committee, has been guilty of the Un-American activity of attempting to intimidate and silence the opinions of many loyal citizens, on the radio, in the press, and in the government service; and

WHEREAS: This Committee, by its methods, has tended to deceive and divide the people of this country;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 121st Annual Meeting, favors the immediate dis-

solution of the House Committee on Un-American Activities, and urges the members of the House of Representatives to secure the discharge from the House Rules Committee and bring before the House the Hook Resolution designed to abolish the House Committee on Un-American Activities.

Submitted for the Social Action Committee of the Wollaston Unitarian Society, Wollaston, Mass., by Herbert C. Towle, Mrs. Wesley Marsh and Mrs. Nelson Burgess.

Approved by the Adult Education and Social Relations Committee.

Poll Tax

WHEREAS: The historical congregational tradition in our churches and the democratic tradition in our states has been one of guaranteeing the constitutional right to vote; and

WHEREAS: Many of our states still maintain a poll tax system which disenfranchises certain citizens;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 121st Annual Meeting, records its protest against all discriminatory poll-tax laws enforced by our several states, and that our protest be communicated to the governors of such states; and

BE IT FURTHER RESOLVED: That the American Unitarian Association declares its support for pending legislation in the Congress of the United States which would make unlawful the requirement of the payment of a poll tax as a prerequisite to voting in any election, primary or otherwise, involving the choice of Federal office holders, and that a copy of this resolution be sent to the President of the United States, the Chairman of the Senate Committee on the Judiciary, and the Chairman of the House Committee on Finance.

Submitted for the Social Action Committee of American Unitarian Youth by Arthur Boucot, Chairman.

Approved by the Adult Education and Social Relations Committee.

Approved by the Business Committee.

PERMANENT FAIR EMPLOYMENT PRACTICES COMMITTEES

WHEREAS: For several years the American Unitarian Association has gone on record affirming and implementing our historic tradition of the struggle for the rights and liberties of all racial minorities, and, in 1944, recorded its support of the "establishment by act of Congress of a permanent Fair Employment Practices Committee"; and

WHEREAS: The past year has once again seen the United States Senate, through its failure to invoke the cloture rule, permit the use of the filibuster by a minority to defeat the will of the people;

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 121st Annual Meeting, urges the Senate to make prompter and more frequent use of the cloture rule; and

Be It Further Resolved: That the American Unitarian Association again declares its support of pending legislation to establish by act of Congress a permanent Fair Employment Practices Committee; and

Be It Finally Resolved: That the American Unitarian Association urges all members of our fellowship to support state legislation designed to establish state Fair Employment Practices Committees, and that a copy of this resolution be sent to the President of the United States, the Secretary of Commerce, the Secretary of Labor, the Chairman of the Senate Committee on Education and Labor, and the Chairman of the House Committee on Labor.

Submitted for the Social Action Committee of American Unitarian Youth by Arthur Boucot, Chairman.

Approved by the Adult Education and Social Relations Committee.

Approved by the Business Committee, as revised.

DEMOCRACY IN ACTION

Whereas: The present world situation is complex and confused, with many serious problems to be solved;

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 121st Annual Meeting, urges its member churches to form Open Forum discussion groups to explore and evaluate the more important national and international problems during this coming year; and

Be It Further Resolved: That the appropriate agencies of the American Unitarian Association should continue to assist member churches in the securing of factual information and a list of informed speakers; and

Be It Finally Resolved: That the delegates present at this Annual Meeting accept responsibility for helping in the establishment or continuance of Open Forum discussion meetings in their churches or communities during this coming year.

Submitted by Rev. John O. Fisher, Framingham Centre, Mass.

CONSCIENTIOUS OBJECTORS

Whereas: Among the men who have been sentenced for violation of the Selective Training and Service Act of 1940, are many who acted for the sake of firmly held principles; and

WHEREAS: By a proclamation of amnesty these men can be free and their full civil rights restored;

BE IT THEREFORE RESOLVED: That the American Unitarian Association expresses as its conviction that the cause of justice would be served if the President of the United States proclaimed a general amnesty for conscientious objectors now in Federal Prison.

Submitted by Rev. William B. Rice, of Wellesley Hills, Mass.

RESTRICTING THE USE OF FOOD STUFFS FOR MAKING OF ALCOHOLIC BEVERAGES

WHEREAS: Millions of men, women, and little children in Europe and Asia are in imminent danger of starving to death and the possibility of their being saved alive depends largely on whether the United States does its utmost to send them food;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 121st Annual Meeting, hereby calls upon the government of the United States to materially restrict the use of grain and similar food stuffs for the making of alcoholic beverages.

BE IT FURTHER RESOLVED: That a copy of this resolution be sent to the President of the United States, the Secretary of Agriculture, the Secretary of Commerce, the Director of the Office of Price Administration, and every member of the Senate and of the House of Representatives.

REPORT OF THE BOARD OF DIRECTORS

To the American Unitarian Association:

In accordance with the By-laws of the Association, and in account of its stewardship in behalf of the churches, the Board of Directors herewith submits its annual report for the year 1945-1946:

With the termination of the war, and the beginning of the reconstruction period, with the increased need for relief abroad, and the reopening of communications with other liberals around the world, and with the necessary implementing of the new program of Unitarian Advance, the Board of Directors has faced a challenging year, and has approved and witnessed considerable expansion in the Association's activities.

MEETINGS AND COMMITTEES

There have been four regular meetings of the Board with an average attendance of twenty-five persons, not counting a large number of staff representatives and regional officials. The Executive Committee of the Board has met on nine additional occasions, with an average attendance of seven. These percentages of attendance are indicative of high interest and most commendable loyalty on the part of the directors.

Mr. Charles O. Richardson at the beginning of the year was re-elected Chairman of the Board, and has presided at all its gatherings.

An attempt was made in May to reduce somewhat the number of Board Committees and unnecessary duplication in personnel. At this time also special committees A, B, and C, in connection with Unitarian Advance were discharged with thanks. Otherwise regular committees were appointed, and have functioned much as usual. The Committee on the Postwar Responsibilities of the Churches has completed its assignment during the year, and been discharged, but a new Commission on World Order has been organized.

The Committee formerly appointed to study our Social Action Program has reported through its chairman, Mr. Sanford Bates, and given a number of recommendations to the Board. One result of this report has

been the decision to expand the Department of Adult Education and Social Relations under the leadership of a full-time director, but with the understanding that the Department will place primary emphasis upon the work of the local parish.

FOREIGN RELATIONS AND SERVICE

Reports have been received regularly from the Service Committee relative to the work being done overseas, as well as in connection with home-service projects. In addition to the other large scale services rendered, our churches and individuals responded promptly and generously to an appeal in December for Canned Food for Europe.

At the October meeting the Board learned of the martyrdom in 1942 of Dr. Norbert F. Capek of Prague, and paid tribute to his memory. Similarly in March it received word of the death of Bishop Gabriel Jozan of Budapest.

In October the Rev. Herbert Hitchen of West Newton was appointed part-time director of the Department of Foreign Churches, the agreement with his Church allowing that he should give one day a week to the Association plus two periods of six weeks each some time during the year, and providing that the Association at its expense should supply substitutes in his place in West Newton in his absence. Dr. Hitchen has made one trip to England thus far.

Plans are formulated for a Preliminary Conference in England in July for the re-establishment of the International Association for Liberal Christianity and Religious Freedom.

The Board has been in touch again with the Independent Church of the Philippine Islands, and has offered some assistance to that church.

ADMINISTRATION

The Division of Publications has been reorganized under its new director, who assumed his position on July 1st last. The Division has carried forward the Advance Program on as broad and impartial a basis as possible. The staff necessarily has been augmented, and the other departments and divisions of the Association have felt the increase in activity.

During the year it became obvious that due to crowded conditions the Service Committee would have to be housed elsewhere. Consequently two floors at nearby No. 9 Park Street were rented and renovated for this purpose. Also a branch of the Bookshop was opened at the invitation of

the Arlington Street Church at 355A Boylston Street as a Beacon Book Center and Unitarian Reading Room.

The Christian Register has continued to grow, and has reported most lately a circulation of nearly eight thousand.

The Board has given much thought and planning to the United Unitarian Appeal, and has welcomed gladly during the year the General Alliance as another partner in that Appeal. Staff and volunteer help have been given generously toward the success of this year's effort. The Appeal has accepted regretfully the resignation of its director, Mr. Frederick T. McGill, Jr., in order that he may again take up his teaching duties.

The Board expressed its deep gratitude in January to Mr. Henry Sonntag, whose retirement as manager of the shipping room, after forty-three years in the employ of the Association, was announced.

EXTENSION AND MAINTENANCE

A new church established during this year is the West Shore Unitarian Church of Cleveland, Ohio, under the auspices of the First Unitarian Church in Cleveland. The First Unitarian Church of San Antonio, Texas, which was formally organized April 29 last year, has had an extraordinarily successful first year. Under the leadership of former Chaplain N. W. Lovely this church already has a Sunday morning attendance of nearly eighty, a church school, an Alliance, and a forum, and has raised $5,000 for a new church building. The latest report to the Board brought word of a Negro Unitarian church now in process of organization in Des Moines, Iowa.

The following churches have gone off the aided list during this year, which means they are now entirely self-supporting: The Church of All Souls, Evanston, Illinois; the First Unitarian Church of Houston, Texas; the First Unitarian Church, Oklahoma City, Oklahoma; the United Liberal Church, St. Petersburg, Florida, and the University Unitarian Church, Seattle, Washington.

After a complete survey by our Minister-at-Large, Rev. Lon R. Call, the congregation at Lawrence, Kansas, regretfully decided to disband and to turn over its assets to the Association for missionary work in Kansas. Similarly, in New England, the Third Religious Society and Channing Church in Dorchester have voted to close, as has Channing Church in Newton, but in this latter case the congregation has united with our strong church in West Newton.

Loans have been made as usual, in some instances in large amounts for far-reaching building programs.

Miss Florence Baer, forced by ill health to give up her work on the Pacific Coast, returned to Boston in January, but was again obliged to seek further rest, and is on leave of absence until September.

The Rev. Delos W. O'Brian of Wilmington, Delaware, was appointed in March a second Minister-at-Large for the Association and assigned to the Pacific Coast.

COMMUNICATIONS

The Board has received, and duly considered, resolutions on a variety of subjects from the South Middlesex Conference of Churches, the New Hampshire Ministers' Association, and the Middle Atlantic States Ministerial Institute, as well as some important recommendations from the Commission on Planning and Review.

It has received also and acknowledged a large number of communications from churches relative to matters of policy and administration.

Finally, it has exchanged greetings and heartening information with a number of foreign correspondents.

MISCELLANEOUS

The Association has been honored indirectly in the past year by the appointment of its Moderator, now Justice Burton, to the Supreme Court of the United States.

The Board has received reports regularly on the progress of the Laymen's League Committee on World Order, under the chairmanship of Frank B. Frederick, in the interest of the United Nations Charter and of a World Peace Holiday.

Representatives of the Association have been appointed to a Joint Universalist-Unitarian Advisory Committee for the study of matters of concern to both denominations, and to a Committee of Congregationalists and Unitarians to plan for the Tercentenary in 1948 of the adoption of the Cambridge Platform.

Items not covered in this brief report are included in the report of the president or the treasurer of the Association.

The year has been one of important progress and service in the life of our Fellowship.

Respectfully submitted,

DANA MCLEAN GREELEY, *Secretary*

REPORT OF THE TREASURER
FOR THE YEAR ENDING APRIL 30, 1946

AUDITOR'S REPORT

BOSTON, JUNE 26, 1946

We have examined the financial statements of American Unitarian Association, as listed in our report for the fiscal year ended April 30, 1946, have reviewed the system of internal control and the accounting procedures of the Association and have examined accounting records of the Association and other supporting evidence, by methods and to the extent we deemed appropriate.

We satisfied ourselves that all cash recorded as received was properly deposited in the bank, that all income due from investments was received or properly accounted for, and that disbursements were supported by cancelled checks and properly approved vouchers; and we examined or otherwise satisfactorily accounted for the investments on hand at April 30, 1946.

In our opinion, the accompanying balance sheet and supporting schedules present fairly the position of American Unitarian Association at April 30, 1946, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

SCOVELL, WELLINGTON & COMPANY.

ANNUAL REPORT OF THE TREASURER

The Income and Expense Account and the Balance Sheet as contained in this report, have been taken from the auditors' report. Accompanying each of these schedules are explanations and comments by the treasurer, which it is hoped will enable those who are interested in the Association's financial affairs to understand them better.

All churches, branch Alliances and other organizations which contributed to the United Unitarian Appeal are treated as having complied with the provision of the by-laws of the Association which requires an annual contribution in order to maintain membership in the Association.

This report segregates gifts to the Association where the principal or income is applicable to the work of the Association, from those funds which during the year have been turned over to the Association as trustee.

The rate earned by our General Investment Account, in which are invested most of the funds of the Association and most of the trust funds held for others, was 3.96% for the year ending April 30, 1946.

PERCY W. GARDNER,
Treasurer

Comments on Income and Expense Schedule:

A comparison of this schedule with that contained in the Treasurer's report for the year ending April 30, 1945, discloses an increase in donations of $24,327.13, of which amount $21,827.13 is an increase from the United Unitarian Appeal.

Income from unrestricted funds increased $3,322.01, and from restricted funds $9,249.90, a total increase of income from investments of $12,571.91.

Expenditures increased over the preceding year by $41,851.09, creating a deficit of $11,666.90.

In the foregoing Income and Expense Account are carried only items which are budgeted by the Association. We hold funds such as Ministerial Aid, the income from which is used to assist ministers in case of illness and other emergencies; Sustentation, the income from which is used to supplement inadequate salaries; and certain purely charitable funds, the income from which is administered confidentially by special committees.

In addition to the Ministerial Aid and Sustentation Funds, the Association acts as trustee of a large number of funds for Unitarian educational institutions, conferences and churches, and of certain purely charitable funds. With the exception of the Rogers Memorial Fund, these funds are invested as a part of our General Investment Account.

During the fiscal year there has been applied to the use of beneficiaries, other than the Rogers Memorial Fund and the Unitarian Service Pension Society, the sum of $103,493.10.

The Association also holds the permanent funds of the Unitarian Service Pension Society. The income from these funds during the fiscal year, plus current contributions, was $43,714.23, which was paid out in service pensions to 80 participants. The average pension paid during the year was $558.71.

There has been applied, therefore, to denominational beneficiaries during the year a total of $147,207.33.

Comments on the Balance Sheet:

The cash balance includes sums held in the Building Loan Fund, uninvested principal of funds, and certain undistributed trust income.

The item of "Bonds and Stocks" includes all securities held by the Association except the investments of the Unitarian Sunday School Society and the Rogers Memorial Fund, which appear separately in the balance sheet. With these two exceptions under the system of bookkeeping employed by the Association all securities are included in this one item of bonds and stocks, although the income is applied to ministerial aid, sustentation, and the various beneficiaries whose funds we hold, as well as to the immediate activities of the Association.

In a few instances trust funds which are held for others are so constituted that some part of the income is payable to the Association either for general or special purposes. Based on income applicable to other beneficiaries, and to ministerial aid and sustentation, the ratio of the aggregate amount of stocks and bonds held is approximately 45 per cent representing trusts held for others, ministerial aid and sustentation, and 55 per cent representing funds the income from which is applicable to the immediate activities of the Association. Concerning the latter, a reference to the income account will show that there are two general types of funds, the income from which may be budgeted by the Board of Directors, namely those funds the income from which is applicable to the general work of the Association, and those the income from which, by the restrictions of the donors, must be applied to specific activities of the Association.

The Building Loan Fund is a special fund set up for the purpose of assisting churches in building and in reconstruction projects. This fund was created on a revolving basis. During the year there has been collected on these loans the sum of $49,715.01. Due to governmental restrictions on building, loans made during the current fiscal year have been chiefly for acquisition of new properties, and for minor repairs. During the year ten new loans were made in the aggregate amount of $43,329.92. At the end of the year there were 67 loans outstanding. On 13 of these no payment was made during the year. The Treasurer has made a constant effort to get these loans on a current basis.

The Church Properties Account, which aggregates $1,064,590.22, represents various types of investments made by the Association in church properties in the United States and Canada. This balance is comprehended on the Liabilities side in the aggregate of "Trust Funds and Accounts for General Purposes." These investments have been made with the object of developing denominational growth, and are not income-producing.

On the Liabilities side, "Special Trust Funds and Accounts" comprehend those trust funds the income from which is paid to beneficiaries, and those funds the income from which must be applied to special activities of the Association.

The item of $48,054.28 represents distributable funds held by the Association for the Pension Society, which will be applied to the payment of pensions during the fiscal year May 1, 1946 to April 30, 1947. "Sundry Credit Balances" include items accrued and to be disbursed. The "Reserve Fund" is made up of certain unrestricted funds which have been carried to this account.

Accumulated Net Loss on General Investments from March 4, 1847, to April 30, 1946, was reduced during the fiscal year through a net profit in securities called or sold in the amount of $35,750.93.

Other Balance Sheets and Income Statements:

The auditors prepare a balance sheet for the Publication Department including the *Christian Register,* an income statement of this Department exclusive of the *Christian Register,* and an income statement of the *Christian Register,* which for lack of space are not incorporated in this report. The Treasurer stands ready at all times to give to the member churches and the members of the denomination any information in his possession.

Comments on List of Securities:

The preceding list shows securities held by the Association exclusive of those held by it as agent for the Unitarian Sunday School Society and as trustee of the Rogers Memorial Fund.

The investment and reinvestment of funds are under the direction of the Finance Committee of the Board of Directors. This committee has followed its practice of continuing to weed out securities of inferior quality, while undertaking to do so without too violently upsetting the principal source of income of the Association.

On April 30, 1946 the market value of United States and Canadian Government bonds was 101.980 per cent of the book value, foreign bonds 101.214 per cent, public utilities 102.808 per cent, railroad bonds 110.024 per cent, industrial bonds 102.880 per cent, real estate bonds 62.205 per cent, bank and insurance stocks 122.588 per cent, industrial, public utility, railroad and miscellaneous stocks 122.433 per cent. The market value of the total portfolio was 113.804 per cent of the book value. On July 1, 1946 this market value was 113.531 per cent of the book value.

During the fiscal year there have been securities called and sold aggregating $1,051,060.98, and purchases in the aggregate of $1,525,595.43.

PERCY W. GARDNER,
Treasurer.

AMERICAN UNITARIAN ASSOCIATION

NATURE AND SCOPE OF THE ASSOCIATION

At the Annual Meeting of the American Unitarian Association, held on May 25, 1936, the following "declaratory resolution" was adopted:

The Association is a voluntary organization of churches and other religious, educational and philanthropic societies, and life members now empowered to vote, uniting themselves in the furtherance of the purposes enumerated in Article I of the Association's By-laws.

In thus associating themselves the individual churches and societies abrogate no part of their independent autonomy; neither does the Association have any authority over other conferences or associations of Unitarian churches having lesser geographical scope. The Association is, nevertheless, competent to undertake such functions in behalf of the entire body of associated churches as these churches, by delegates assembled, may from time to time commit to it.

The Association shall make a biennial review of the whole field of interest common to the Unitarian fellowship in America and shall address general suggestions or special counsel to the churches as a group and to the associated societies in relation to their collective concerns.

The relation of the Association to other Unitarian societies of general scope is that of a general council. It has responsibility for promoting the unity and harmony of the entire movement, but, until further advised by its experience, will confine itself to recommending to these societies for voluntary adoption such undertakings and methods in their respective fields as it judges to be in the minds of the fellowship.

BY-LAWS OF THE ASSOCIATION

AS ADOPTED ON MAY 25, 1937

Amended May 26, 1938, May 25, 1939, May 23, 1940, May 22, 1941, May 23, 1946, and May 22, 1947.

Article I. Purpose

The purpose of the American Unitarian Association shall be:

1. To diffuse the knowledge and promote the interests of pure religion, which, in accordance with the teachings of Jesus, is summed up in love to God and love to man;

2. To strengthen the churches which unite in the Association for more and better work for the Kingdom of God;

3. To organize new churches for the extension of our faith in our own country and in other lands;

4. And to encourage sympathy and cooperation among religious liberals at home and abroad.

5. The Association recognizes that its constituency is congregational in tradition and policy, and that nothing in these By-laws is to be construed as an authoritative test.

Article II. Organization Members

1. Churches and other religious, educational and philanthropic societies which make annual contributions to the Association shall be members of the Association. Churches and organizations not members of the Association may become such whenever they shall express their approval of or general sympathy with the purpose of the Association, and whenever their contributions are received and have been accepted by the Board of Directors.

2. Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, and by one additional lay delegate for each additional fifty voting members; and shall be entitled to choose a like number of alternate lay delegates to serve in the event of the absence of any of the delegates originally chosen, and, in the case of such member churches as have local auxiliaries in good standing of the Unitarian Laymen's League, the General Alliance of Unitarian and Other Liberal Christian Women, and the American Unitarian Youth, by one additional lay delegate or alternate for each such auxiliary. All lay delegates shall be chosen by each member church from its own constituency in accordance with its by-laws or precedents. Each other member society shall be represented by its president and two other accredited delegates or alternates, only, chosen as aforesaid from its members or those participating in its activities. No individual member nor any delegate shall be entitled to more than one vote at any meeting of the Association. A contribution must be placed in the hands of the officers of the Association on or before April 30, to entitle a church or other society to be represented in meetings of the Association during the year beginning on the following May 1.

Article III. Individual Life and Associate Members

1. A subscription of fifty dollars shall constitute a person a member of this Association for life, but no church or other society shall be entitled to the representation set forth in Article II by virtue of any subscription used for the creation of life members. No person constituted a life member after the first day of May, 1925, shall have the right to vote; but nothing herein provided shall be construed to affect the rights or privileges of life members duly constituted as such before the first day of May, 1925.

2. A subscription of one dollar or more per year shall constitute a person an associate member of this Association. Associate membership shall not carry the right to vote.

Article IV. Honorary Vice-Presidents and Members

1. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect honorary life members of this Association who shall have the rights and privileges of accredited delegates. Such elections shall be by ballot and nominations shall lie over one month. The number of such honorary life members shall not exceed twenty-five.

2. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect one or more honorary Vice-Presidents, ex officiis, to be chosen exclusively from among the chief officers of the organized Unitarian or allied church groups in other countries.

Article V: Officers and Directors

1. The officers shall be a Moderator; a President; and nine (9) Regional Vice-Presidents, one of whom at the time of his or her election shall be from Northern New England, one from Southern New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Rocky Mountain States, one from the Pacific Coast, and one from the Dominion of Canada; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting.

2. The terms of office shall be as follows: the Moderator for two years; the President, the Secretary, and the Treasurer, for four years; eighteen

(18) of the directors, of whom not less than five shall be laymen, not less than five shall be women and not less than five shall be ministers, for three years, one-third to be elected annually; all other officers and directors for one year.

3. The Secretary of the Association shall cause to be prepared and mailed each year, on or before May 1st, to every member church and society as many ballots as the number of delegates to which it is entitled as representatives at the annual meeting of such year, and one ballot each to every individual member entitled to vote at the annual meeting, upon which ballots shall appear the nominations made in accordance with Article X with appropriate blank spaces for the substitution of alternative names. Each such ballot, when placed in a sealed envelope and accompanied by the signed credentials of an individual member or of any delegate member entitled to vote at such annual meeting and received by the Secretary of the Association not later than 5 P. M. of the day preceding the said annual meeting, shall be deposited with the chairman of the Committee on Ballots, who shall open any and all such envelopes in the presence of the Committee on Ballots at the time of their canvass of the vote of the meeting; and all of such ballots so found shall be counted in said canvass and in addition to the votes cast in person at said annual meeting, provided that no individual member nor any delegate shall be entitled to more than one vote.

Article VI. Duties of Directors

1. The Board of Directors shall meet at least four times each year, ten members constituting a quorum, and shall have charge of all the business and interests of the Association, the direction of its funds and operations, and authority to call special meetings of the Association whenever they shall deem it necessary or expedient.

2. It shall report to the annual meeting of the Association.

The United Unitarian Appeal is in essence a Unitarian Community Chest for financing denominational programs reaching far beyond the confines of the local parish. It also conducts a program of education in denominational affairs. The annual goal is set by the Budget and Campaign Committees after an analysis of the needs of the participating organizations. The total amount to be raised is equitably divided throughout the denomination on a suggested-share basis, proportionate to local parish budgets. Provision is also made for receiving individual contributions at Appeal headquarters. In most cases these latter are credited to church quotas.

The United Unitarian Appeal was inaugurated in 1941 for the support and extension of the work of the participating organizations. It was incorporated in 1946.

The Unitarian Church of the Larger Fellowship is composed of persons living in all parts of the United States, in Canada, and in other countries where there are no Unitarian congregations. The Church provides a spiritual home and a continuous ministry, including the religious instruction of children in member families.

The basis of membership follows: "Avowing as our sole Bond of Fellowship our earnest desire to lead pure, reverent, and useful lives, we seek together the love which quickens fellowship and the truth which makes men free."

A person who subscribes to the Bond of Fellowship, and who makes an annual contribution of at least $5.00, may become a member. For young people in schools and colleges the minimum annual contribution is $2.00.

Upon uniting with the Church, each member receives a copy of *Hymns of the Spirit*, with services for worship in the home; the Unitarian Year Book; a subscription to *The Christian Register;* and the current free literature of the American Unitarian Association. The Minister keeps in communication with all of the members.

For further information write to the Minister, and send him the names of persons who would be interested in becoming members of the world-wide Larger Fellowship.

OFFICIAL LIST OF UNITARIAN MINISTERS

WITH THEIR ADDRESSES

PUBLISHED BY AUTHORITY OF THE FELLOWSHIP COMMITTEE

The following is a list of ministers whom the Fellowship Committee believes are qualified to serve Unitarian Churches. It is the earnest recommendation of the Fellowship Committee that churches of the Unitarian denomination will call only those ministers who have been endorsed by the Committee.

Ministers in active parochial work are listed with no letter following their name.

Those in non-parochial service are indicated by the letter N in parentheses; those who have retired, by the letter R in parentheses.

The letter P in parentheses indicates ministers who have received their Preliminary Certificate only.

The letter A in parentheses indicates those ministers who have primary Fellowship with another denomination but are temporarily serving a Unitarian Church or a Federated Church in which a Unitarian Church is part of the organization.

The official list of ministers in Fellowship with the Unitarian denomination is in the custody of the Fellowship Committee, and all correspondence with regard to the list should be addressed to the Secretary of the Fellowship Committee, 25 Beacon Street, Boston 8. Copies of the Rules of the Fellowship Committee may be obtained through the Department of the Ministry.

NECROLOGY

J. Franklin Burkhart

He lived in the midst of active and successful labor, a member of a happy family, with pleasant surroundings and hopeful outlook, when suddenly without warning the summons came and he was gone.

Franklin Burkhart was born on February 25, 1881. In his career he began with business but soon found another aim appealing to him and he followed it into the Unitarian ministry. He left his home at Lancaster, Pennsylvania, and attended the Meadville Theological School, where he graduated in 1919. He also attended for a time the University of Chicago and the Harvard Divinity School.

His pastorates were at Jamestown, New York, Charleston, South Carolina, where he remained for twenty years, and Somerville, Massachusetts. In his work he gave close attention to his churches, but found time for outside religious and social help. He was secretary of the South Middlesex Conference, of the Cambridge Association of Ministers, and he was president of the Somerville Ministers' Alliance.

He had preached his usual service on Sunday, and on Monday, October 14th, on the way home from Boston his heart gave way. Death came in the very midst of a useful and busy life. Well done!

Carl Georg Horst

To many in our liberal fellowship, the passing of Carl Horst brings a sense of genuine loss. In the seven Massachusetts parishes, Pittsfield, Athol, West Upton, Wollaston and Randolph, Littleton, East Bridgewater, and Brewster, which he served loyally and well, there are throngs of people who remember him with gratitude and affection. German-born, throughout his long life retaining something of the accents and mannerisms of the land of his birth, a dominant factor in his personality was that "gemüthlichkeit" which was long the most attractive characteristic of the Teutonic race. An eminently friendly man, deeply religious, sincerely consecrated, he was good will incarnate. His was that kind of ministry which in every field of organized Christianity remains its supreme source of power. Never rising to the seats of the mighty, unambitious for public notice, unresentful of obscurity, in whatever corner of the vineyard his lot was cast, he was content to labor cheerfully and faithfully, hoping for nothing. He had a rare capacity for friendship. Although a preacher of more than average ability, it was as a pastor that he was most successful. A true shepherd, gentle, warm-hearted, kindly, sympathetic, he went in and out of the homes of his parishioners radiating courage and high faith. His was essentially a ministry of reconciliation, manifesting that simplicity which is toward Christ. As age drew on, the

shadows lengthened. Separation from his wife who had long been for him a true helpmate, an unfailing tower of strength, was a heavy blow. But even in bereavement he remained the same brave steadfast man he had ever been. With faith undiminished he faced the sunset, greeting the unseen with a cheer, convinced that "we fall to rise, are baffled to fight better, sleep to wake". "For such as he, there is no death." Now that for him the end of earth has come, the memory of what he was and did is a challenge to us all to labor for truth, and for the spread of good will among men, as valiantly and unselfishly as did this honest man of God.

Forrester Macdonald

Rev. Forrester Macdonald was born in Haverhill, Massachusetts in 1868. He had a rich academic training for his ministry being a graduate of Dartmouth College, Newton Theological Institute, the Harvard Divinity School (A.M.), and the Harvard Graduate School of Education (Ed.M.). In 1893 he was ordained to the Baptist ministry and served churches of that fellowship at East Boston, Fitchburg, Lexington and Lowell until he was called to the Unitarian Church of Hyde Park in 1927. After a nine-year pastorate, he took charge of the Sturbridge Federated Circuit. Declining health, however, necessitated his resignation in 1936.

Throughout his life Mr. Macdonald kept up his interest in Greek and Hebrew, as well as a vigorous concern for the social application of his religious convictions. Beside such interests as the Boy Scouts, Family Welfare Society, District Nursing, and the public school system in which he was active, the cause of Temperance was very real to him. In 1928 he was President of the Unitarian Temperance Society.

Mr. Macdonald died at his home in Hyde Park on June 10th, 1947, leaving his widow — an ordained minister — and two sons.

Howard Almeron Pease

The Reverend Howard Almeron Pease, M.D., Minister Emeritus of the First Parish in Fitchburg, was born at Strykersville, N. Y., May 1, 1870, the son of Wesley and Ita (Stryker) Pease, and he died at Fitchburg, December 8, 1946. He was minister of the First Parish Church in Fitchburg for twenty-five years, from Sept. 1, 1917 to 1942.

Dr. Pease was educated at the University of Buffalo (M.D., 1892), the Harvard Divinity School (S.T.B., 1908) and the Newton Theological Institution (S.T.M., 1910). He was ordained as a Baptist minister at Portageville, N. Y., Nov. 22, 1893, and served churches of that denomination at Portageville, Geneseo and Perry, N. Y., Waverley and Natick, Massachusetts, and New York City. In 1912 he entered the Unitarian fellowship and was settled at Wheeling, W. Va. After three years here and two at Ithaca, N. Y., he was called to Fitchburg. During his long pastorate, Dr. Pease was always active in the community life.

At Fitchburg, Dr. Pease served as a Trustee of the Fitchburg Public Library from 1928 to 1943, and of Lawrence Academy in Groton. He was a member of the Rotary Club, the Fitchburg Historical Society and the Fitchburg Art Center, and was senior member of the Worcester Association of Ministers. He is survived by his wife, a son, Almeron Wilcox Pease, a grandson, and two sisters.

The Reverend Gilbert A. Potter said of his predecessor: "Gracious in spirit, generous in mind and heart, he possessed that ineffable quality of radiance in his countenance which is the possession of only a few. Simplicity of character is one of the distinguishing elements of a truly great person. Dr. Pease possessed such a character.

"He gave the best years of his ministry to this church and community. . . . As long as hearts and minds strive to make this city a better place in which to live, a better place in which to nurture our children and rear our youth, there will live the spirit of Howard A. Pease. . . . He dwelt among us as a good and faithful minister of Jesus Christ." F.L.W.

Henry W. Pinkham

Henry Winn Pinkham, who died on January 5, 1947, in his eighty-third year, was born on April 14, 1864, in Newton Center, Massachusetts. Graduated from Brown University (A.B., 1888) and from the Newton Theological School (B.D., 1891), he was ordained a Baptist minister on September 9, 1891. In Denver, Colorado, he won an A.M. degree at the University in 1903, and in 1909 joined the Unitarian fellowship. Returning east, he served as Superintendent of St. Mary's House for Sailors in East Boston, accepted a call to the West Somerville Universalist Church, and in 1915 became pastor of the Unitarian Church in Melrose, Massachusetts. In the crisis of America's entrance into the war, his pacifism brought him into conflict with his parishioners, and he resigned in 1917. His only other pastorate was in Pittsfield, Massachusetts, where he served the Unitarian church as a stated supply in 1927-29.

Mr. Pinkham married on November 24, 1911, Wenona V. Osborne, later a well-known teacher and suffragist, who died in 1930. They had one daughter, Louisa Catherine (now Mrs. Robert Holt).

Henry Pinkham was among the purest and bravest of men. He gave the untiring and dauntless service of a lifetime to an ideal untouched by selfish motive. To his enemies — or rather his opponents, for he had no enemies — he was a frequent source of irritation, since he scorned amenities, compromises, even good tactics, and hewed, reckless of consequences, to the straight line of his conviction. To his friends and supporters he was an inspiration; he poured iron into their blood, and built steel into their bones. Having thought his way through to what was to him the truth, he became as one bound of God to be a witness to this truth though all odds were against him and danger threatened. Again and again, like the poet's "lonely antagonists of Destiny," he "went down scornful before many spears," but straightway rose again in the unwilling admiration of those who hated his cause, but recognized a gallant fighter when they saw one.

His one enemy was war, his one consuming passion, peace. To pacifism he contributed the rigorous thinking of a clear and potent mind and the single service of a heart that knew weariness as little as it knew fear. Like a gadfly he stung his opponents to frequent fury, but without a trace of malice or ill will. He must make men see what he saw — a world perishing in violence and hate — and to this end must lose not a moment and miss no occasion! So, without thought of self, at bitter cost, he gave himself to his great cause and fought without hope of victory. But this vic-

tory will come! The heroes and the martyrs live not in vain. J. H. H.

Augustus Phineas Reccord

In the passing of Dr. Reccord, our fellowship has lost one of its most prominent and successful leaders. Born in Acushnet, Mass. on February 14, 1870, his education, begun in the schools of the neighboring town of Fairhaven, was completed by four years at Brown University, where he received the degree of A.B. on his graduation in 1892; followed by three years at the Harvard Divinity School, where he graduated in 1895, receiving the degree of S.T.B. During his college days, he attained membership in both Phi Delta Theta and Phi Beta Kappa. Ordained to the Christian Ministry in the First Unitarian Church in Chelsea, Mass. on October 9, 1895, he entered upon a career of steadily developing accomplishments, which was to continue all his life. Through forty-four years, he served five churches: Chelsea, 1895-1897, the Second Church in Cambridge, Mass., 1897-1902; the Channing Memorial Church in Newport, R. I., 1902-1905; Unity Church, Springfield, Mass., 1905-1919; and the Church of Our Father, Detroit, Michigan, 1919-1939. From this last parish and from the Grosse Pointe Church he received the honorary title of Minister Emeritus. After retiring from the active ministry, during the autumn of 1941, he was Interim Minister of the Church of The Messiah, in Montreal, Canada, and a year later, he served the First Church of Louisville, Kentucky in the same capacity. In 1922, his Alma Mater, Brown University, gave him the Honorary Degree of Doctor of Divinity. An attractive personality compounded of a genuine talent for making friends, sincere loyalty to the noblest ideals, a certain Yankee shrewdness, vigorous mental powers, in which clear insight and practical common sense were more manifest than either imagination or mystic intuition, such were the outstanding qualities that made him an influential leader and prophet of the faith of reason throughout his long life. After his retirement, he lived in Springfield, Mass., and there, suddenly, on the fourth of October, 1946, for him the end of earth arrived. He is survived by Mrs. Reccord, who, born Mae Tripp, he married in East Charleston, Vermont, October 30, 1895. There were no children.

George Hale Reed

George Hale Reed, minister emeritus of the Winchester Unitarian Church, which he served for twenty years, died January 21, 1947. He was born of Unitarian stock in Taunton, Massachusetts in 1877, graduated at Harvard magna cum laude in 1899 and from the Divinity School in 1902. He was ordained with his classmates at King's Chapel on June 18, 1902, and there followed pastorates in Belmont 1902-1914; Fairhaven 1914-1920; and Winchester 1920-1940.

George Reed cared for people unprofessionally. He sought and gave response in all his relations with people. Young people especially responded to him. He started one of the first Boy Scout troops in the country, and young people turned to him. The overwhelming meaning of life to him was personality and friendship, and he loved books and the writing and preaching of sermons. His attitude toward his work is found in these, his own words, about a fellow minister, "The perfect ministry

is simply manhood raised to its highest power." P. H. C.

Lewis Welton Sanford

Lewis W. Sanford came to the Unitarian Fellowship from the Baptists in 1914 when, as a graduate student at the Harvard Divinity School, he served the church in Ayer. His parishes with us, where he always aroused the warm loyalty of his parishioners by his own friendly and helpful service to them, were at Walpole, N. H.; Marshfield Hills, Mass.; Eastport, Maine; Scituate, Mass.; and Augusta, Maine. He accepted the latter post first on an interim basis taking the place of the minister who had entered the Chaplaincy and then was called as the settled minister. When the Augusta Church was rebuilt after a disastrous fire, Mr. Sanford wrote the three hymns which were used at the service of dedication. He was made Minister Emeritus on his retirement in 1946.

Besides service in the parish ministry, Mr. Sanford was a Chaplain in World War I and always kept up his association with his former companions through active membership in the American Legion. He died at the Veterans' Hospital in Togus, Maine, where he was Chaplain, June 19, in his 79th year. It was from the Chapel there that his services were held. He is survived by his widow and two daughters.

Alfred D. K. Shurtleff

Rev. Alfred D. K. Shurtleff, the youngest child of Asahel M. and Sarah A. Shurtleff, was born in Brookline, Massachusetts, September 5, 1873. Educated at the Boston Public Schools, Meadville Theological School and Andover Theological Seminary, he began his active ministry as assistant at Bulfinch Place Church in Boston. From there he went to Chelmsford and later to East Boston, Marblehead, and Carlisle.

At Carlisle he established the Memorial Candle of remembrance for the beloved dead as he gave to Beacon Hill its heartwarming ceremony of candle lighting on Christmas Eve. Mr. Shurtleff's book "Lighted Candles" tells of the origin of the candle-lighting custom on the Hill which has spread far and wide.

Due to failing eyesight Mr. Shurtleff was obliged to resign his pastorate in 1930. He did not however, "retire," but learned braille and carried on a large correspondence with others similarly afflicted. Through this ministry he has brought cheer to countless blind people with his letters and sermons.

He died at his home in Framingham on April 19, 1947. He is survived by his widow and two daughters, one of whom married a Unitarian minister, Rev. Herman H. Geertz.

William Marcus Taylor

William Marcus Taylor, a native of Tennessee, where he was born in 1869, died in Chattanooga June 19. Prior to entering the ministry of the Christian (Disciple) Church in 1900, he had studied pharmacy and spent some years in teaching and traveling.

His first and last pastorates, one with the Disciples and the other with the Unitarians, were in Chattanooga, Tennessee. His other places of service were at Puerto Rico as Mission Superintendent, Cincinnati, and New Orleans. In 1916 he was called to the Unitarian Church at Nashville where he served for two years and then accepted the invitation of the church in Chattanooga,

which he served from 1918 to 1933, when he retired from the active ministry. In conjunction with his parish work in Chattanooga, he founded and taught at the Taylor School of Bio-Psychology, Inc., and the Taylor University of Bio-Psycho-Dynamic Sciences. Upon retirement from the ministry, he devoted his full time to these schools and was actively connected with them up to the time of his death.

Dr. Taylor is survived by his wife, Mrs. Ruby Shearer Taylor, who was associated with him in his schools; and one step-daughter, Mrs. Paul Goff of Monterey, Tennessee.

SUMMARY

No statistics are included from starred churches or summer congregations; the former because they are inactive, and the latter because most of the attendants are from other churches and their inclusion would pad the figures unduly. Preaching stations are not included in the list of churches, nor their figures in the statistics. The returns from a few federated churches include members of other bodies but the number is small and does not materially change the totals. These figures are also included in the year books of other denominations represented in each federation.

MINUTES OF THE ANNUAL MEETING

Held in Boston, Massachusetts, May 22, 1947.

The 122nd Annual Meeting of the American Unitarian Association was held on Thursday, May 22, 1947 in Arlington Street Church, Boston, and was called to order at 9:30 a.m. by the Moderator, Dr. Winfred Overholser.

The Devotional Service was conducted by Rev. J. Donald Johnston, of Keene, New Hampshire.

The rules of procedure as recommended by the Business Committee were adopted, and the Committee on Credentials and the Committee on Ballots, as nominated by the Business Committee, were elected.

The Moderator read messages of greeting from Vancouver, B. C., The Netherlands, Prague, Czechoslovakia, and the Brahmo-Samaj in India.

The Treasurer, Mr. Frank B. Frederick, addressed the meeting and presented his report for the year, which is printed in full in this report.

Dr. Everett M. Baker, President of the United Unitarian Appeal reported that $260,000 had been raised by the Appeal for this fiscal year, or 69% of its goal. He urged the delegates to remind the people in our churches all over the country that if the denomination is going to do the job that is to be done, we must all be more enthusiastic about it and ready to support it to the degree it deserves, so that another year the United Appeal will raise its full quota.

At the beginning of his brief address, the President paid warm tribute to Dr. Philip C. Nash, former Moderator of the Association, saying that his counsel, his affection and his good will were sadly missed. The flowers before the pulpit on this occasion were given by the Officers and Directors in memory of Dr. Nash. The President then spoke of two or three outstanding achievements in the work of the Association during the past year, one of which had been the establishment of new contacts with Dr. Albert Schweitzer, in French Equatorial Africa, through the publication of an anthology of some of his writings and through the plan to send emissaries to visit him in the summer. At the close of his address the President announced that the collection at the Annual Meeting would

be for the purpose of extending the weekly broadcasts to Europe by shortwave, under the auspices of the Department of World Churches.

The Moderator introduced the Rt. Rev. Frantisek Kovar, Bishop-Patriarch of the Czechoslovak Church, who, with his associate and interpreter, the Rev. Vaclav Vysohlid, had come to the May Meetings as guests of the Association. The Patriarch addressed the meeting, and immediately following the translation was given by Mr. Vysohlid. The Patriarch expressed deep appreciation of the Association's invitation to visit this country, and the opportunity thus afforded to meet many people and to discuss mutual problems. He spoke of how near and spiritually akin the Czechoslovak Church is to American Unitarianism and how the two spiritual fellowships on the two hemispheres are being animated by the same spirit. He brought greetings not only from the Czechoslovak Church but from the Czechoslovak Unitarians and in the name of all people of the Czech and Slovak nations, and expressed their deep appreciation for the work of the Medical Teaching Mission to Czechoslovakia in the summer of 1946.

The Moderator presented the Rt. Rev. Alexander Szent-Ivanyi, Deputy-Bishop and Ecclesiastical President of the Hungarian Unitarian Church, who had been in this country for several months. Dr. Szent-Ivanyi spoke of the 400 years of Hungarian Unitarian history, and how it has withstood attack from all illiberal forces down to the present day. Dr. Szent-Ivanyi said that the liberal Christians in Central Europe and on this continent can show the way toward world citizenship, peace and mutual understanding. He said that Unitarianism as liberalism is on the march and the Kingdom of God will be not only a dream but a reality.

AMENDMENT TO THE BY-LAWS — *ADOPTED*

On motion by Hon. H. Clay Burkholder, and upon the recommendation of the Business Committee, the following amendment to the By-laws was adopted:

That Article VII, Section 6, of the By-laws of the Association be amended so as to read as follows:

> "It shall be the duty of the Business Committee to receive and report upon all resolutions or other matters to be presented for action at any annual, biennial, or special meeting of the Association (except such matters as are provided for in these By-laws), and, except by consent of a three-quarters vote of those present and voting at the meeting, only such matters as have been presented to the Business Committee at least two months prior to the meeting shall be considered."

AMENDMENTS TO THE BY-LAWS — *PROPOSED*

Amendments to Article V and Article X of the By-laws of the Association were presented by the General Counsel for action at the Annual Meeting in 1948, as follows:

> Article V shall be amended by adding the following sentence at the end of Section 2: "The directors elected for one year shall include a representative of the Unitarian Ministerial Union, the General Alliance of Unitarian ond Other Liberal Christian Women, the Unitarian Laymen's League, and the American Unitarian Youth."

Article X shall be amended by adding the following sentence at the end of Section 2:

> "If such a director is not nominated or if after such a director is elected, the office shall become vacant, the vacancy shall not be filled by the Board of Directors until the organization affected shall have been given an opportunity to submit its nomination to the Board of Directors."

Article V, Section 1, shall be amended by striking out the words *Rocky Mountain States* and substituting therefor the words *Meadville Conference Area,* so that it will read as follows:

> "The officers shall be a Moderator; a President; and nine (9) Regional Vice-Presidents, one of whom at the time of his or her election shall be from Northern New England, one from Southern New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Meadville Conference Area, one from the Pacific Coast, and one from the Dominion of Canada; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting."

Article II, Section 2, shall be amended by adding in the tenth line of Section 2, at the end of the sentence the following:

> "Unitarian ministers on active service as Chaplains of the Armed Services and the Veterans Administration of the United States and Canada shall have the privileges of delegates, including the right to vote."

The Moderator introduced Dr. Merrill E. Bush, Director of the Department of Adult Education and Social Relations, who reported action taken with regard to resolutions adopted by the Annual Meeting in 1946.

The Meeting by unanimous consent directed that resolutions of greeting be sent to The Universalist Church of America, The Congregational Christian Churches of America, the General Assembly of Unitarian and Free Christian Churches, Great Britain, the International Association for Liberal Christianity and Religious Freedom, the new Unitarian Church of Phoenix, Arizona, the Congregational Church of Jesus in Samoa, the Independent Church of the Philippines, the Brahmo-Samaj in India, and to the Unitarian Churches in Europe.

The Rev. Dana McLean Greeley, Secretary of the Association, presented the printed report of the Board of Directors (to be found elsewhere in this Report) with an additional verbal report concerning the special meeting of the Directors on May 20 to consider the action of the Executive Committee in suspending the Rev. Stephen H. Fritchman as Editor of The Christian Register. The Board voted to terminate Mr. Fritchman's employment as of May 20, 1947, seventeen voting for termination, two opposed and two not voting. The reason for the action of the Board was that outlined in the public statement issued by the Chairman of the Board and the President on May 14, namely, the failure of Mr. Fritchman to carry out the plan for cooperation in the production of the Register which had been set up by the administrative officers following the action taken by the Board of Directors in October, 1946.

Mr. Fritchman addressed the meeting, at the invitation of the Business Committee, and discussion followed which continued into the afternoon session. At the conclusion, a motion duly seconded, to reinstate the Rev. Stephen H. Fritchman as Editor of The Christian Register was defeated.

The official ballot prepared by the Nominating Committee having been distributed to the delegates, the Moderator announced that the Committee on Ballots would receive the marked ballots at the doors of the hall at the close of the morning session.

The meeting recessed at 12:30 p.m. to reconvene at 2 p.m.

RESOLUTIONS

The following resolutions were adopted:

INTERNATIONAL RELATIONS

Jurisdiction of the International Court of Justice

Be It Resolved: That the American Unitarian Association, assembled in its 122nd Annual Meeting welcomes the action taken by the President of the United States, pursuant to the authorization of the Senate, in depositing with the Secretary General of the United Nations a declaration accepting the compulsory jurisdiction of the International Court of Justice under Article 36 of the Statute of the Court; and

Be It Further Resolved: That the American Unitarian Association regrets the inclusion in the American declaration of the provision excluding from the jurisdiction accepted disputes with regard to matters which are essentially within the domestic jurisdiction of America; as well as the provision excluding from the jurisdiction accepted disputes arising under a multilateral treaty unless all parties to the treaty affected by the decision are also parties to the Statute of the Court.

In the opinion of the American Unitarian Association, neither of these exclusions was required in the interests of the United States and each of them may serve as an unfortunate precedent for action which may be taken by other countries.

Submitted by the Unitarian Commission on World Order.
Approved by the Business Committee.

Civil Liberties in One World

Whereas: The experience of the church has shown for many centuries that good is promoted in the world by practicing good rather than by

threatening evil; that democracy is best preserved and extended by having more democracy; and that peace is promoted by preparing for peace rather than for war; and

WHEREAS: The world contains many millions of people believing in widely divergent systems of philosophy, government, and economics, yet all recognizing the common value of peace; and

WHEREAS: It has long been the American tradition that suppression of opinion should never be resorted to except in undoubted cases of clear and present danger; and that there should never be search without warrant;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 122nd Annual Meeting,

(1) warns against illegal search and seizure;

(2) calls upon men and women everywhere to distinguish carefully between legitimate safeguards against activities presenting a clear and present danger to our democratic institutions, on the one hand, and persecution for mere political opinion in public or private life, on the other hand;

(3) advocates the free exchange of ideas everywhere in the world;

(4) supports the establishment of police and military forces for the United Nations and simultaneously the progressive disarmament of all member nations;

(5) calls upon its member churches to increase their educational efforts to impress all those under their infiuence with the difficult but vital art of maintaining loyalty to their own national institutions and traditions, together with the equally vital art of maintaining cooperation and fellowship with adherents of different philosophies on a basis of mutual respect and toleration.

European Displaced Persons

WHEREAS: Almost a million persons in Europe are still displaced by the ravages of war and cannot return to their original places of residence; and

WHEREAS: America is a land of immigrants and America has traditionally been an asylum for refugees; and

WHEREAS: Unitarians, who at times have been victims of religious persecution, have furnished through the Unitarian Service Committee, through the churches, and as individuals, significant leadership in the protection of refugees;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, with member churches in the United States and Canada, assembled in its 122nd Annual Meeting, hereby urges the United States to take the lead to admit its fair share of European displaced persons by the approval of emergency legislation by the Congress which would temporarily permit the filling of immigration quotas unused during the war years and assigned without regard to country of birth as urged by the Citizens' Committee on Displaced Persons and other organizations; and

BE IT FURTHER RESOLVED: That the American Unitarian Association urges the Government of Canada to amend its immigration laws so as to permit a far greater number of European displaced persons to enter the Dominion of Canada and to assist in their successive settlement; and

BE IT FINALLY RESOLVED: That the American Unitarian Association urges its member churches to work for the immediate passage of this legislation and pledges its help in the settlement and adjustment of these refugees in local communities.

Compulsory Peacetime Military Training

WHEREAS: The General Assembly of the UN has unanimously called for a program of world-wide disarmament; and

WHEREAS: Though many of us are not opposed to conscription when the need is apparent, we believe that the purposes for which peacetime conscription is now proposed can best be served by a thoroughgoing program of physical training and health education supported by the Federal government under existing civilian agencies;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 122nd Annual Meeting, affirms its opposition to

compulsory peacetime military training, either openly or by indirection, unless and until all voluntary methods have proved unworkable.

PROBLEMS IN DEMOCRACY

Protection of Rights of Citizens Summoned by the House Committee on Un-American Activities

WHEREAS: The American Unitarian Association at its last Annual Meeting expressly condemned the House Committee on Un-American Activities because of its frequent and gross violations of the elementary principles of fair inquiry; and

WHEREAS: Since the action of this Association, the Committee on Un-American Activities has indulged in further, and even grosser violations of the fundamental rights of American citizens; and

WHEREAS: There is evidence indicating that these violations occur in part because of a grave lack of procedural safeguards of the rights of individual citizens appearing before this Committee; specifically, the right of the individual to be accompanied by legal counsel;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 122nd Annual Meeting, reaffirms its condemnation of the methods employed by the House Committee on Un-American Activities and urges every Unitarian to write to his Congressional representatives, urging that steps be taken by Congress to insure the protection of the basic rights of every American citizen summoned to testify before this, or any other Congressional Committee; also requesting them to protest on the floors of Congress whenever these rights are shown to have been violated; and

BE IT FURTHER RESOLVED: That the American Unitarian Association recommends that if State legislatures establish similar committees, Unitarians urge the incorporation of similar safeguards in such laws.

Submitted by the Social Relations Committee, First Parish in Cambridge.
Endorsed by the Adult Education and Social Relations Committee.
Approved by the Business Committee, as revised.

Separation of Church and State

WHEREAS: The American Unitarian Association has always stood for the separation of church and state; and

WHEREAS: The traditional historic position of the United States since Thomas Jefferson articulated the principle of Religious Freedom for the Commonwealth of Virginia and the enactment of the first amendment to the Constitution has been to establish and maintain the separation of church and state; and

WHEREAS: There are pending at present, certain federal and state proposals to provide public funds for non-public schools; and

WHEREAS: The Supreme Court of the United States in a five-to-four opinion decided in the case of Arch Everson versus the Board of Education in the Township of Ewing that the legislature in the State of New Jersey was constitutionally within its rights in providing for the use of public funds for the transportation of pupils to other than public schools, but not including schools operating for profit; and

WHEREAS: This decision may be interpreted as establishing a precedent which places many problems involving the issue of state support of sectarian institutions squarely upon the individual states;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 122nd Annual Meeting, calls upon all Americans, both within and without the churches, to oppose all encroachment upon the principle of the separation of church and state, including the action of legislatures (at present particularly in Illinois, Indiana, Louisiana, Massachusetts, Michigan, New Jersey, and New York), local school boards, and other policy-making instrumentalities of government; and

BE IT FURTHER RESOLVED: That we urge those states whose constitutions do not now guarantee the separation of church and state to incorporate such guarantees by constitutional amendments; and

BE IT FINALLY RESOLVED: That the executive officers of the American Unitarian Association be instructed to seek active cooperation with other denominations and organizations for the purpose of promoting unity of action to this end.

Submitted by Catherine J. Morton, Richard W. Morton, and sixteen other individuals from Hartford, Connecticut, and vicinity.

Endorsed by the Adult Education and Social Relations Committee.

Approved by the Business Committee, as revised.

Toward an Unsegregated Church and an Unsegregated Society

WHEREAS: The principle of segregation violates the spirit of liberal religion and the practice of segregation is inconsistent with our beliefs; and

Whereas: We must respond to the mandate of our democratic faith to promote with unwavering word and purpose the integration in society of all persons of whatever race, religion, color, or ancestry on the basis of equality and mutual respect in an inclusive fellowship;

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 122nd Annual Meeting, hereby renounces the principle of segregation as unnecessary, undesirable, and a denial of the concept of the fatherhood of God and of the brotherhood of man; and

Be It Further Resolved: That the American Unitarian Association pledges to work unceasingly for an unsegregated church and an unsegregated society and to start specifically in the following directions:

(1) To urge the examination of the practices of the denomination, its agencies and affiliate churches, and other institutions in membership, attendance, worship, social activities, church administration, staff employment, ministry, and property policies, and change these policies if they are inconsistent with our beliefs.

(2) To cooperate closely with non-church agencies in the community and nation to outlaw discrimination by the adoption of Federal fair employment practices laws; Federal statutes to outlaw lynching and the poll tax; laws strengthening the Federal civil rights statutes and providing the District of Columbia with a civil rights ordinance; and state laws prohibiting the enforcement of racial restrictive housing covenants and other devices for segregating housing.

(3) To aid local churches and church members in developing a sense of moral and religious responsibility, leadership, and skill in overcoming discriminatory practices in the community in the fields of housing, employment, education, health, recreation, and civil rights.

(4) To seek to schedule Unitarian conferences, conventions, or other meetings, in hotels and other public places which do not discriminate against racial, religious, or national minorities.

Submitted by the Executive Committee of the Unitarian Fellowship for Social Justice.

Endorsed by the Applied Christianity Committee, Unitarian Society of Germantown, and by the Adult Education and Social Relations Committee.

Approved by the Business Committee, as revised.

Planned Parenthood

Whereas: Opposition on religious grounds to the planning of parenthood, through the use of medically approved methods, frequently prevents

boards of hospitals, and nursing and welfare agencies from recognizing this essential service; and

WHEREAS: Lack of favorable policies by such boards keeps many married couples from obtaining proper guidance in the planning of families from those very sources in the community which should be expected first to assist them; and

WHEREAS: The failure of community services to provide proper counselling and service in planning parenthood at all times constitutes a peril to health and the general welfare;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 122nd Annual Meeting, believing in the right of each child to be well born and to be wanted and supported by its parents, urges its member churches to work for the lawful and actual inclusion of planned-parenthood services in hospitals, clinics, and by licensed physicians.

Submitted by Edwin C. Broome, Jr., Belmont, Mass.

Chaplains' Corps in the Veterans Administration

BE IT RESOLVED: That the American Unitarian Association, assembled in its 122nd Annual Meeting, endorses a Chaplains' Corps in the Veterans Administration, and urges that such a Corps, because of its primary duty of administering to the spiritual needs of the former members of the Armed Forces now in Veterans' Hospitals, be given its proper and distinct place in the organization.

Submitted by William B. Rice, Wellesley Hills, Mass.

Recruiting of Ministers

WHEREAS: Unitarian advance is in large measure dependent on the discovery and training of able, faithful and efficient ministers for our churches, and

WHEREAS: There now appear to be a number of our churches that are without ministerial leadership and, in addition, many communities wherein liberal churches might be established, be it

RESOLVED: That the Association heartily commends the action of the Directors in appointing a committee on the recruiting of the ministry, and urges that full support be given to the endeavors of the Committee so

that persuasive ambassadors can present the claims of the ministry in the churches, consulting with our ministers, interviewing possible candidates and their families, visiting colleges and seminaries, and calling upon ministers now serving in other communions who might be happier and more effective in our free Fellowship.

We urge the supreme importance of the plans and activities of the Committee, and bespeak for its endeavors the co-operation of the churches, the theological schools and all adherents to our cause.

The Meeting voted to express its deep and sincere thanks to the Moderator for his careful and skillful handling of the difficult sessions, and upon further motion by a delegate from a distance it was also voted to express appreciation to the Unitarians of Greater Boston for their hospitality during Anniversary Week.

Upon motion duly seconded it was further voted to send a sincere expression of appreciation to Dean E. J. van Etten of St. Paul's Cathedral for his cordial invitation to visiting Unitarian clergymen to participate in the Noonday Services at the Cathedral during Anniversary Week, and to suggest that if in the future such an invitation should be extended again the Association will be glad to include an announcement concerning it in the Anniversary Week program.

Following the singing of a hymn and the Benediction by the President, the Meeting was declared adjourned at 4:45 o'clock.

REPORT OF THE BOARD OF DIRECTORS

To the American Unitarian Association:

In accordance with the By-Laws of the Association, and in account of its stewardship in behalf of the churches, the Board of Directors herewith submits its annual report for the year 1946-1947:

MEETINGS AND COMMITTEES

There have been four regular meetings of the Board with an average attendance of twenty-six members and, in addition, staff representatives and regional officials. The Executive Committee of the Board has met thirteen times during the year, with an average attendance of seven members.

Mr. Charles O. Richardson was re-elected Chairman of the Board and has presided at all meetings of the Board and all but one of the Executive Committee meetings.

Divisional Councils and Committees have functioned as usual. In the course of the year there have been various changes in committee assignments resulting from changes in the Board itself. The Editorial Advisory Board of *The Christian Register* was reconstituted in December and additional appointments were made to the Unitarian Service Committee and the Youth Work Committee. The Committee on Ministerial Salaries was re-activated and is taking steps in the matter of increasing salaries for our ministers.

ADMINISTRATION

Several changes in officers and staff of the Association have taken place during the year. Mr. Percy W. Gardner, of Providence, for six years Treasurer and General Counsel of the Association, resigned from these offices in October, but remains Chairman of the Finance Committee and a member of the Board of Directors. The Board adopted a resolution of deep appreciation of the distinguished services of Mr. Gardner, so long identified in positions of responsibility with the work of our Fellowship. Mr. Frank B. Frederick, of Milton, a member of the Board, was appointed General Counsel of the Association and elected Treasurer to fill that office until Mr. Gardner's successor might be duly elected in May.

Dr. Merrill E. Bush took up his new duties as Director of the Department of Adult Education and Social Relations on February 1, and on March 1, the Rev. Raymond B. Bragg was appointed Executive Vice President of the Association and assigned to serve as Executive Director of the Unitarian Service Committee.

The Board, and the Executive Committee acting in its behalf, studied carefully various criticisms made against the Rev. Stephen H. Fritchman during the summer of 1946 and exonerated Mr. Fritchman in October from specific charges with reference to Communist political affiliation. The Board then voted, at the request of the President, to place the full transcript of the hearings held by the Executive Committee at the disposal of the administrative officers concerned for their study and recommendation for administrative procedure. Effective February 15, 1947, the Board accepted Mr. Fritchman's resignation as Director of Youth Work in order that he might devote full time to the Division of Publications, including his duties as Editor of *The Christian Register.*

After a long period of devoted service to the Unitarian Service Committee, Dr. Charles R. Joy resigned his post of Executive Director as of August 1, 1946. As noted above, Mr. Bragg succeeded to Dr. Joy's position.

WORLD RELATIONS

Official visitors from abroad during the year have included the Rev. Karel J. Haspl, minister of the Unitarian Church of Prague, Czechoslovakia, and the Rt. Rev. Alexander Szent-Ivanyi, Deputy-Bishop and Ecclesiastical President of the Hungarian Unitarian Church. We are happy that it has been possible for Bishop Szent-Ivanyi to make an extended visit with us.

Delegates to the International Planning Conference, held in Oxford in the summer of 1946 were Dr. John H. Lathrop, Dr. Herbert Hitchen and the Rev. Edward A. Cahill. The Unitarians of America were gratified and honored to learn of the election of Dr. Lathrop as President of the International Association for Liberal Christianity and Religious Freedom, succeeding Dr. Louis C. Cornish. Dr. and Mrs. Lathrop were guests of honor at a reception in Boston in January, on their return from six months' service in Czechoslovakia for the Unitarian Service Committee.

The Board was glad to approve, in March, the recommendation of the departmental committee that the name of the Department of "Foreign" Churches be changed to the Department of "World" Churches, believing this to be a more inclusive term.

In March the Association inaugurated a series of weekly Sunday afternoon broadcasts by shortwave to Europe over station WRUL, with Dr. Herbert Hitchen, Director of the Department of World Churches, as the speaker.

WORLD ORDER COMMISSION

The Unitarian Commission on World Order, authorized by the Annual Meeting in 1946 to speak for the Association between meetings, has met nine times during the year and has stimulated action in the local parishes in study of the purposes of the United Nations and the furtherance of world relations through education.

UNITARIAN SERVICE COMMITTEE

Full reports of the Committee's work during the year have been made to the meetings of the Board. Outstanding among the achievements of the Service Committee which will endure was the work of the Medical Teaching Mission to Czechoslovakia in the summer of 1946.

Criticisms of the Service Committee and its work have been taken very seriously by members of the Committee and its executive officers, and detailed reports have been made in this connection by Dr. William Emerson, Chairman, at all Board meetings.

A problem of crucial importance to the Committee is the need for increasing financial support in Unitarian and non-Unitarian groups with the cessation of appropriations from the National War Fund. Drastic retrenchment of its program is in process in the effort to maintain essential services while building increased financial resources. Your Board of Directors considers this a vitally effective and necessary arm of the Association's work, and intends to bend every effort toward its continuing and growing usefulness.

UNITARIAN EXTENSION

The past year has seen the inauguration of the work of a new Minister-at-Large on the West Coast, the Rev. Delos O'Brian, and the continuation of the work of the Rev. Lon Ray Call in the gathering and organizing of new churches. Latest of these is the Unitarian Church of Phoenix, Arizona, which was welcomed to membership in the Association in March of this year. Membership in the Church of the Larger Fellowship now stands at 775, representing all states of the Union and several provinces in Canada. A group of eight individuals in the Canal Zone has organized a "Balboa Chapter" of the Church, holding their first service

of worship on January 19, the first such service, it is believed, to be held south of the Rio Grande.

THE MINISTRY

Recognized as of primary importance in Unitarian Advance is the problem of recruiting more men for the Unitarian ministry. A special committee, of which the Rev. Duncan Howlett is Chairman, is at work on this question and the Association is ready to place all possible resources at its disposal. The supplementary education of ministers is also a matter of concern, and a special plan offered by the Rev. Dale DeWitt of New York is under study.

PUBLICATIONS

Two books published by the Beacon Press, *Together We Advance* and *Voices of Liberalism, Vol. I*, have been widely distributed and are the first of many planned by the Division of Publications. The greatest single undertaking has been the launching of an Albert Schweitzer Series planned for publication during the new church year. Several works of Schweitzer that have never appeared in English have been translated, and among other material in progress is a biography of the great Doctor, Musician and Theologian.

GENERAL

The Board has followed with great interest the progress toward adoption by the United Nations of the Peace Day Plan. Originated by Mr. Frank B. Frederick, with the initial sponsorship of the Laymen's League and now widely supported by individuals and groups of all faiths and the Secretariat of the United Nations, it is hoped that the year 1947 will see this plan officially accepted by the General Assembly of the United Nations.

The collection at the Annual Meeting last year amounted to $706.57, and was for the purpose of assisting Unitarian Churches in Europe.

This brief report cannot close without a word about Mr. Charles O. Richardson, who has been for thirty years a member of the Board of Directors, for seventeen years a member of the Executive Committee, and for the last ten years Chairman of the Board, but who this year is retiring from his official position with the Association. The Board of Directors and the American Unitarian Association alike are deeply indebted to him for his devoted and able leadership.

Dana McLean Greeley,
Secretary.

REPORT OF THE TREASURER
FOR THE YEAR ENDING APRIL 30, 1947

AUDITOR'S REPORT

BOSTON, MASSACHUSETTS
JUNE 25, 1947

We have examined the financial statements of American Unitarian Association, as listed in our report for the fiscal year ended April 30, 1947, have reviewed the system of internal control and the accounting procedures of the Association and have examined accounting records of the Association and other supporting evidence, by methods and to the extent we deemed appropriate.

We satisfied ourselves that all cash recorded as received was properly deposited in the bank, that all income due from investments was received or properly accounted for, and that disbursements were supported by cancelled checks and properly approved vouchers; and we examined or otherwise satisfactorily accounted for the investments on hand at April 30, 1947.

In our opinion, the accompanying balance sheet and supporting schedules present fairly the position of American Unitarian Association at April 30, 1947, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Scovell, Wellington & Company.

REPORT OF THE TREASURER

BOSTON, MASSACHUSETTS
JUNE 25, 1947

The Income and Expense Account and the Balance Sheet as contained in this report, have been taken from the auditors' report. Accompanying each of these schedules are explanations and comments by the treasurer, which it is hoped will enable those who are interested in the Association's financial affairs to understand them better.

All churches, branch Alliances and other organizations which contributed to the United Unitarian Appeal are treated as having complied with the provision of the by-laws of the Association which requires an annual contribution in order to maintain membership in the Association.

This report segregates gifts to the Association where the principal or income is applicable to the work of the Association, from those funds which during the year have been turned over to the Association as trustee.

The rate earned by our General Investment Account, in which are invested most of the funds of the Association and most of the trust funds held for others, was 4.04% for the year ending April 30, 1947.

Frank B. Frederick,
Treasurer

Comments on Income and Expense Schedule:

In the foregoing Income and Expense Account are carried only items which are budgeted by the Association. We hold funds such as Ministerial Aid, the income from which is used to assist ministers in case of illness and other emergencies; Sustentation, the income from which is used to supplement inadequate salaries; and certain purely charitable funds, the income from which is administered confidentially by special committees.

Current collections, represented by the actual receipts from the United Unitarian Appeal, were sharply reduced this year as compared with our expected share, because the Appeal did not make its goal. This was a serious matter, since the Board needed this income to meet the Association's expanding budget. It was helpful therefore that the rate of interest earned on the Association's trust funds remained at a high level.

At the same time the Association's expenditures increased this year, due in part to higher costs. A few illustrations will serve to demonstrate this point. The Unitarian Year Book and Annual Report cost $1,397.73 more than the budget estimate. The Board of Directors' travel item exceeded the budget by $1,274.78 because of increased travel and hotel prices, and yet we feel that nationwide representation on our Board of Directors is essential. Salary items exceeded budget estimates by about $5,000, because the scale on salaries up to $3,900 was adjusted to reflect rising living costs.

In all, expenditures exceeded income by $81,405.07. To meet this situation, principal was withdrawn from two unrestricted funds. The funds selected were two which have been received by the Association quite recently, so that the over-expenditure is related to current bequests. Our books were closed for the year as of April 30, 1947 and therefore this Income and Expense statement could not show the fact that the Association received from the United Unitarian Appeal a final distribution of money collected during the year under consideration. This amounted to $11,446.39 which was carried back after May 1, 1947 in equal amounts to the two funds from which the over-expenditure was originally taken.

Comments on the Balance Sheet:

The cash balance includes sums held in the Building Loan Fund, uninvested principal of funds, and certain undistributed trust income.

The item of "Bonds and Stocks" includes all securities held by the Association except the investments of the Unitarian Sunday School Society and the Rogers Memorial Fund, which appear separately in the balance sheet. With these two exceptions under the system of bookkeeping employed by the Association all securities are included in this one item of bonds and stocks, although the income is applied to ministerial aid, sustentation, and the various beneficiaries whose funds we hold, as well as to the immediate activities of the Association. A report by the Chairman of the Finance Committee on these securities will be found on pages following this report.

The Church Properties Account, which aggregates $1,054,367.35 represents various types of investments made by the Association in church properties. This balance is comprehended on the Liabilities side in the aggregate of "Trusts Funds and Accounts for General Purposes." These investments have been made with the object of developing denominational growth, and are not income-producing.

On the Liabilities side, "Special Trust Funds and Accounts" comprehend those trust funds the income from which is paid to beneficiaries, and those funds the income from which must be applied to special activities of the Association. To illustrate these special activities, let me cite two examples of funds which are included in this item, and show how they serve the denomination.

The Ministerial Aid Fund, with a principal of $162,405.34 is set up for the benefit of Unitarian ministers. Grants are made from the income, to assist ministers in cases of illness and pressing financial emergencies, where immediate help is needed.

The Sustentation Fund was established by receipts from the Unitarian Campaign, and the income is applied to supplement the salaries of ministers in small churches, where the church is unable to maintain an adequate salary for its minister. The principal of this fund is $256,399.04, and there was paid from the income during the year $12,589.99.

The Building Loan Fund is a special fund set up for the purpose of assisting churches in building and in reconstruction projects. This fund was created on a revolving basis. During the year there has been collected on these loans the sum of $30,642.45. During the year 17 new loans were made in the aggregate amount of $57,335.35. At the end of the year

there were 73 loans outstanding. This fund is very active now, as building restrictions become less rigid and building materials are more available.

The Rogers Memorial Fund was established by Henry H. Rogers under an indenture of trust dated December 22, 1904. The income is used for the benefit of the Unitarian Society of Fairhaven, Massachusetts. The principal of the fund is now $142,388.50.

The income from the funds held by the Association for the benefit of The Unitarian Service Pension Society amounted during the year just ended, to $31,169.05. Current contributions from the United Unitarian Appeal are added to this trust income for the purpose of paying service pensions to Unitarian ministers. During the fiscal year ending April 30, 1947 $48,053.82 was paid out to 85 ministers, and the average pension paid was $567.30. The amount of $43,414.51 shown on the Liabilities side of the Balance Sheet is the amount held for pensions during the fiscal year ending April 30, 1948.

The figure of $81,319.90 represents the fund of the Unitarian Sunday School Society, for which Society the Association acts as agent. The income from this fund is paid to the Sunday School Society and is used by it to promote the work of the Department of Religious Education.

"Sundry Credit Balances" include items accrued and to be disbursed. The "Reserve Fund" is made up of certain unrestricted funds which have been carried to this account.

Other Balance Sheets and Income Statements:

The auditors prepare balance sheets and income statements for the Publication Department and the Christian Register, which for lack of space are not incorporated in this report.

The treasurer stands ready at all times to discuss the financial affairs of the Association with any member of the denomination.

REPORT OF FINANCE COMMITTEE

The investment and reinvestment of funds owned or held by the Association is under the direction of the Finance Committee appointed by the Board of Directors. During the fiscal year 1946-47, or some part of it, the following have served as members of the committee: Charles O. Richardson, Edwin S. Webster, Leon M. Little, Marshall B. Dalton, Frederick M. Eliot, Frank B. Frederick, and Percy W. Gardner as Chairman and Investment Counsel.

The committee has followed the practice previously instituted, of continuing to eliminate securities of inferior quality, and to do this in such a way as to diminish as little as possible the income for the Association and the participating organizations.

On the following pages you will find listed, with their cost prices, the securities which the Association holds except those held by it as agent for Unitarian Sunday School Society, and as trustee for the Rogers Memorial Fund.

On April 30, 1947, the market value of the United States and Canadian Government bonds was 101.687 per cent of cost; foreign bonds, 95.551 per cent; public utility bonds, 101.169 per cent; railroad bonds, 101.649 per cent; industrial bonds, 100.624 per cent; real estate bonds, 75.621 per cent; preferred stocks, 112.395 per cent; banking and insurance stocks, 98.585 per cent, and miscellaneous common stocks, 103.663 per cent. The market value of the total portfolio was 102.563 per cent of the cost or book value.

During the fiscal year there have been securities called and sold aggregating $630,228.60, and purchases in the aggregate of $686,993.48.

Respectfully submitted,

Percy W. Gardner
Chairman

AMERICAN UNITARIAN ASSOCIATION

NATURE AND SCOPE OF THE ASSOCIATION

At the Annual Meeting of the American Unitarian Association, held on May 25, 1936, the following "declaratory resolution" was adopted:

The Association is a voluntary organization of churches and other religious, educational and philanthropic societies, and life members now empowered to vote, uniting themselves in the furtherance of the purposes enumerated in Article I of the Association's By-laws.

In thus associating themselves the individual churches and societies abrogate no part of their independent autonomy; neither does the Association have any authority over other conferences or associations of Unitarian churches having lesser geographical scope. The Association is, nevertheless, competent to undertake such functions in behalf of the entire body of associated churches as these churches, by delegates assembled, may from time to time commit to it.

The Association shall make a biennial review of the whole field of interest common to the Unitarian fellowship in America and shall address general suggestions or special counsel to the churches as a group and to the associated societies in relation to their collective concerns.

The relation of the Association to other Unitarian societies of general scope is that of a general council. It has responsibility for promoting the unity and harmony of the entire movement, but, until further advised by its experience, will confine itself to recommending to these societies for voluntary adoption such undertakings and methods in their respective fields as it judges to be in the minds of the fellowship.

BY-LAWS OF THE ASSOCIATION

AS ADOPTED ON MAY 25, 1937

Amended May 26, 1938, May 25, 1939, May 23, 1940, May 22, 1941, May 23, 1946, May 22, 1947, and May 25, 1948.

Article I. Purpose

The purpose of the American Unitarian Association shall be:

1. To diffuse the knowledge and promote the interests of pure religion, which, in accordance with the teachings of Jesus, is summed up in love to God and love to man;

2. To strengthen the churches which unite in the Association for more and better work for the Kingdom of God;

3. To organize new churches for the extension of our faith in our own country and in other lands;

4. And to encourage sympathy and cooperation among religious liberals at home and abroad.

5. The Association recognizes that its constituency is congregational in tradition and polity, and that nothing in these By-laws is to be construed as an authoritative test.

Article II. Organization Members

1. Churches and other religious, educational and philanthropic societies which make annual contributions to the Association shall be members of the Association. Churches and organizations not members of the Association may become such whenever they shall express their approval of or general sympathy with the purpose of the Association, and whenever their contributions are received and have been accepted by the Board of Directors.

2. Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, and by one additional lay delegate for each additional fifty voting members; and shall be entitled to choose a like number of alternate lay delegates to serve in the event of the absence of any of the delegates originally chosen, and, in the case of such member churches as have local auxiliaries in good standing of the Unitarian Laymen's League, the General Alliance of Unitarian and Other Liberal Christian Women, and the American Unitarian Youth, by one additional lay delegate or alternate for each such auxiliary. Unitarian ministers on active service as chaplains of the armed services and the Veterans' Administration of the United States and Canada shall have the privileges of delegates, including the right to vote. All lay delegates shall be chosen by each member church from its own constituency in accordance with its by-laws or precedents. Each other member society shall be represented by its president and two other accredited delegates or alternates, only, chosen as aforesaid from its members or those participating in its activities. No individual nor any delegate shall be entitled to more than one vote at any meeting of the Association. A contribution must be placed in the hands of the officers of the Association on or before April 30, to entitle a church or other society to be represented in meetings of the Association during the year beginning on the following May 1.

Article III. Individual Life and Associate Members

1. A subscription of fifty dollars shall constitute a person a member of this Association for life, but no church or other society shall be entitled to the representation set forth in Article II by virtue of any subscription used

for the creation of life members. No person constituted a life member after the first day of May, 1925, shall have the right to vote; but nothing herein provided shall be construed to affect the rights or privileges of life members duly constituted as such before the first day of May, 1925.

2. A subscription of one dollar or more per year shall constitute a person an associate member of this Association. Associate membership shall not carry the right to vote.

Article IV. Honorary Vice-Presidents and Members

1. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect honorary life members of this Association who shall have the rights and privileges of accredited delegates. Such elections shall be by ballot and nominations shall lie over one month. The number of such honorary life members shall not exceed twenty-five.

2. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect one or more honorary Vice-Presidents, ex officiis, to be chosen exclusively from among the chief officers of the organized Unitarian or allied church groups in other countries.

Article V. Officers and Directors

1. The officers shall be a Moderator; a President; and nine (9) Regional Vice-Presidents, one of whom at the time of his or her election shall be from Northern New England, one from Southern New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Rocky Mountain States, one from the Pacific Coast, and one from the Dominion of Canada; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting.

2. The terms of office shall be as follows: the Moderator for two years; the President, the Secretary, and the Treasurer, for four years; eighteen (18) of the directors, of whom not less than five shall be laymen, not less than five shall be women, and not less than five shall be ministers, for three years, one-third to be elected annually; all other officers and directors for one year. The directors elected for one year shall include a representative of the Unitarian Ministerial Union, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, and the American Unitarian Youth.

3. The Secretary of the Association shall cause to be prepared and

HISTORY OF THE ASSOCIATION

The American Unitarian Association was formally organized on May 25, 1825. Before the year 1825 there existed in Boston a club of some twenty liberal-minded and public-spirited citizens organized for social and philanthropic purposes. This Club was in the habit of meeting fortnightly for the discussion of subjects relating to religion, morals, and civic order. At a meeting held in January, 1825, at the residence of Hon. Josiah Quincy, a discussion arose concerning the advisability of forming an association to publish books and tracts setting forth the opinions and principles of the liberal party in the Congregational churches. On motion of Andrews Norton a committee of the Club was appointed to consider the expediency of forming such an association. This committee reported at a meeting held in the vestry of the Federal Street Church on January 27, 1825. There were present at the meeting William Ellery Channing, Henry Ware, Andrews Norton, Joseph May, Charles Lowell, Charles G. Loring, John G. Palfrey, James Walker, Robert Rantoul, Richard Sullivan, George Bond, Josiah Quincy, Joseph Tuckerman, Robert Waterson, Samuel A. Eliot, Jared Sparks, John Pierpont, David Reed, Aaron Bancroft, James Freeman, Joseph Story, Leverett Saltonstall, and Stephen Higginson, with others prominent in the intellectual and social life of the city. These were men who were wont to lay more stress upon the virtues of breadth of mind, moderation, integrity, hospitality and generosity than upon doctrinal accuracy. They were not men who cared to try hazardous experiments, but they believed that the time had arrived for the organization of the liberal forces of the New England churches. The object of the proposed association was declared to be "to promote the growth of Christian truth and Christian charity, and the increase of religion in the land."

The proposal of the Club to organize a Unitarian Association was brought before the ministers of the Berry Street Conference on the morning of May 25, 1825. The Conference did not think it proper to take any action on the subject, but notice was given that a meeting of gentlemen would be held for the consideration of the proposition in the vestry of the Federal Street Church at four o'clock in the afternoon. Rev. Henry Ware, D.D., was chosen moderator at this meeting; and after discussion it was voted "that it is expedient to form a new society to be called the American Unitarian Association." Rev. James Walker, Rev. Ezra S. Gannett, and Mr. Lewis Tappan were appointed a committee to carry the preceding vote into effect. On the following morning, at a meeting of which Rev. Nathaniel Thayer, D.D., was moderator, this committee reported a constitution which, with slight modifications, is still in force.

The object of this Association was by this constitution declared to be to "diffuse the knowledge and promote the interest of pure Christianity." Dr. Channing was elected President, Rev. Ezra S. Gannett, Secretary, and Mr. Lewis Tappan, Treasurer. The Vice-Presidents were Joseph Story of Salem, Joseph Lyman of Northampton, Stephen Longfellow of Portland, and six others; while James Walker, Henry Ware, Jr., and Samuel Barrett were chosen an Executive Committee. Dr. Channing was obliged by ill-health to decline to serve; and Dr. Aaron Bancroft of Worcester was chosen President in his place. The Association thus organized has ever since been the executive arm of the Unitarian body. It was incorporated in 1847 by Chapter 42 of the Acts of the Commonwealth of Massachusetts, and made a delegate body in 1885. The original act of incorporation is as follows:

> "Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, — as follows: Section 1. Charles Briggs, Samuel K. Lothrop, Henry P. Fairbanks, their associates and successors, are hereby made a corporation, by the name of the American Unitarian Association, with all the powers and privileges, and subject to all the duties, liabilities and restrictions, set forth in the forty-fourth chapter of the Revised Statutes; and said corporation may hold real and personal estate to the value of fifty thousand dollars, to be devoted exclusively to the promotion of the interests of moral and religious instruction. Section 2. All donations, devises and bequests of real and personal estate, which may heretofore have been made to the American Unitarian Association, or to the executive committee thereof, shall be and enure to the use and benefit of the corporation hereby created, to be appropriated however, to the purposes designated in any such donation, devise or bequest. Section 3. This act shall take effect from and after its passage."

The amount of property which the Association was authorized to hold was increased from time to time: Acts of 1867, Chapter 30; Acts of 1884, Chapter 27; Acts of 1895, Chapter 188; Acts of 1907, Chapter 141; Acts of 1920, Chapter 58, until by Acts of 1928, Chapter 239, the limit on such holdings was removed and the corporate powers of the Association defined as follows:

> "The American Unitarian Association, incorporated by chapter forty-two of the acts of eighteen hundred and forty-seven, is hereby authorized to hold, in trust or otherwise, and manage all property, real or personal, given or bequeathed to it, and also to acquire by purchase, gift, grant, devise or bequest, and to receive and hold in trust or other-

wise, any property, real or personal, necessary or proper for any of the objects of the said corporation, and to sell, convey, mortgage or otherwise dispose of any property so held by it."

By acts of 1905, Chapter 140, recognition of the broader purposes of the Association was given in the following language:

"The American Unitarian Association is hereby authorized to hold real and personal estate, to be devoted to moral, religious, educational and charitable purposes, to the amount now authorized by law to be held by it for the purpose specified in its act of incorporation."

THE UNITED UNITARIAN APPEAL — 1948-1949

The United Unitarian Appeal is the denominational fund-raising agency for fourteen of our national and international denominational groups. It is, in a sense, comparable to the Community Funds and Community Chests with which we are all locally familiar.

The United Unitarian Appeal receives annually from its participating organizations their proposed budgets for the fiscal year to come. These budgets and requests for allocations under the Appeal are examined, reviewed, and then re-examined, following the open hearings held concerning them, by the Appeal Budget Committee. The budgets are either accepted as submitted or are modified in accordance with the realizable Appeal goal recommended by the Executive Director of the Appeal and approved by the Appeal Corporation in its annual meeting, which takes place each May.

Once budget totals have been finally established and the Appeal goal set, the fund-raising campaign itself is set in motion and continues throughout the fiscal year, May 1st through the following April 30th. Shares or quotas are suggested to each of our local parishes as representing a reasonable contribution which might be made by them toward the Appeal goal. Other sources of Appeal support are special gifts from particularly interested individuals, the proceeds from benefits and other special events, and contributions made by non-Unitarians, other liberals, wishing to take part in our denominational endeavors.

The United Unitarian Appeal organization, in all of its efforts, keeps closely in mind the primary fact that our denominational fund raising must always be local rather than national in nature. It is the capacity, requirements, and wishes of our individual Unitarian groups which are the prime determinants of our fund-raising success and which provide, as in all things else, the basic strength and vigor of our denomination.

The records and the plans of the United Unitarian Appeal are open to inspection and criticism by those interested and the officers and staff of the Appeal stand ready at all times to be of service to the denomination to the fullest extent of their abilities.

The Unitarian Church of the Larger Fellowship is composed of persons living in all parts of the United States, in Canada, and in other countries where there are no Unitarian congregations. The Church provides a spiritual home and a continuous ministry, including the religious instruction of children in member families.

The basis of membership follows: "Avowing as our sole Bond of Fellowship our earnest desire to lead pure, reverent, and useful lives, we seek together the love which quickens fellowship and the truth which makes men free."

A person who subscribes to the Bond of Fellowship, and who makes an annual contribution of at least $5.00, may become a member. For young people in schools and colleges the minimum annual contribution is $2.00.

Upon uniting with the Church, each member receives a copy of *Hymns of the Spirit*, with services for worship in the home; a subscription to *The Christian Register;* and the current free literature of the American Unitarian Association. The Minister keeps in communication with all of the members.

For further information write to the Minister, and send him the names of persons who would be interested in becoming members of the world-wide Larger Fellowship.

OFFICIAL LIST OF UNITARIAN MINISTERS

Published by Authority of the Fellowship Committee

The Fellowship Committee (see page 7) is composed of ten members. The Chairman of the Department of the Ministry, the General Counsel, and the President of the Association are members ex officiis. Seven members, of whom two must be ministers, three must be laymen, and two must be laywomen, are nominated by the President and elected by the Board of Directors of the Association for a four-year term. No elected member who has served for a full term of four years is eligible for re-election until one year after the expiration of his or her term. The Director of the Department of the Ministry serves as Secretary of the Committee.

This Committee has jurisdiction over applications for admission to the Fellowship of Unitarian Ministers and has charge of the approved list of ministers published in the Unitarian Year Book. Applicants for the fellowship of the Unitarian ministry should make known their desire to the Secretary of the Committee, Rev. Dan Huntington Fenn, 25 Beacon Street, Boston, from whom copies of the Rules of the Fellowship Committee may be obtained.

The following list includes ministers whom the Fellowship Committee believes are qualified to serve Unitarian Churches. It is the earnest recommendation of the Fellowship Committee that churches of the Unitarian denomination will call only those ministers who have been endorsed by the Committee.

Ministers in active parochial work are listed with no letter following their names.

Those in non-parochial service are indicated by the letter N in parentheses; those who have retired, by the letter R in parentheses.

The letter P in parentheses indicates ministers who have received their Preliminary Certificate only.

The letter A in parentheses indicates those ministers who have primary fellowship with another denomination but are at present serving a Unitarian Church or a Federated Church in which a Unitarian Church is part of the organization.

(Final corrections made August 31, 1948.)

NECROLOGY

Minna Clarke Budlong

Minna Clarke Budlong died July 25, 1948, following a heart attack on the previous Monday. The funeral service was held at Mt. Vernon, New York. Mrs. Budlong was born April 10, 1862, to Mr. and Mrs. Charles Franklin Clarke at Iowa City, Iowa, and educated at the State University of Iowa, where, in 1881 she received the B.A. degree and was a Phi Beta Kappa student. She married Charles Schuyler Budlong, December 27, 1882, in Iowa City, and two children were born to them: Lester Goodwin Budlong, now with his family, a resident of Mt. Vernon, New York, and Julia N. Budlong, recently deceased.

In 1910, Mrs. Budlong studied at the University of Wisconsin and was awarded the degree of L.S. (Library Science). Among offices held by her in this field were Secretary of the North Dakota Library Commission; Chairman of the Literature and Library Committee of the National Federation of Women's Clubs and member of the League of American Pen Women. Her book "A Plan for Organizing of Small Libraries" was translated into the Japanese language and used by Librarians of Japan.

In 1921 Mrs. Budlong supplied the pulpit of the People's Church, Kalamazoo, Michigan, during the illness of her daughter, Rev. Julia Budlong, and was ordained by that Church and the Council of the Western Conference, October 11, 1922. A year later Mrs. Budlong resigned her pulpit and became Field Secretary for the General Alliance of Unitarian Women and her field was the United States and Canada. This office she held for nine years, 1923-1932, during which period she covered the entire field three times, consulting with and advising Alliance Branches, lecturing, speaking at public meetings, State and National Conferences, as well as preaching in many churches where, sometimes, she represented the American Unitarian Association.

On her 70th birthday, after her resignation of the office she had held so long, friends from near and far used the occasion for honoring her at the Pomona, California Church and expressing their appreciation of her faithful service to our cause. Among the many telegrams received were messages from the President of the General Alliance and the President of the American Unitarian Association. A distinction of which she was very proud, was her appointment as official delegate to represent the General Alliance at the Millennial Anniversary of the founding of the Icelandic Parliament in June 1930. Countries visited by her in vacation periods included also, England, Scotland, France and Nova Scotia.

After her official retirement, Mrs. Budlong served as Hostess at the Whitney Homestead (1932-1935), a project of the American Unitarian Association. In 1935 her retirement became complete but, almost to the last, she kept in close touch with friends.

Lewis Clinton Carson

Lewis Clinton Carson died at his home in Pasadena, California on April 8, 1947. Mr. Carson divided his life between teaching and the parish ministry.

A graduate of the University of Michigan in 1892, he held also the degree of A.M. from the same University, and an A.M. and Ph.D from Harvard. His teaching was at the University of Indiana and the State Teachers College in Santa Barbara, California.

In the ministry he served as assistant minister to the Second Church in Boston for seven months in 1915, whence he was called to the Church of the Messiah in Montpelier, Vermont. After four years here, he spent two more as minister in Albany, New York, and from 1921 to 1928, served the church in Santa Barbara, California. He resigned in order to go on the faculty of the State Teachers College.

He was born in Detroit, Michigan on July 16, 1870. Mr. Carson is survived by his widow.

Louis Claus Dethlefs

On January 3 of this year, at his home in Dedham, Louis Claus Dethlefs was suddenly taken away from his family and many friends. Louis Dethlefs was born in Cincinnati, Ohio, July 20, 1883, of German parentage, although the family was originally of Danish extraction. After having completed his preliminary education, Dethlefs studied at the Meadville Theological School from which he graduated in 1907. Thereafter he held pastorates in Walpole, Hyde Park, Medford, and during the latter years of his life served as interim pastor in Hudson for three years.

In the Medford church he remained as active minister for twenty-two years.

During the First World War, Dethlefs served as Chaplain in the United States Army, doing excellent work with the occupation forces in Germany due to his thorough knowledge of German.

The Unitarian denomination has known few ministers more devoted to their task and more thorough in its execution. As a faithful pastor, Dethlefs stood at the top of the list. He was the most honest of men and the best of friends. He had a soul sensitive to beauty; his house, his garden, and everything about him gave evidence of that. His virtues were not the uncompromising virtue of the Saints, his sense of humor was much too keen to make him rigid and unelastic in his judgment of others. There was nothing of the holier-than-Thou in his attitude. He never grew old. Young people thought of him as belonging to their own generation and thus it was his privilege to leave this life young in spirit.

To his friends it is difficult to believe that Louis is gone but his memory will not pass as long as one of those who have known him remains.

Frederick Gill

Frederick Gill was born in Kingston, Ontario in 1862 where he was brought up in the Methodist Church. Mr. Gill was truly a self-taught man and one who never considered that his education was completed. At the age of twelve, he left school to work in a piano manufacturing firm. When the desire to enter the ministry took possession of him, he entered Meadville Theological School from which he graduated in 1892. He was immediately called to the Unitarian Church in Arlington, Massachusetts where he was ordained in the same

year. He took advantage of the close proximity of the Harvard Divinity School to continue his studies, particularly in the field of philosophy in which he came to be recognized by his colleagues as an authority and they welcomed his insights in all their discussions. In spite of the tragedy of his home life — his wife was an invalid for most of their married life — he served the church with an utter devotion for thirty-five years, finally resigning and becoming Minister-Emeritus in 1927. During this long pastorate, Mr. Gill not only built up a strong church but also kept it constantly abreast of the times.

The very fact that Mr. Gill was able to keep his congregation constantly growing with him mentally and spiritually for so long a period of time is the greatest memorial to his ability and spirit. It takes a great man to remain a long time in one church.

After a long illness, Mr. Gill died in Boston on November 17, in his eighty-sixth year.

George Gilmour

George Gilmour was a preacher of persuasive reasoning power. He loved to read and study the best in modern thought; he gave the living truth of religion to his congregations with their warm approbation and agreement. There was a union of intellectual and ethical emphasis in his sermons, and in and through them all a central spiritual elevation and movement.

Mr. Gilmour was influential in bringing into the Unitarian ministry several young men who attended his churches. As pastor he was constant in his visitation of his people and entered into their individual lives with friendship and understanding. Each one of them he endeavored to ally vitally with the church, in which he deeply believed. Mr. Gilmour was a builder.

In his ministry Mrs. Gilmour was a co-worker of devotion and leadership, especially in the women's societies and the Sunday school. The minister and his wife went through the years of their service in a beautiful companionship. They did much good and their memory is cherished.

George Gilmour was born in Philadelphia, Pa., on June 7, 1872. He received his academic training at Wesleyan, Princeton, and Yale.

George Gilmour and Mrs. Gilmour were instantly killed on March 12, 1948 when their car collided with a Silver Meteor train.

The Sunday before, the New York Tourist Society came to church to honor their beloved Chaplain. Mr. Gilmour emphasized the value of elderly people in the life of the world, and he quoted several stanzas from Tennyson's "Ulysses." His mind was stored with noble passages from the world's best prose and poetry. To him, it was never "too late to seek a newer world."

Both Mr. and Mrs. Gilmour had wished to see the church they loved free from debt. They had planned with eagerness for a mortgage-burning ceremony which was to have been held in connection with the celebration of our twentieth anniversary on Easter Sunday night.

More than almost any person I ever met, Mr. Gilmour had the power of making each person feel that he was of value. He had the most sincere friendship with all of his people. Both he and Mrs. Gilmour brought cheer and courage to all of us.

The Gilmours were known throughout the city for their interest in all good causes and at their funeral service a

Leader of the Friends, a Jewish Rabbi, ministers from one Congregational Church and a Presbyterian Church joined with our own Rev. Wilna Constable in a final tribute.

For some years, the Veritas Society of our Church has been collecting funds for the Gilmour Scholarship. At the request of relatives of the Gilmours, friends were asked to send gifts for this fund in place of flowers. The response was generous.

Before coming to St. Petersburg in 1932, Mr. Gilmour had served the Denver, Colorado Church for ten years and Dallas, Texas for eleven years. He was at the Parkside Unitarian Church in Buffalo, New York from 1908-1910.

Charles Graves

Charles Graves, historian, and one-time minister of Unitarian Churches in Iowa, New Hampshire, New Jersey, New York State, and Minister Emeritus of the Unitarian Meetinghouse in Hartford, Connecticut, was born in Earith, Huntingdonshire, England, September 23, 1868. He prepared for the Unitarian ministry in the Meadville Theological School, Meadville, Pa. He gave independent and vigorous support to all that is implied in the Unitarian faith.

He published "A Century of Village Unitarianism," three articles for the Encyclopedia Americana, and numerous articles for papers, and pamphlets which found wide circulation. The American Unitarian Association in 1923 asked him to prepare a history of Unitarianism. In 1933, he was one of the Association's Regional Vice-Presidents. While a minister of the Albany, New York Church, he was Chaplain of the New York House of Assembly. In 1918 he came to the Hartford Church which he served for twenty-three years.

After his retirement from the active ministry in 1941, he was public service counselor for radio station WDRC, and broadcast talks on public affairs.

Hymnology took up some of his spare time. His collection includes most of the Unitarian hymnals published, and many eighteenth century and later hymnals of other denominations.

This quotation, a most fitting tribute to our forthright Companion in the Faith, is taken from an editorial in *The Hartford Times,* May 13, 1948. "He was an aristocrat in his superiority, and even scorn, toward anything that was degrading, false or trashy. He was a democrat in sincere love for his fellowmen . . . He was a good companion for young or old. His quickening spirit will be missed but his memory will be cherished."

Surviving him are his widow, Annie Fish Graves, and daughter, Elizabeth P. Graves, Wethersfield, Connecticut, a son, Robert C. Graves, Short Hills, New Jersey, and three sisters in England.

Alfred Rodman Hussey

Alfred Rodman Hussey was born in New Bedford, Mass., March 22, 1869. He graduated at Harvard College, bachelor of arts, in 1892, and at Harvard Divinity School in 1895. His ministry began immediately, in West Roxbury, Mass., and continued there until 1939. He served five churches, his longest pastorates having been Baltimore, Md., 1902-1916, and Plymouth, Mass., 1921-1939, of which church, the first Pilgrim congregation, founded in 1620, he became minister-emeritus.

Mr. Hussey died in Plymouth on August 10, 1947, in his seventy-ninth year.

For many years has was the literary

and book editor of *The Christian Register,* and gave a distinction to his pages by the incisive and spiritual evaluations which he made in a vivid and imaginative style.

In his preaching Mr. Hussey was ethically and socially minded and eloquent. Without austerity, he was a man of deep sensitiveness to injustice whether in great matters of the world or in the relations of persons. He spoke out plainly and critically when it was right for him to do so.

His deepest concerns were of the inward life, and he was a rarely gifted interpreter of the enduring truths in God and man as he found them revealed in the Scripture and the wide ranges of literature, as well as his own experiences. In the literary sense he was a humanist, and his Sunday afternoon vespers on books of poetry, history, biography and fiction were a distinguished part of his long ministry in Baltimore.

Mr. Hussey was a man of friendliness and charm, attractive in appearance and of a gracious dignity that made men like him and respect him warmly. He served in the Unitarian Fellowship in many offices, including that of scribe of the Berry Street Conference. Mr. Hussey married Miss Mary Lincoln Warren in 1899, and she with three daughters and a son survive him.

Miles Hanson

Miles Hanson, for eighteen years the diligent and animating minister of the First Church in Roxbury, Mass., died at El Cerrito, California, on June 1, 1948. He came of a non-conformist family in Yorkshire in England and was born on February 3, 1866. He got his education at the United College at Bradford and at Manchester University. In 1892 he married and was ordained in the Congregational ministry. He served Congregational Churches in England for eighteen years and then moved with his family to Texas. There he was soon engaged to take charge of the Pilgrim Church in El Paso which later became — and still is — a Federated Church, Congregational-Unitarian. Mr. Hanson had always been a liberal in his theological thinking and in America he found himself increasingly in sympathy with the Unitarian movement. On a visit to Boston to get better acquainted with the Unitarians he captured the goodwill of the people of the First Church in Roxbury and in 1917 he was installed in the noble old Meeting-House on John Eliot Square. In spite of the changing conditions of the neighborhood his ministry was fruitful. He was a scholar of wide reading and fine literary taste. His sermons were rich in illustration and full of pungent and effective phrases. In 1935, when he reached his seventieth year, he resigned and spent his remaining years in California. He is survived by his widow — his second wife — a daughter and two sons, one of whom, Miles Hanson, Jr., has been for twenty years the minister of the First Parish in Weston, Mass.

William F. McGee

William F. McGee was born in Waterloo, Iowa, January 21st, 1881. Educated in the city schools of Oregon City, Salem and Albany, Oregon, he received his college and seminary training in the Presbyterian College and St. Patrick's Seminary, with the degrees of A.B., M.A. and D.D. He was ordained to the priesthood at Portland, Oregon in 1908, served as priest until 1911 when he left the Church and en-

tered the publishing business, under the firm name of Covivi and McGee and Co. He came to the Pacific Unitarian School in 1935 and after a year's study became the minister of our small group of faithful folk at Santa Cruz. And here, on November 1st, after eleven years of self forgetting service, he died, — died to remain alive in the hearts and minds of all who knew and loved him. I have never known a man who was so utterly unaware of self and selfish interests. For "Billy McGee" wanted nothing save the opportunity to serve others. He once remarked that as a priest he had taken three vows, — chastity, poverty and obedience, and had faithfully kept all except that of obedience. I think it may be said that in the truest sense he also kept the vow to obedience, — not to earthly pomp and authority but to that which was highest in his own soul.

Here was a man of excellent academic training, a true lover of learning, actually living those qualities out of which saints are made, having crossed the widest of spiritual gulfs, who was truly emancipated, — a rare thing! What a pity and what a loss to us that we had so little to offer a man who had so much to give! Of a surety, the faith out of which he came, if he could have kept the vow of obedience, would have used him to its great advantage and to his honor. But he could not have done this and still have been our beloved "Billy McGee!"

Edwin Mitchell Slocombe

Edwin Mitchell Slocombe died at his home in Lexington on November 19, 1947. He had been for forty years in the Unitarian ministry. He was born of English-Irish parents in New Haven, Connecticut, January 14, 1881. After graduating from Cornell University in 1904 he entered the Harvard Divinity School and received his S.T.B. in 1907. From that time, until his retirement in 1941, he was continuously active serving the churches in Augusta, Maine (1907-1912); Worcester, Mass. (1912-1919); Ware, Mass. (1920-1923); Lexington, Mass. (1923-1931) and Lynchburg, Va. (1932-1941). During his longest pastorate at Lexington he inaugurated the custom of family Sunday, and instituted the Junior Church. He was always interested in writing. He collaborated with Helen C. Fernald in two children's books "The Scarlet Fringe" and "River Empire." An *Atlantic Monthy* article entitled "Lantern in the Storm," interpreting the significance of his own son's death gave guidance and comfort to many and received wide notice. He is survived by his widow, four children and eight grandchildren.

Edwin Slocombe's quiet service of his fellow men was marked by purity of aim and intensity of spirit. Men and women who looked to him as their minister, were "lightened" by the radiance of his living. His sensitive nature felt keenly the harshness of contemporary human relations and he sought earnestly to help in all efforts toward peace and good will. A thoughtful preacher, a genial friend, a dedicated soul — he finished the course and kept the faith leaving for us the noble memory of one whose light shone to make the way plainer for others.

Walter A. Taylor

The writer of this tribute to the memory of Walter A. Taylor followed him as minister at Jamestown, New York, and at Barneveld, New York, and therefore knows personally the

record of impressions left in the minds of the people he served, in each instance after a lapse of years. He was a good man and a faithful minister; he labored with untiring effort.

Mr. Taylor was born at St. John, N. B., December 12, 1864, and he passed away on October 6, 1947 at Bemus Point, New York. He graduated at Mt. Allison College, N. B., in 1885, and at Harvard Divinity School in 1891. He first served a Methodist Church at Fredericton, N. B., and later he served Unitarian churches at Jackson, Michigan, at Brooklyn, New York, at Jamestown and at Barneveld. For the last eleven years, he served the Universalist Church at Bemus Point, New York. While at Jamestown, he was one of the organizers of the Associated Charities, now known as the Family Service, Inc.

A tribute published in the *Jamestown Post-Journal* described Mr. Taylor as "one of the most Christ-like men who ever served a Jamestown church. Innately modest and retiring, he went about doing good." A finer record than this no one can leave behind him.

He is survived by his wife, Lucy Fuller Taylor, and a son, John Fuller Taylor, Ph.D.

Georg J. M. Walen

The death of Georg J. M. Walen, minister of our church in Hanska, Minnesota, for sixteen years, on July 12, 1948, was a shock to all who knew him. He was not known by a large number of his colleagues; but those who knew him cherished his friendship, admired his dauntless mind and spirit. He deserved to be more widely known, for his accomplishments were many, his ministry rich.

Georg Walen was born in Hangesund, Norway, on May 28, 1903. He was scarcely eighteen years of age when he came to this country and settled on an Iowa farm. By struggle he was able to graduate from the University of Minnesota in 1927. The following year, he entered Meadville Theological School and in 1931 received his B.D. degree and was appointed Cruft Traveling Fellow for the ensuing year. Only a few months after his departure for a year's study in Oslo and Zurick, he was called to the ministry of the Nora Free Christian Church of Hanska to succeed Dr. Amandus Norman. He was ordained on June 19, 1932, and continued his ministry until his death.

A ministry such as his is rare in liberal religion. The entire professional career of Georg Walen was spent in the service of a rural church. Hanska is a village of less than five hundred souls. There are but two churches in the community, serving those within it and in the surrounding countryside. The minister's task in such a field goes far beyond the office to which he is assigned. He is expected, and Georg Walen fully met the expectation, to lead in many areas of life beyond his own calling. In his situation he was a leader of the people of his own motherland. He wrote frequently and ably for the Norwegian press. His contribution to Norway's war effort brought recognition when, in the summer of 1947, King Haakon bestowed upon him the Liberty Cross of Norway.

Georg Walen was a scholar. This word is not lightly used. His scholarship was wise and it was deep. In no company where matters of the mind are primary was he out of place or "over his depth." His was a brooding spirit, ever restless, ever impatient with the sins and the stupidities of men. Anything second-rate, anything superficial,

anything shoddy, would hurt or drive him into righteous anger. His preaching was stern, forthright, and uncompromising; and yet a kinder man never walked this earth.

For those of us who knew him best, we can only regret that others were denied the privilege. To have shared with him fragments of experience is to have known an utterly devoted soul. His solicitude reached out to the ends of the earth and his passion for truth was mighty.

Charles Phelps Wellman

Those of us whose memory carries us back to the happy days of the Harvard Divinity School at the beginning of this century will recall the entrance in the year 1902 of Charles Phelps Wellman, a Meadville graduate. He was quiet and unpretentious, but the influence of his denominational training afforded those of us who later were ordained in the Unitarian fellowship a measure of inexpressible stimulation. Charles Wellman was born October 23, 1877 in Griffin, Georgia. He was married to Maud Huebner and was the father of two children. His death on the 27th of February, 1948, marks the closing chapter of one of our ministerial associates who has generously contributed to all of the elements of mutual understanding, friendship and durable satisfaction.

One of the outstanding factors in his career was the unusual number of churches in which he served as minister. The list of his pastorates is as follows: Lancaster and Harrisburg, Pa.; Montpelier, Vermont; Humboldt, Iowa; Dorchester, Mass. (Channing Church); Worcester and Leicester, Mass.; Deerfield, Mass.; and Woburn, Mass.

After retiring in 1945 he became interim minister in New London, Conn. during the spring of 1947. The above list of churches constitutes a persuasive testimony concerning the personality of their minister during the settlement of Mr. Wellman. These churches are among our strong and influential religious organizations, and an invitation to return to one's former church, as took place in Dorchester, is a matter of substantial credit.

Among the numerous enterprises with which he was connected were his organization of Rowe Camp of Youth Leadership, the World Fellowship, Inc. and the War Camp Community Service. Impressive testimonies have been made by his associates in the ministry. Here are two brief statements which may summarize the character of a gentle spirit who inspired many people.

"A pure idealist, he never wavered in his allegiance to pacifism and social justice. Mr. Wellman had the temperament which combined a deep concern for social causes with an equally deep affection for individuals. He was one of the reference points for all of us in the integrity and simplicity of spirit and motives."

"He was courageous in both speech and action. He hated sham and loathed expediency. The compromises others sometimes made with the greatest of ease, he could not make at all. He was critical of the 'easy going liberal' and yet with all his severity a friendly man. He was transparently sincere and absolutely above board. One always knew where to find him."

In common with other leaders of our fellowship, it is our conviction that "he shall come transfigured back secure from change in his high-hearted ways with the rays of morn on his white shields of expectation."

STATISTICS SUMMARY

No statistics are included from starred churches or summer congregations; the former because they are inactive, and the latter because most of the attendants are from other churches and their inclusion would pad the figures unduly. Preaching stations are not included in the list of churches, nor their figures in the statistics. The returns from a few federated churches include members of other bodies but the number is small and does not materially change the totals. These figures are also included in the year books of other denominations represented in each federation.

MINUTES OF THE GENERAL CONFERENCE

Held in Washington, D. C., October 15, 16 and 17, 1947

The 11th General Conference of the American Unitarian Association was held in All Souls' Church, Washington, D. C., on Wednesday, October 15, Thursday, October 16, and Friday, October 17, 1947.

Following a service of worship, led by the Rev. Raymond B. Johnson, of Hingham, Mass., the first business session was called to order by the Moderator, Dr. Winfred Overholser, at 10:50 a.m. on October 15. The meeting adopted the rules of procedure and nominated Committees on Credentials and Ballots, as recommended by the Business Committee. A greeting from the First Parish in Framingham, calling for denominational unity in charting the future course of liberal religion, was presented by the Rev. John O. Fisher.

Dr. John Howland Lathrop, President of the International Association for Liberal Christianity and Religious Freedom, reported on the planning conference of the I. A. R. F. which had been held in August in Berne, Switzerland. About one hundred delegates from some twenty different countries in Europe had attended the conference and the program of the first post-war World Congress was outlined, with the expectation that the Congress would be held in Prague a year later.

The Moderator than briefly addressed the meeting, noting the contribution to the maintenance of the democratic tradition which Unitarians have to make and calling for a strong and united front for Unitarian Advance.

Mr. R. C. Neuendorffer of New York, Chairman of the Nominating Committee, placed the name of Dr. George Dinsmore Stoddard in nomination for election as Moderator by the Annual Meeting in May, 1948.

The Rev. Duncan Howlett, Chairman, reported for the Committee on Recruiting the Ministry, urging the building of a strong church which will attract young men of ideals into the ministry.

The Rev. John O. Fisher presented a resolution on Unitarian unity, which had not been passed upon by the Business Committee, and secured the unanimous consent of the meeting for its consideration at the business session on Friday.

The meeting was declared adjourned at 11:57 a.m., until the following day.

Following a worship service, conducted by Dr. Seth R. Brooks, minister of the Universalist National Memorial Church in Washington, the second business session was called to order at 9:45 a.m. on Thursday, October 16.

The Moderator read a greeting from the 51st Annual Convention of American Unitarian Youth, which met at Star Island June 27-30, 1947.

The Rev. Raymond B. Bragg, Director, reported for the Unitarian Service Committee on present conditions in Europe, noting especially the recognition of the Service Committee program of medical relief by the World Health Organization and the establishment of homes in the British Zone of Germany to help solve the problem of displaced children.

Mr. John B. Fisher, Director of the United Unitarian Appeal, addressed the meeting, urging that every active Unitarian implement Unitarian Advance by supporting the $500,000 goal of the United Appeal.

The Moderator announced that the President of the United States had consented to receive a small delegation, representing the American Unitarian Association, at the White House.

A resolution of the Western Unitarian Conference was read by the Secretary of the Conference, Rev. Randall S. Hilton, recommending that the Association publish for general distribution the joint statement by President Eliot and the Bishop-Patriarch of the Czechoslovak Church, as published in *The Christian Register* of August, 1947.

The Moderator expressed the appreciation of the Conference for invitations to hold the next General Conference in Portland, Oregon, Detroit, Michigan, and Cleveland, Ohio.

The report of the Commission on Planning and Review, a unified report on the total work of the Unitarian Fellowship and entitled, "Unitarians Unite," had been circulated in mimeographed form after the first business session and was formally presented to the second session by Mr. Laurence C. Staples, the Chairman of the Commission. It was voted to accept the report of the Commission with gratitude and to recommend that the various administrative agencies of the American Unitarian Association consider carefully the recommendations of the Commission on Planning and Review. It was then voted to continue the present business session beyond the time announced for adjournment in order to consider the recommendations in the Commission's summary of the report. This summary is printed at the back of the full report of the Commission which has been put in circulation by vote of the Board of Directors, to whom the General Conference at the close of the Friday session voted to refer the Commission's report for action with regard to publication.

The following is an outline of the action of the Conference with regard to the fourteen items in the Commission's summary:

1. Voted that the Moderator in consultation with other members of the Commission be authorized to appoint a special committee to promote a biennial action project in cooperation with other religious liberals.

2. Voted to recommend promotion of regional conferences by the Association.

3. Voted to refer the recommendation that the Business Committee report upon all resolutions to the floor of the Annual Meeting or the General Conference back to the Commission on Planning and Review for further consideration.

4. Voted to recommend that the Association give an annual award to an outstanding Unitarian for conspicuous service to the cause of liberal religion.

5. Voted to table the recommendation of a special committee to report a plan for *The Christian Register*, pending action upon a resolution on the *Register*.

6. Voted to recommend that the Department of the Ministry establish for new ministers a carefully supervised apprenticeship of one year, the word "all" before "new ministers" having been deleted.

7. Voted to recommend appointment of a special committee to study standards of membership in Unitarian churches.

8. Item "8" was amended and it was voted "to recommend the creation of a permanent commission on service materials which would be understood to include musical materials as well as ordinary materials for use in our liberal churches, and consider seriously the employment of a full-time person to carry on this work."

9. Voted to recommend that the United Unitarian Appeal include the Unitarian Fellowship for Social Justice as a participating agency.

10. Voted to recommend that the Unitarian Service Committee appoint a special committee representing various denominational interests to plan the broad outlines for Home Service, including workcamps.

11. Voted to recommend to the Board of Directors the appointment as delegates to the 1948 Prague Congress of the I. A. R. F. of intellectual leaders who could participate in seminars at small extra expense.

12. Voted to recommend that the Laymen's League institute a comprehensive self-survey.

13. Voted to recommend that the Association develop a Department of Research, deleting the Commission's words, "small, full-time" before "Department."

14. Voted to recommend that the Commission on Planning and Review bring together groups holding different opinions concerning denominational policies, and initiate a process of fact-finding, mediation, and reconciliation.

It was further voted, in reference to a paragraph of the Commission's report concerning the Unitarians in the Philippines, to recommend that the Department of World Churches renew efforts immediately to establish and re-establish closer relations with the Philippine churches.

And finally, it was unanimously voted to recommend the adoption of a policy for an additional day for the business of the Association at the next Annual Meeting in May, 1948.

At 12:15 p.m. the meeting was adjourned until the following afternoon.

On Friday, October 17, the final business session was called to order by the Moderator at 2:00 p.m.

Summaries of Workshop Round Tables were presented as follows:—

Practical Churchmanship, by the leader, Mr. Roland W. Burbank.

Social Action, by Dr. Merrill E. Bush, reporting for the leader, Mr. Sanford Bates.

Responsibility of the Church in Character Education of Children and Young People, by the Rev. Ernest W. Kuebler, reporting for the leader, Dr. Angus H. MacLean.

Dr. Herbert Hitchen, Director of the Department of World Churches, announced a plan whereby it was hoped that Unitarian churches in the United States and Canada might adopt sister churches in Europe, a former practice which had been discontinued during the war years.

RESOLUTIONS ADOPTED

Unitarian Unity

WHEREAS: Individual freedom of thought and conviction is a fundamental concept of Unitarianism, and the individual, be he layman or minister, is privileged to think and speak as his conscience dictates; and

WHEREAS: The Unitarian denomination is unique in this respect in the field of organized religion; and

WHEREAS: There is such a pressing need in the world today for the religious leadership which the Unitarian churches can offer; and

WHEREAS: The Unitarians are so few in number compared to the work that they must do to give the world this leadership;

BE IT THEREFORE RESOLVED: That Unitarians, both clergy and laity, be cognizant of the challenge of this historical period, recognizing the right of all Unitarians to hold what beliefs they will; that we will all unite in a concerted attempt to do the work that lies before us, in union.

Submitted by Unitarian Chaplains Committee: H. Mortimer Gesner, Jr., George N. Marshall, Joseph H. Giunta, Marvin G. Parmerlee, Arthur R. Graham, Horace F. Westwood, John O. Fisher, Curtis T. Spence, Robert W. Lawson, and Walter Donald Kring.

Endorsed by The First Parish in Framingham, Mass.; Unitarian Memorial Church, Fairhaven, Mass.; First Unitarian Society, Plainfield, N. J.

Ministerial Salaries

WHEREAS: The salaries of our ministers have been drastically affected by the increase of more than fifty per cent in the cost of living during and since the war, nearly one half of this increase having occurred within the past two years; and

WHEREAS: A number of our ministers, because of unadjusted or insufficiently adjusted salaries, are finding it necessary to consider leaving the ministry for other, more remunerative fields of work; and

WHEREAS: The advance of our Unitarian movement requires that our churches, now and in the future, be served by well-trained and able ministers; and

WHEREAS: A successful meeting of the present crisis by adequate salary increases would greatly strengthen our program for the recruiting of our ministry;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in General Conference, urges our churches which have not recently done so to make immediate and adequate increases in ministerial salaries; and

BE IT FURTHER RESOLVED: That, recognizing the importance of the work being done by the Committee on Ministerial Salaries, we urge that Committee to continue its activity, to send copies of this resolution and its own urgent appeal for action to the lay officers of each of our churches, and to report at the Annual Meeting of the Association in May, 1948, on results achieved in this direction.

Submitted by Frank O. Holmes, Concord, N. H.; Merton L. K. Bailey, Augusta, Maine; Roland W. Burbank, Andover, N. H.; Stephen H. Fritchman, Jamaica Plain, Mass.; Miles Hanson, Weston, Mass.; Richard Henry, Brooklyn, N. Y.; Harry C. Meserve, Buffalo, N. Y.; Palfrey Perkins, Boston, Mass.; Henry H. Commission on Church Union

WHEREAS: The American Unitarian Association and the Universalist Church of America are broadly similar in purpose, scope, and aims; and

WHEREAS: Both ecclesiastical organizations and their constituent fellowships come under the common heading of Liberal Religious Fellowships; and

WHEREAS: In time past, plans of merger and common organization have been discussed; and

WHEREAS: Section 4 of Article I of the By-laws of the American Unitarian Association lists among the purposes of the Association: "And to encourage sympathy and cooperation among religious liberals at home and abroad"; and

WHEREAS: A larger fellowship of religious liberals is deemed desirable to speak with concerted voice, and act with uniformity in the name of all religious liberals;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in General Conference, recommends to the Board of Directors the creation of a commission on church union which shall be empowered to meet regularly with any duly authorized committee or commission of the Universalist Church of America to explore the field of church unity, and prepare a report for the next General Conference of the American Unitarian Association; to study separately the feasibility of such action; to report to the Board of Directors and to the fellowship as a whole as it sees fit from time to time; and to be prepared to recommend to the next General Conference the feasibility of the continuation of such commission; and

BE IT FURTHER RESOLVED: That this commission be authorized to study the basis of union with other liberal religious groups; and

BE IT FURTHER RESOLVED: That this commission be composed as follows: seven members appointed by the Moderator upon consultation with the respective presidents of the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, the American Unitarian Youth, the Universalist-Unitarian Joint Advisory Committee, the alumni associations of Unitarian clergymen representing the Harvard Divinity School, the Meadville Theological School, and the Tufts College

School of Religion; one member appointed by the Moderator upon consultation with the president of the Unitarian Ministerial Union, this member to act as convener; and three additional members appointed by the Board of Directors of the American Unitarian Association; and that during the next two-year period this commission have power to fill vacancies in its own membership; and

Be It Further Resolved: That all appointments be made at the earliest convenience, and that the commission be considered operative upon the election of the first six members, and hold its first meeting prior to January 15, 1948; and

Be It Finally Resolved: That an invitation shall go to the General Convention of the Universalist Church of America at the earliest convenience, to appoint a similar commission.

Submitted by George N. Marshall, Plymouth, Mass.

The Christian Register

Be It Resolved: That the American Unitarian Association, assembled in General Conference, makes the following recommendations to the Board of Directors:

That the Board of Directors carry out the recommendations of the Commission on Planning and Review on *The Christian Register* and appoint a special committee carefully chosen to represent the varied points of view within the denomination to formulate a long-range plan for *The Christian Register* and present their recommendations to the Annual Meeting of the Association in May, 1948.

Submitted by Miles Hanson, Weston, Mass.; Richard Henry, Brooklyn, N. Y.; Frank O. Holmes, Concord, N. H.; Harry C. Meserve, Buffalo, N. Y.; Palfrey Perkins, Boston, Mass.; and Elbridge F. Stoneham, Exeter, N. H.

Foreign Affairs

Whereas: The four-century tradition of Unitarian free religion, known throughout the world for its love of liberty and justice and its broad humanitarian principles, unites us with those of every race and nationality who share these aspirations; and

Whereas: The seven-year record for sacrificial devotion to suffering people, without political or religious discrimination, on the part of the Unitarian Service Committee has won countless thousands of new friends for these Unitarian ideals;

Be It Therefore Resolved: That this 1947 General Conference of the American Unitarian Association meeting in Washington, D. C., October

15-17 support every honest effort that our free nation can make without sacrifice of the moral values upon which civilization is founded, to maintain the unity of the world's peoples in this time of peril, of ideological divisions and of nationalistic tensions; and

Be It Further Resolved: That we favor the continued and expanded support of the United Nations and its member agencies by the United States, and decreased dependence upon unilateral or bilaterial action by our own or other countries; and

Be It Further Resolved: That we are expressly opposed to any form of government dominated by totalitarian methods.

Submitted by Duncan Howlett, Thaddeus B. Clark, Curtis W. Reese, Raymond B. Bragg, Dana McL. Greeley, Robert Killam, Charles Alldredge, Max F. Daskam, John W. Cyrus, Angus DeM. Cameron, Alfred J. Montzka, Wallace W. Robbins, Gilbert A. Phillips, Wilburn B. Miller, Harry C. Meserve, Leslie T. Pennington, Rudolph C. Neuendorffer, A. Powell Davies.

Segregation in the District of Columbia

Whereas: Segregation is a violation of the principles implicit in the fatherhood of God and the brotherhood of man; and

Whereas: Segregation and discrimination are manifest in the businesses and institutions of the District of Columbia, making it impossible for Negro residents and visitors to have equal access to hotels, restaurants, and other public places in the nation's capital; and

Whereas: At the 122nd Annual Meeting of the American Unitarian Association on May 22, 1947, it was resolved to seek to schedule Unitarian conferences, conventions, and other meetings in hotels and other public places which do not discriminate against racial, religious, or national minorities;

Be It Therefore Resolved: That the General Conference of the American Unitarian Association assembled in Washington, D. C., on October 15-17, 1947, commends those individuals, businesses, and institutions in the District of Columbia which are eliminating segregation and urges those which are segregating to cease such practices; and

Be It Further Resolved: That the General Conference urges the Congress of the United States early to enact a civil rights statute for the District of Columbia.

Submitted by James Luther Adams and Homer A. Jack, both of Chicago, Ill.
Amended at the suggestion of the Adult Education and Social Relations Committee.

Conditions for Peace — and Survival

Whereas: Wars in the "postwar world" are continuing and blocs of nations are emerging which seem headed for atomic warfare; and

Whereas: Liberals have an obligation to prevent the transformation of a world war of words into a world war of military conflict;

Be It Therefore Resolved: That the General Conference of the American Unitarian Association urges individual Unitarians, Unitarian churches, and denominational departments and agencies to work unceasingly for the following goals:

(1) The United States should continue to support the United Nations and its subsidiary agencies with the same determination, leadership and conscious use of its human, natural and productive resources as it once waged war.

(2) The United States should work for as swift development as possible of the United Nations into a functioning world government dedicated to the improvement of human welfare and to the protection of collective security.

(3) The United States should support multilateral reductions of all types of armament including atomic weapons by all nations as well as strengthen the United Nations by equipping it with an adequate international police force to be the effective guardian of world security.

(4) The United States should also embark immediately upon a program of all-out support of the principles, objectives and program implicit in the Economic and Social Council and its many subsidiary agencies, including UNESCO, UNAEC, FAO, IRO, ITO, and WHO.

Be It Further Resolved: That the General Conference urges the American Unitarian Association to help relieve Russian-American tensions by calling upon the United States to continue to explore every effort to bring about the maximum cooperation with the USSR within the framework of the United Nations, conscious that a working understanding cannot be achieved by indiscriminate resistance or indiscriminate surrender to every Soviet proposal; and

Be It Finally Resolved: That the General Conference requests the American Unitarian Association to urge the President and the Congress that the United States, as the depository of the greatest economic, military, and industrial potential in the world today, assume aggressive leadership immediately to establish these conditions for peace — and survival.

Submitted by the Executive Committee of the Unitarian Fellowship for Social Justice.

Amended at the suggestion of the Executive Committee of the Unitarian Commission on World Order and of the Adult Education and Social Relations Committee.

Peace Day

WHEREAS: The Legal Committee of the United Nations General Assembly has endorsed the United Nations Peace Day project and will soon recommend to the Assembly its establishment; and

WHEREAS: The idea of the United Nations Peace Day was conceived and has been pressed by Mr. Frank B. Frederick and his associates in the Unitarian Laymen's League;

BE IT THEREFORE RESOLVED: That the American Unitarian Association congratulates and thanks those Unitarians who have worked on the United Nations Peace Day project, and urges the United Nations General Assembly to adopt the recommendation of its Legal Committee.

Human Need

WHEREAS: The highest officials of the Government of the United States of America are to be commended for the forceful manner in which the desperate need of European peoples was presented last week to the people of the United States of America, and called upon all of us to participate in a voluntary plan for the conservation of essential foodstuffs; and

WHEREAS: The basic needs to sustain life of the European peoples are so great that there is grave doubt whether such a voluntary program will be sufficient to meet those needs;

BE IT THEREFORE RESOLVED: That the American Unitarian Association assembled in General Conference in Washington, D. C., October 15-17, 1947, urges the President and the Congress of the United States of America to take such vigorous steps as are within their powers to assure an adequate flow of material aid to Europe; and

BE IT FURTHER RESOLVED: That the General Conference of the American Unitarian Association urges Unitarians everywhere to be in the forefront of those who voluntarily conserve foodstuffs and of those who cheerfully accept whatever restrictions and limitations may be applied and so give evidence of our faith in the Brotherhood of Man.

The meeting was then called to order by the Moderator, Dr. Winfred Overholser.

The Moderator announced provisions for the casting of ballots for the election of the Moderator, Regional Vice-Presidents and Directors by delegates unable to be present to cast their ballots on Thursday morning.

The Secretary of the Association read messages of greeting from the British Unitarian and Free Christian Churches in expression of gratitude for the presence of the President of the Association at the meetings of the General Assembly in London on April 13 to 16, and from the Unitarians in Czechoslovakia.

The Meeting by unanimous consent directed that resolutions of greeting be sent to The Universalist Church of America, The Congregational Christian Churches of America, The General Assembly of Unitarian and Free Christian Churches, Great Britain, the International Association for Liberal Christianity and Religious Freedom, the Brahmo-Samaj in India, the Congregational Church of Jesus in Samoa, The Czechoslovak Church, the Unitarian Church of Czechoslovakia, and to other Unitarian and liberal churches throughout Europe and the British Empire.

The Hon. Lawrence G. Brooks, Chairman of the Board of Directors, addressed the meeting, commenting upon the printed report of the Board of Directors as prepared by the Secretary of the Association, which was in the hands of the delegates and is printed elsewhere in this report.

ACTION ON AMENDMENTS TO THE BY-LAWS PROPOSED IN 1947

Upon motion by the General Counsel, the following amendments to the By-laws were adopted, to take effect at the adjournment of the 123rd Annual Meeting:

Article V of the By-laws of the Association amended by addition of a sentence at the end of Section 2, so that Section 2 shall read as follows:

> "The terms of office shall be as follows: the Moderator for two years; the President, the Secretary, and the Treasurer, for four years; eighteen (18) of the directors of whom not less than five shall be laymen, not less than five shall be women and not less than five shall be ministers, for three years, one-third to be elected annually; all other officers and directors for one year. The directors elected for one year shall include a representative of the Unitarian Ministerial Union, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, and the American Unitarian Youth."

Article X of the By-laws of the Association amended by addition of a sentence at the end of Section 2, so that Section 2 shall read as follows:

> "The Unitarian Ministerial Union, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, and the American Unitarian Youth shall each have the right to nominate one director to serve for one year. If such a director is not nominated or if after such a director is elected, the office shall become vacant, the

vacancy shall not be filled by the Board of Directors until the organization affected shall have been given an opportunity to submit its nomination to the Board of Directors."

Article II, Section 2, of the By-laws of the Association, the purpose of which is to set up the machinery for providing delegates to meetings of the Association, and the first sentence of which begins, "Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, . . ."; amended by addition in the tenth line, at the end of the sentence, of the following:

"Unitarian ministers on active service as chaplains of the armed services and the Veterans' Administration of the United States and Canada shall have the privileges of delegates, including the right to vote."

The General Counsel also moved the adoption of the proposal that Article V, Section 1, of the By-laws be amended by striking out the words "Rocky Mountain States" and substituting therefor the words "Meadville Conference Area." Discussion indicated overlapping of several regions as at present designated and the possible need of revision of the whole regional situation. The Meeting therefore voted to adopt a substitute motion by Dr. Samuel A. Eliot that the proposed amendment be recommended to the appropriate committee for further exploration.

AMENDMENTS TO THE BY-LAWS — PROPOSED FOR ACTION IN 1949

An amendment to Article VII, Section 6, of the By-laws of the Association was presented by the Chairman of the Business Committee for action at the Annual Meeting in 1949, so that it will read as follows:

"It shall be the duty of the Business Committee to receive and act upon all resolutions or other matters proposed for action at any annual, biennial or special meeting of the Association (except such matters as are provided for in these By-laws) and, except by consent of a three-quarters vote of those present and voting at the meeting, only such matters as have been presented to the Business Committee at least two months prior to the meeting shall be considered; provided, however, that any resolutions or other matters so presented but not scheduled by the Business Committee may be called upon the floor by a simple majority vote at the conclusion of the scheduled business. The Business Committee is empowered to promulgate such rules of procedure as may be necessary to carry out the intent of this section of the By-laws."

Amendments to Article V, Section 2, Article X, Section 2, and Article XI, Section 1, were presented by the General Counsel for action at the Annual Meeting in 1949, so that wherever the name "Unitarian Ministerial Union" occurs, it shall be changed to "Unitarian Ministers Association."

An amendment to Article I, Section 5, of the By-laws was presented by the Secretary of the Association for action at the Annual Meeting in 1949, so that it will read as follows:

> "The Association recognizes that its constituency is congregational in tradition and polity, that individual freedom of belief is an inherent part of the Unitarian way of life, and that nothing in these By-laws is to be construed as an authoritative test."

The General Counsel announced that he had been asked to present the following amendment to Article V, Section 1, of the By-laws, so that it will read:

> "The officers shall be a Moderator; a President; and nine (9) Regional Vice-Presidents, one of whom at the time of his or her election shall be from Maine, New Hampshire or Vermont; one from Massachusetts, Rhode Island or Connecticut; one from New York east of the city of Rochester, New Jersey, Delaware, Maryland, Pennsylvania east of the Allegheny Mountains, Virginia, North Carolina, or the District of Columbia; one from South Carolina, Georgia, Florida, Alabama or Mississippi; one from New York west of and including Rochester, Pennsylvania west of the Allegheny Mountains, Ohio, Indiana, Michigan, West Virginia, Kentucky or Tennessee; one from Illinois, Wisconsin, Minnesota, North Dakota, South Dakota, Montana, Wyoming, Colorado, Nebraska, Kansas, Iowa or Missouri; one from Arkansas, Louisiana, Oklahoma, Texas or New Mexico; one from Washington, Oregon, Idaho, California, Nevada, Utah or Arizona; and one from the Dominion of Canada; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting."

The Rev. Harvey Swanson, of Lancaster, Pa., presented an amendment to Article I, Section 5, of the By-laws by inserting the following words after the word "polity": "that individual freedom of belief, under God, is an inherent part of the Unitarian way of life," . . . so that Article I, Section 5, will read:

> "The Association recognizes that its constituency is congregational in tradition and polity, that individual freedom of belief, under God,

is an inherent part of the Unitarian way of life, and that nothing in these By-laws is to be construed as an authoritative test."

The Moderator presented the President of the Association, whose address to the Meeting called for a rebirth of the soul of liberalism and especially for a rebirth of confidence, confidence justified both by the present condition of the denomination and by the additional strength to be found in allies here and abroad. The denomination is growing in numbers, in prestige, in interest, and, above all else, in the sense of united purpose, as illustrated, for example, by the mood and temper of our 20 new churches and of our growing churches in every section of the country. It is proposed to strengthen the existing working partnership with the Unitarians of Great Britain, whose General Assembly the President addressed on the 13th of April. Also in this country there are emerging groups of people in other Protestant denominations who are committed to the principles of religious liberty.

Following the address of the President, the Moderator at 10:00 p.m. declared the meeting in recess until 3:30 in the afternoon of the next day.

WEDNESDAY AFTERNOON SESSION

The meeting was called to order by the Moderator at 3:30 p.m. Following the singing of a hymn, prayer was offered by the Rev. Harvey Swanson, of Lancaster, Pa.

The Treasurer, Mr. Frank B. Frederick, addressed the meeting, presenting his report for the year, which is printed in full in this report.

Mr. John B. Fisher, Director of the United Unitarian Appeal, reported to the Meeting that of the total goal of $500,000, $412,474 had been realized from all sources including special non-Unitarian funds for the Service Committee. He reported that of this total $31,540 was deducted for campaign expenses, leaving a net total of $380,934 of which $234,755 was earmarked for the Service Committee. The net amount, therefore, available for distribution to other participating agencies was $146,179, or approximately 64% of their original allocations under the Appeal. Thus the result of the Appeal, although representing a record total, signifies that Unitarians do not as a whole appreciate the value of all the denominational agencies. The Appeal another year will renew the opportunity to demonstrate that we are prepared to implement our Unitarian ideals by putting our dollars behind them.

Reports were presented by the Minister-at-Large, Rev. Lon Ray Call, by the Director of Adult Education and Social Relations, Dr. Merrill E.

Bush, by the Director of the Division of Publications, Mr. Melvin Arnold, and by the Executive Director of the Unitarian Service Committee, Rev. Raymond B. Bragg. By unanimous vote of the Meeting, the report of the Minister-at-Large has been printed and made available for distribution to the churches.

The Moderator, at 5:35 p.m., declared the meeting to be in recess until 9:30 the following morning.

THURSDAY SESSIONS

The meeting was called to order by the Moderator at 9:30 a.m. and the Rev. Robert W. Sonen, of Tulsa, Okla., conducted the devotional service.

The Moderator presented His Excellency, the Governor of the Commonwealth, Robert F. Bradford, who is himself an active Unitarian and who brought to the meeting the welcome of the Commonwealth of Massachusetts.

Mr. Roy M. Cushman, Chairman, made a report of progress for the Committee on Ministerial Salaries, which showed that 52 churches have raised their ministers' salaries, but expressed the hope that many more may take such action. Of 100 ministers responding to a questionnaire from the Committee, only 93 reported their salaries adequate to their financial needs.

Dr. Jacob Trapp, of Summit, N. J., presented the greetings of Dr. Albert Einstein to the Annual Meeting. Dr. Einstein's greetings were in the form of an essay on religion and science, which appeared in the June, 1948, issue of *The Christian Register*.

The President of the Association announced that the collection to be presently taken would be for the purpose of the Centennial Fund of Proctor Academy, Andover, N. H. Proctor Academy and Hackley School at Tarrytown, N. Y. are the two Unitarian schools for boys.

Dr. Dilworth Lupton, the Chairman, reported for the special committee appointed to study a long-range plan for *The Christian Register*. The Meeting voted to accept the report, which recommended that, except for two editorial pages, the present status of *The Christian Register* under the Division of Publications be continued; that the present advisory board be replaced by a rotating board of editors numbering three, which shall constitute a continuing *Christian Register* Board of Planning and Review; that the Board of Directors of the Association, in May, 1948, appoint a board of three editors, one to serve for one year, one for two years, and one for three years; that the Board of Editors shall decide on the acceptance

or rejection of all unsolicited articles concerning the policies and conduct of the American Unitarian Association; and that in 1950 a committee, similar to the present special committee, be appointed to re-study and report at the May meetings of 1951.

The discussion of resolutions, which had been begun in the Wednesday afternoon session of the meeting, was here continued, but remained to be concluded in the afternoon session of this day. All resolutions adopted are reported below.

The Thursday morning session was declared by the Moderator to be in recess at 12:20 p.m.

The Moderator called the afternoon session to order at 2:00 p.m. and prayer was offered by the Rev. Joseph H. Giunta, of Andover, N. H.

The Secretary of the Association read a message of greeting from the Unitarian Church of Tucson, Arizona, the newest of our churches.

Dr. James L. Adams, Chairman, reported for the special committee on an interdenominational action project which was appointed by vote of the 1947 General Conference. The proposal already has the enthusiastic approval of the Reformed Jews, the Universalists, and the Ethical Culture group. As recommended, the Meeting therefore instructed the special committee to report as soon as possible to the Board of Directors concerning a specific project and asked the Board of Directors to take the lead in implementing such a project.

Mr. David Parke, President of the American Unitarian Youth, made a brief statement in recognition of the work of the Rev. Richard Kuch as president, and later as associate director of the A. U. Y. Mr. Kuch, in reply, graciously accepted the gift of a lounge chair from the A. U. Y. and representatives of the Association.

RESOLUTIONS ADOPTED

DENOMINATIONAL AFFAIRS

Unitarian Service Committee

Whereas: The Unitarian Service Committee in the years since its establishment in 1940 has maintained a program of humanitarian service at home and abroad, such service being granted without discrimination because of race, creed or nationality;

Be It Resolved: That the American Unitarian Association meeting in its 123rd Annual Meeting, supports the policies of the Committee and

reaffirms the following principles upon which the Unitarian Service Committee was founded:

It is the purpose of the Unitarian Service Committee:

To face and accept our full share of responsibility for relieving human distress.

To help restore human dignity where it has been violated and to strengthen it everywhere.

To maintain and to give expression to the unity of human kind.

To render service at home and abroad without regard to race, creed, color or nationality.

To revive human initiative, knowledge and skill and thus help people to help themselves.

To demonstrate, and to share without arrogance, the best of our American heritage in areas of conflict and devastation.

Submitted by the Unitarian Service Committee.

Proctor Academy

WHEREAS: Proctor Academy, a Unitarian school, founded in 1848, has through these 100 years of service offered to Unitarians and others an educational opportunity of which our fellowship may be justly proud; and

WHEREAS: In this its Centennial year it is increasing its endowment and scholarship funds, and modernizing the physical plant and equipment in order to accept the challenge of new opportunities for educating free and democratic citizens;

THEREFORE BE IT RESOLVED: That the American Unitarian Association, assembled in its 123rd Annual Meeting, extends to the Board of Trustees, the Headmaster, the staff, and the student body, our congratulations and good wishes in this year of great promise; and

Submitted by Rev. Ernest W. Kuebler.

Travel Equalization

WHEREAS: Unitarians have always stood for the fullest democratic participation in developing the policies and conducting the business of the American Unitarian Association; and

WHEREAS: The cost of travel for delegates to Annual Meetings and General Conferences limits considerably that participation; and

WHEREAS: Ever-increasing numbers of organizations with nation-wide memberships are finding that a travel equalization plan facilitates and increases the democratic participation at regional and national meetings;

THEREFORE BE IT RESOLVED: That the Board of Directors of the American Unitarian Association carry out a study of and, if feasible, institute a travel equalization plan for future meetings of the American Unitarian Association, and report thereon to the next annual meeting.

Submitted by: Mrs. Dorothea C. Cary, Hartsdale, N. Y.; Rev. Richard Henry, Brooklyn, N. Y.; Mr. Henry A. Rusch, Jr., New York City; Rev. Jacob Trapp, Summit, N. J.

Evaluation of the Effect of the Five Points of Unitarian Advance

WHEREAS: A program of Unitarian Advance, proposed in 1944, is based upon certain working principles, namely:

Individual freedom of belief
Discipleship to advancing truth
The democratic process in human relations
Universal brotherhood, undivided by nation, race or creed, and
Allegiance to the cause of a united world community;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 123rd Annual Meeting, calls upon its member churches and the regional conferences and councils to examine the extent to which these five principles are now reflected in the practice and the programs of our local churches and denomination; and to report to the Commission on Planning and Review.

BE IT FURTHER RESOLVED: That the Commission on Planning and Review present a report on this subject at the next Biennial Meeting of the Association.

Submitted by the Adult Education Committee of the First Unitarian Church of Cleveland, Ohio.

PEACE, INTERNATIONAL RELATIONS AND ALLIED SUBJECTS

Universal Military Training

BE IT RESOLVED: That the American Unitarian Association, assembled in its 123rd Annual Meeting, opposes the adoption of Universal Military Training.

Submitted by Rev. Irving R. Murray; Co-sponsors, Rev. Fred Cairns; Rev. Thaddeus B. Clark; Rev. Dana McLean Greeley; Rev. Duncan Howlett; Rev. Nathaniel

Lauriat; Mr. James J. Marshall; Mrs. Frederick T. McGill, Jr.; Rev. Harry Meserve; Mr. David B. Parke; Rev. Leslie T. Pennington; Rev. Palfrey Perkins; Rev. Robert Raible; Rev. Frank Ricker and Marie M. Biehl, Louise Orton Caldwell, Louise H. Saenger, Mrs. F. A. Hartman and Elizabeth Rubin from the First Church, Columbus, Ohio; Dr. Julius E. Warren; Dr. Quincy Wright and the Willmar Unitarian Society, Willmar, Minnesota.

Co-operation with United World Federalists, Inc.

WHEREAS: The critical situation in international affairs requires immediate revision of the Charter if the United Nations is to survive and develop as a force to maintain peace in the world; and

WHEREAS: The American Unitarian Association believes in the stated Belief of United World Federalists that "peace is not merely the absence of war, but the presence of justice, of law, of order — in short, of government and the institutions of government; that world peace can be created and maintained only under a world federal government, universal and strong enough to prevent armed conflict between nations, and having direct jurisdiction over the individual in those matters within its authority";

THEREFORE BE IT RESOLVED: That the American Unitarian Association and its member churches and constituent agencies support the activities of (the) United World Federalists by participation in its educational program, by informing our own members as fully as possible of its purposes and its programs of all existing facilities and such others as may become available to us.

Submitted by Mr. Robert Wheelwright and Rev. John A. MacKinnon of Wilmington, Delaware, and adopted with amendments.

United States Action for World Peace

WHEREAS: The critical situation in international affairs requires the preservation of the existing instruments of international conference and diplomacy; and

WHEREAS: The authority of the nation-states must nevertheless be increasingly subordinated to the ultimate sovereignty of the United Nations which must become a world government, if we are to keep the peace once it is established; and

WHEREAS: It lies within the power of the United States to take at this time certain actions which will go far toward establishing the peace and clearing the way for world government;

THEREFORE BE IT RESOLVED: That the American Unitarian Association, assembled in its 123rd Annual Meeting, urges upon the United States and upon all Americans immediate action as follows:

1. The Congress should promptly pass legislation to admit at least 200,000 displaced persons into the United States in the next two years, without jingoistic or parochial amendments which will embarrass or cripple the administration of the law.

2. The Congress should promptly pass legislation to renew for three years the authority of the Executive branch of the United States government to enter into reciprocal trade agreements with other nations.

3. The Congress should accept by early legislative enactment the obligations of membership in both the International Trade Organization and the World Health Organization.

4. The United States must keep the door open to negotiation and to conference with the Soviet Union, but without retreating on any matter of principle, and meanwhile supporting the rights of free people everywhere.

5. Citizens should pay increasing attention to the important work of the United Nations Economic and Social Council, and of its specialized agencies, which we see attempting to establish that community of interest which is an indispensable prerequisite of world government.

6. The United States must support modification, looking to the eventual elimination, of the veto power of the permanent members of the United Nations Security Council, and increasing emphasis upon the power and prestige of the Assembly and the Little Assembly.

7. The hope of world government must be implemented by public as well as private action. We urge the proper United States and United Nations agencies to undertake continuous studies of the steps that must be taken to secure the development of the United Nations into an effective world government, as we urge all peoples everywhere to consider the overwhelming urgency of their voluntary transfer of some part of their national sovereignty to the sovereignty of a world government. We endorse the establishment within the United Nations of regional security arrangements, approved by the Charter, provided these look to world government as their ultimate end. We commend to our people co-operation with United World Federalists, Inc., as an effective citizens' organization for the furtherance of these aims.

The Republic of Israel

WHEREAS: The entire household of Christendom draws its cardinal insights from the religious and ethical pioneering of Judaism for centuries before the Christian era; and

WHEREAS: All the free churches, and especially the Unitarian churches, have ever enjoyed the most cordial friendship with the rabbis and people of the temples of Judaism, making common cause with them in the practice and the defense of free religion; and

WHEREAS: The hopes of millions of Jewish people have long centered in the creation of a Jewish state in Palestine where the religious faith and ethical ideals of Judaism — heretofore tragically persecuted in Christian lands — may have expression; and

WHEREAS: Their age-old hope has come to pass in our time, planned and voted by the United Nations and recognized as the Republic of Israel by the United States Government;

NOW THEREFORE BE IT RESOLVED by the American Unitarian Association, in its 123rd session assembled: That greetings and congratulations upon the creation and recognition of the Republic of Israel be sent to the Central Conference of American Rabbis for transmission to the members of their congregations; and

BE IT FURTHER RESOLVED: That support for his action in the prompt recognition of the Republic of Israel be sent to the President of the United States together with the statement of our hopes that this recognition will be implemented in every way authorized by the Congress of the United States and by the Constitution of the United States; and

BE IT FURTHER RESOLVED: That the Unitarian Commission for World Order be authorized to speak for the Association in the discharge of the obligations which this resolution accepts.

Submitted by Rev. Leslie T. Pennington, Chicago, Ill.

WHEREAS: United Nations Day will first be observed throughout the world on Sunday, October 24, 1948; and

WHEREAS: This observance was originated by Unitarians and especially promoted by the Unitarian Laymen's League; and

WHEREAS: Unitarians are committed through their advance program to "allegiance to the cause of a united world community";

BE IT THEREFORE RESOLVED: That the President of the American Unitarian Association forthwith appoint a special committee including representatives of the Association, affiliated organizations, and others to mobilize the support of all Unitarian churches for this international holiday and that this committee be asked to consider implementing this support through such activities as:

(1) a nation-wide radio program;

(2) the display in every church on this day of the flag of the United Nations;

(3) the co-ordinated co-operation of every pulpit, choir, church school, women's Alliance, Laymen's League, A.U.Y., and other local church groups for an unprecedented observance of the holiday; and

(4) the invitation to free churches everywhere in the world to join with their fellow American and Canadian religious liberals in securing a 24-hour celebration of United Nations Day.

Submitted by Rev. Charles A. Engvall, Niagara Falls, N. Y.

PROBLEMS IN DEMOCRACY

Separation of Church and State

WHEREAS: The principle of the complete separation of Church and State is a cornerstone of American democracy without which our democracy and American way of life would be impossible; and

WHEREAS: It is recognized that the constitutional guarantee of the separation of Church and State is seriously impaired in these times; and

WHEREAS: The American Unitarian Association has always stood against any encroachment upon the principle of separation of Church and State; and

WHEREAS: The American Unitarian Association, at past Annual Meetings, has gone on record as opposing released time from the public school for religious education; and

WHEREAS: The "Protestants and Other Americans United for the Separation of Church and State" is an organization actively engaged in preserving the afore-mentioned principle and has as its aims the following:

(1) To revive in the public mind a clear understanding of the constitutional basis upon which religious liberty has been guaranteed;

(2) To redress the specific violations which have recently come into force; and

(3) To resist encroachments upon this constitutional principle.

AND WHEREAS: The said organization's program is:

(1) To work for the repeal of any law now on the statute books of any state which sanctions the granting of aid to church schools from the public treasury;

(2) To secure a reconsideration of the two decisions of the Supreme Court approving tax funds (a) providing the pupils of parochial schools with free text books and (b) the transportation of pupils to parochial schools;

(3) To prevent the passage of any law by Congress which allots to church schools any portion of federal appropriations for education, or which explicitly or implicitly permits the state to make such allotments of federal funds; and

(4) To press for the immediate withdrawal from the Vatican of the Personal Representative of the President of the United States;

And Whereas: The above mentioned organization does not concern itself with the religious teaching and forms of worship, or the ecclesiastical organization of the many churches of our country nor is any part of their purpose to propagandize the Protestant faith or any other, nor to criticize or oppose the teaching or internal practices of the Roman Catholic church or any other;

Be It Therefore Resolved: That the Annual Meeting of the American Unitarian Association herewith endorses the purposes of "Protestants and Other Americans United for the Separation of Church and State," herein stated, and urges the Churches of the Association and their members to give support to this movement, in the defense of liberty, and of democratic principles, and to work in the spirit of frankness and of goodwill, that occasions of divisiveness and forfeiture of freedom may not become more serious, but may be eliminated in our land.

Compilation of resolutions submitted by Rev. Dana McLean Greeley, Rev. Horace F. Westwood and Rev. Robert J. Holden (endorsed by the Parish Committee and the whole Parish of the Unitarian Society of Fairhaven, Massachusetts), and the Willmar Unitarian Society Resolutions Committee and the Board.

Endorsed, as revised, by the Advisory Committee, Department of Adult Education and Social Relations.

The Unitarian Church and Economic Life

Whereas: Unitarianism considers the dignity and worth of the individual and the welfare of mankind to be of primary importance in the religious ethic;

Whereas: Unitarianism holds that, despite inequalities in natural abilities, all men are equal as children of God, and should, therefore, have equal opportunities under democratic processes of law;

Whereas: Unitarianism refuses to identify itself with any particular economic system or program, yet affirms that every economic system must be judged by religious and ethical principles;

WHEREAS: Unitarianism affirms the necessity to seek continually the creation of social conditions under which it will be less difficult to express in daily living the spirit of brotherly love;

THEREFORE BE IT RESOLVED: That the American Unitarian Association, assembled in its 123rd Annual Meeting, accepts as its own the following principles which are substantially those recommended by the National Study Conference on the Church and Economic Life (Pittsburgh, 1947):

1. Each person under God has a right and a duty to take his share in the world's work, and to work at jobs which will enable him to fulfill the true purposes of labor; accordingly the responsibility to provide the opportunity to work rests with all segments of our society;

2. Property represents a trusteeship under God and should be held subject to the needs of the community; no single current system of ownership meets this test and in fields where the present forms of ownership are difficult to regulate for the common welfare, encouragement should be given to further experimentation in the forms of private, co-operative and public ownership; and to experimentation both in this country and in democracies abroad on the proportions of these forms of economic institutions which will be found most workable in a mixed economy;

3. It is desirable to work toward an economy which provides opportunities for an adequate income for every family;

4. The profit motive for individuals is one of the characteristics of a money economy and is defensible, subject to proper conditions; men are now and must in the future be more largely actuated by a service motive than by a profit one;

5. Economic groups should have the right to organize, provided only that their purposes and activities do not contravene the welfare of the entire community since the larger community cannot tolerate monopoly over information, technical processes, natural resources, capital, or labor which is not regulated in the interest of all;

6. The church in its own economic practices should conform to the highest ethical standards for the sake of its own integrity as well as to set an example to others in the economic sphere, especially as active participants in economic life as employers, investors, purchasers, recipients of gifts, and property owners;

7. The church should seek to make its membership inclusive of all elements in our economic life and thus avoid the stultification of a class church.

Submitted by the Executive Committee of the Unitarian Fellowship for Social Justice. Endorsed, as revised, by the Advisory Committee, Department of Adult Education and Social Relations.

Discrimination in Higher Education

WHEREAS: The report of the President's Commission on Higher Education presents evidence of serious discrimination toward Negroes by the colleges and universities of America, especially in the 17 states and the District of Columbia where segregation in higher education is established by law;

WHEREAS: The report of the President's Commission on Higher Education also presents evidence that "many colleges and universities, especially in their professional schools, maintain a selective quota system for admission, under which the chance to learn is denied to certain minorities";

WHEREAS: Discrimination in higher education is a violation of the essence of democracy and religion and denies the basic American belief that intelligence and ability are present in all groups and that men of all backgrounds should have equal opportunity to fit themselves for contributing to the common life;

THEREFORE BE IT RESOLVED: That the American Unitarian Association assembled in its 123rd Annual Meeting, urges all Unitarians to work actively to end discrimination, segregation, and quotas in the admission policies of colleges and universities on grounds of race, religion or national origin or ancestry; and particularly calls for such action by Unitarian laymen and ministers who are students and alumni of discriminatory institutions, members of boards of trustees of discriminatory institutions, and members of discriminatory professional associations;

BE IT FURTHER RESOLVED: That the American Unitarian Association concurs with the following legislative recommendations of the report of the President's Commission on Higher Education:

1. The immediate passage of carefully drawn state legislation to make equally applicable in all institutions of higher learning the removal of discriminatory practices in admission policies.

2. The immediate repeal of any state or other legislation which requires segregation of white and Negro students.

3. The inclusion of explicit provisions in any future legislation for federal aid to institutions of higher education allotting funds only to those institutions free from segregation or discriminatory practices.

Self-Government for the District of Columbia

WHEREAS: The United States of America aspires to be recognized among the foremost exponents of the democratic form of government; and

WHEREAS: There is no democratic local self-government in the Capital of the United States of America (Washington, D. C.) where the representatives of all foreign nations come in closest contact with American democracy; and

WHEREAS: Congress is greatly burdened by having to act as both a city and state legislature for the District of Columbia, at a time when its national and international responsibilities have been so greatly expanded; and

WHEREAS: Citizens of the District of Columbia, including many federal servants, are subject to local taxation without representation and do not have the indispensable experience of being participating citizens in a self-governing local community;

BE IT THEREFORE RESOLVED: That the American Unitarian Association assembled in its 123rd Annual Meeting urges Congress to provide the best possible form of local democratic self-government for the District of Columbia within the limits of the United States Constitution and to authorize all of its citizens to vote.

Submitted by the Washington Chapter of the Unitarian Fellowship for Social Justice. Endorsed, as revised, by the Advisory Committee, Department of Adult Education and Social Relations.

Justice to Japanese Americans

WHEREAS: Under the claim of a national emergency more than one hundred thousand Americans of Japanese ancestry were uprooted from their West Coast homes during World War II and evacuated to inland relocation camps; and

WHEREAS: The evacuation of Japanese Americans caused tremendous property losses which no other American group in recent times has suffered; and

WHEREAS: Alien residents of Japanese ancestry are still affected by the racial bars in laws governing naturalization; and

WHEREAS: Statutory restrictions, such as the alien land laws in twelve western states, have been invoked against these aliens on the basis of their ineligibility to citizenship;

Therefore Be It Resolved: That the American Unitarian Association at its 123rd Annual Meeting urges the Eightieth Congress of the United States to pass legislation:

(1) Providing effective machinery to adjudicate claims arising out of property losses incurred by the evacuation of Americans of Japanese descent.

(2) Extending naturalization privileges to alien parents of American servicemen in World War II irrespective of race.

(3) Equalizing deportation proceedings to facilitate granting stays of deportation to aliens irrespective of race or eligibility for citizenship.

(4) Broadening the right to naturalization so that it may not be denied or abridged because of race, national origin or ancestry.

Submitted by the Executive Committee of the Unitarian Fellowship for Social Justice. Endorsed, as revised, by the Advisory Committee, Department of Adult Education and Social Relations.

Justice to Canadian Japanese

Whereas: Order-in-council P. C. 946 of February 5th, 1943, as amended by P. C. 804 of March 2nd, 1948, is a continuation of a wartime measure which makes entry into British Columbia or entry or residence in the coastal area of British Columbia of persons of Japanese ancestry subject to permit obtained from the Royal Canadian Mounted Police; and

Whereas: Order-in-council P. C. 251 of January 13th, 1944, prohibits persons of Japanese ancestry from fishing in the British Columbia coastal waters and from employment on fishing vessels; and

Whereas: The continuation of these restrictive measures three years after the end of the war is a denial of fundamental principles of democracy; and

Whereas: The successful resettlement of these citizens all across Canada is now an accomplished fact; and

Whereas: The British Columbia government gives reasons of these orders-in-council for not granting full citizenship status to Canadian citizens of Japanese ancestry settled in the interior of the province;

Be It Therefore Resolved: That the American Unitarian Association, including its member churches in Canada, calls upon the Prime Minister of the Dominion of Canada and his cabinet to immediately revoke Order-in-council P. C. 946 as amended by P. C. 804 and P. C. 251 and thereby restore to these Japanese Canadians their full status as citizens in a free democracy.

Segregation and Discrimination at Annual Meetings and General Conferences of the American Unitarian Association

WHEREAS: Segregation and Discrimination cannot be reconciled with the Brotherhood of Man; and

WHEREAS: Unitarians are utterly committed to the Brotherhood of Man as a religious imperative;

BE IT THEREFORE RESOLVED: That the American Unitarian Association, assembled in its 123rd Annual Meeting, pledges itself to fight Segregation and Discrimination by scheduling in the future its Annual Meetings and General Conferences only in hotels, halls, restaurants, clubs or other places of accommodation which do not discriminate against guests on a basis of race, creed, color or national origin.

Submitted by Rev. Robert W. Lawson with 192 co-sponsors.

The Mundt-Nixon Bill

WHEREAS: The American Unitarian Association has traditionally upheld the rights of all individuals to hold political and social opinions freely in accordance with the United States Constitution, the Bill of Rights; and

WHEREAS: The American Unitarian Association is unalterably opposed to all totalitarian governmental systems, whether fascist, communist, or any other; and

WHEREAS: The Mundt-Nixon bill now before Congress, although proposing to "protect the United States against un-American and subversive activities" would threaten in administration so to abridge civil rights as to endanger democratic processes in government;

BE IT THEREFORE RESOLVED: That the American Unitarian Association in its 123rd Annual Meeting opposes enactment of the Mundt-Nixon bill; and

BE IT FURTHER RESOLVED: That we recommend to the administration of the American Unitarian Association that they appoint an official representative of the American Unitarian Association to appear before the Judiciary Committee of the Senate on Friday and Saturday of this week to record the American Unitarian Association against this bill.

Submitted by the Business Committee and adopted with amendment.

REPORT OF THE BOARD OF DIRECTORS

To the American Unitarian Association:

In accordance with the By-Laws of the Association, and in account of its stewardship in behalf of the churches, the Board of Directors herewith submits its annual report for the year 1947-1948:

During the last year your Board of Directors has held four regular meetings with an average attendance of twenty-four out of an actual membership of thirty-five. In addition to members of the Board, these meetings have been attended by most of the appointed officers of the Association, by many of the Regional Directors, and by representatives of other Unitarian societies on invitation. Judge Lawrence G. Brooks has served as Chairman of the Board following the retirement of Mr. Charles O. Richardson who for so many years acted in this capacity. The Board has noted with special satisfaction that the present chairman of the Commission on Planning and Review has accepted the invitation to attend Board meetings, and his participation in the business of the Board of Directors has been helpful already at several points.

During the same period the Executive Committee has held thirteen meetings with an average attendance of six out of nine. Regular meetings of divisional councils have been held in connection with the quarterly Board meetings, and there have been also many meetings of departmental and special committees. In addition to Board members, 105 individual Unitarians have been active on committees or divisional councils during this year.

It is the constant intention of the Board of Directors to keep in mind its representative character, and to bring into its counsels as wide a variety of experience and point of view among the scattered elements of our Unitarian fellowship as possible.

This last year has been marked by the first important biennial meeting of the Association since we entered the war. The Washington Conference, held by invitation of All Souls' Church in the National Capital, demonstrated once again the value of these biennial meetings, and your Board of Directors has given careful consideration to the resolutions adopted in Washington as indicative of the mind and will of the Fellowship.

In particular, the report of the Commission on Planning and Review, which was presented to the Association in Washington, has received the closest and most detailed study by the Board of Directors and its Executive Committee. An analysis of the Report revealed thirty-eight specific suggestions and recommendations, some of which already have been adopted and all of which are being studied by the appropriate subcommittees or officials, preliminary to such action as should be taken.

Twice during the year the Board of Directors has authorized its General Counsel to prepare and file a brief as *Amicus Curiae* with the Supreme Court of the United States, first in connection with the case of McCollum vs. Board of Education, Champaign County, Illinois, which involved the separation of church and state, and secondly in connection with a series of cases having to do with the enforcement of covenants in deeds and leases preventing Negroes and others from owning and occupying real estate in restricted areas. In both instances the Association's briefs centered about the fundamental principles of religious and individual liberty, and in both cases the decision of the Supreme Court was favorable to the position taken by the Association. While in each case the Association took the action in court, the Board would like to record its appreciation of the initiative and backing of the Unitarian Fellowship for Social Justice and the Western Unitarian Conference.

Unitarian Advance has now become an integral part of the on-going work of the Association as a whole, influencing every department and rapidly making its energizing power felt in the local parish churches. While no one is likely ever to be satisfied with the rate of progress, your Board of Directors believes that Unitarian Advance is now attaining ever larger proportions and offers great promise for the future.

One indication of this is to be found in the achievements of the Department of Unitarian Extension and Church Maintenance during this past year. Detailed reports will be submitted later but the Board of Directors would call your attention to the fact that during this year six new Unitarian churches have been established in large and important centers of population and that these churches have been established in conformity with a general extension policy that has already demonstrated its usefulness and success. The Department has met a demand of long-standing by adding a new Minister-at-Large in the field, Rev. Grant Butler, who will assume his duties in the fall, and it has added to the staff at 25 Beacon Street, Mr. Monroe Husbands, who will be assigned for the time being primarily to establishment of new lay centers throughout the country.

A second notable achievement of this last year has been the development of the Division of Education staff, which at the present time is fully

equipped to carry out a well-rounded and effective program. Dr. Merrill E. Bush, who has been with us just over 12 months with full-time responsibility for the Department of Adult Education and Social Relations, has greatly strengthened that department, and Rev. Clifton G. Hoffman who promises equally well for his department, is the new Director of Youth Education. Both men have won already high confidence and respect throughout the Fellowship. They create, with the leadership that Mr. Kuebler, Mrs. Fahs, and Miss Wood have been giving us, a more comprehensive personnel of equal competence.

In the Division of Publications your Board would call special attention to the development of book publishing during the last twelve months. The sales of the Beacon Press have increased by approximately 60%, but even more important is the quality of the books now being published. Such names as Albert Schweitzer, Alfred North Whitehead, John Dewey, Pitirim Sorokin, are but indicative of progress which is making the Beacon Press a factor in the publishing world that cannot be overlooked.

The responsibility for editing and publishing the *Christian Register*, pending the report from the special committee authorized at the Washington Conference, has been assigned to the Division of Publications and the Board of Directors believes that a careful study of the past year's issues of that periodical will demonstrate not only the skill and devotion of the staff of the Division but also a grasp of fundamental religious problems and requirements that has made the *Christian Register* notable in the field of religious journalism. The staff is to be highly commended for the way in which it has handled this task.

In connection with the publications program, the Board of Directors sent the Director of the Division of Publications and Dr. Charles R. Joy to French Equatorial Africa last summer to visit Dr. Albert Schweitzer in his hospital at Lambarene and to work out with him arrangements for a large-scale Schweitzer publishing program. Dr. Schweitzer has been extraordinarily cooperative and has expressed deep gratitude for what is being done. On its part the Association, while very careful to represent Dr. Schweitzer's position accurately and as without denominational bias, has been most grateful for his cordial assistance and proud to present to the world the works of one of the greatest souls in Christendom today. Though the Schweitzer publishing program is still in its early stages it has already reached a far wider public than had been anticipated. Large publishing houses such as Harper and Brothers have joined with the Beacon Press in carrying the message of Albert Schweitzer to America, and this program has enabled the Association to send substantial funds to Africa for carrying on the work of Dr. Schweitzer's hospital.

During this year the work of the Unitarian Service Committee has once again received remarkable recognition on a world-wide scale. Perhaps the most important single item in its present program is found in the Medical Teaching Missions which are now being carried on at the direct request of the World Health Organization, and our own State Department. Every Unitarian should make himself familiar with the abridged report of the Medical Mission to Austria last summer — a document prepared by Dr. Erwin Kohn, Director of Medical Projects for the USC, and available through the office of the Service Committee. It constitutes a major testimonial to the creative and imaginative power that lies behind the work of our Service Committee and indicates the widespread appreciation for our efforts which more than justifies the vision and courage of the Committee and its effective staff.

The Board of Directors stood squarely behind the Unitarian Service Committee during this year when because of the termination of the National War Fund there appeared to be serious doubt as to its receiving adequate financial support. Whatever may be the outcome of the campaign presently being conducted by American Overseas Aid, the fact that the USC was allotted an appropriation of approximately $988,000 is another indication of the universal confidence which it has won, and from now on this program deserves a far more generous measure of financial backing by our own Unitarian people than it has as yet received.

Detailed reports concerning various other aspects of our work will be presented at this annual meeting, and the Board of Directors requests special attention to the reports from the Treasurer, the Finance Committee and the United Unitarian Appeal. The Board would record its grateful appreciation for the remarkable record made over a period of several years by its Finance Committee.

At each of its regular meetings the Board has received detailed reports from the new Director of the United Unitarian Appeal and the Board wishes to record in this public way its respect for the competence with which an extraordinarily difficult assignment has been carried out by Mr. Fisher and its confidence that the measure of success already achieved will be greatly surpassed in the years ahead. The Association has, in a sense, the largest stake in the long range future of the United Unitarian Appeal and is prepared to give its utmost in support of a project which as it grows in effectiveness will provide not only solid financial foundations for the entire Unitarian denomination but also a center around which united denominational loyalty will develop most effectively.

The Board has watched with interest the reorganization and initial progress of the Starr King School under the administration of the Acting Dean, Rev. George F. Patterson.

Representatives have been appointed to a joint Commission of Universalists and Unitarians for the study of means of closer cooperation and the possibility even of ultimate federation between the two bodies.

We should note the gratifying report from our churches of an increase of legal membership during the last full year accounted for of approximately 5%. We believe this is reflected also in increased work achieved through our various denominational agencies.

Your Board of Directors believes that the Association and the churches are continuing to make real progress. There have been criticisms among us, as there always will be, but it has been our effort to turn these criticisms into constructive aids for the betterment of our work. And while some strong diversities of opinion persist, there must ever be underlying unity upon the basis of which our free faith can be effectively advanced. Your Board in rendering this report wishes not only to account for its stewardship but to enlist the loyal support of all the churches and their members in the cause which is the concern of all.

Secretary.

REPORT OF THE TREASURER
FOR THE YEAR ENDING APRIL 30, 1948

AUDITOR'S REPORT

BOSTON, MASSACHUSETTS
JULY 2, 1948

We have examined the financial statements of American Unitarian Association, as listed in our report for the fiscal year ended April 30, 1948, have reviewed the system of internal control and the accounting procedures of the Association and have examined accounting records of the Association and other supporting evidence, by methods and to the extent we deemed appropriate.

We satisfied ourselves that all cash recorded as received was properly deposited in the bank, that all income due from investments was received or properly accounted for, and that disbursements were supported by cancelled checks and properly approved vouchers; and we examined or otherwise satisfactorily accounted for the investments on hand at April 30, 1948.

In our opinion, the accompanying balance sheet and supporting schedules present fairly the position of American Unitarian Association at April 30, 1948, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Scovell, Wellington & Company.

REPORT OF THE TREASURER

Boston, Massachusetts

July 2, 1948

The Income and Expense Account and the Balance Sheet as contained in this report, have been taken from the auditor's report. Accompanying each of these schedules are explanations and comments by the treasurer, which it is hoped will enable those who are interested in the Association's financial affairs to understand them better.

All churches and other organizations which contribute to the United Unitarian Appeal are treated as having complied with the provision of the by-laws of the Association which requires an annual contribution in order to maintain membership in the Association.

This report segregates gifts to the Association where the principal or income is applicable to the work of the Association, from those funds which during the year have been turned over to the Association as trustee.

The rate earned by our General Investment Account, in which are invested most of the funds of the Association and most of the trust funds held for others, was 4.49% for the year ending April 30, 1948.

At the Annual Meeting of the Association in May, 1948 and prior to the completion of the audit, a treasurer's report was submitted showing in summary form, with the aid of graphs, the sources of income of the Association and the expenditures made by the several Divisions of the Association. The purpose of the report distributed at the Annual Meeting was to present information concerning the financial affairs of the Association somewhat informally, and to make available more detail about the financial operations of the Association. Copies of this special report will be mailed to any Unitarian on request. It is proposed to issue reports of this kind at each Annual Meeting in future years.

Frank B. Frederick,
Treasurer

Comments on Balance Sheet:

The cash balance includes sums held in the Building Loan Fund, uninvested principal of funds, and certain undistributed trust income.

The item of "Bonds and Stocks" includes all securities held by the Association except the investments of the Unitarian Sunday School Society and the Rogers Memorial Fund, which appear separately in the balance sheet. With these two exceptions under the system of bookkeeping employed by the Association all securities are included in this one item of bonds and stocks, although the income is applied to ministerial aid, sustentation, and the various beneficiaries whose funds we hold, as well as to the immediate activities of the Association. A report by the Chairman of the Finance Committee on these securities will be found on pages following this report.

The Church Properties Account, which aggregates $1,099,341.01 represents various types of investments made by the Association in church properties. This balance is comprehended on the Liabilities side in the aggregate of "Trust Funds and Accounts for General Purposes." These investments have been made with the object of developing denominational growth, and are not income-producing.

On the Liabilities side, "Special Trust Funds and Accounts" comprehend those trust funds the income from which is paid to beneficiaries, and those funds the income from which must be applied to special activities of the Association. To illustrate these special activities, let me cite two examples of funds which are included in this item, and show how they serve the denomination.

The Ministerial Aid Fund, with a principal of $162,405.34 is set up for the benefit of Unitarian ministers. Grants are made from the income, to assist ministers in cases of illness and pressing financial emergencies, where immediate help is needed.

The Sustentation Fund was established by receipts from the Unitarian Campaign, and the income is applied to supplement the salaries of ministers in small churches, where the church is unable to maintain an adequate salary for its minister. The principal of this fund is $256,399.04, and there was paid from the income during the year $10,284.16.

The Building Loan Fund is a special fund set up for the purpose of assisting churches in building and in reconstruction projects. This fund was created on a revolving basis. During the year there has been collected on these loans the sum of $45,093.54. During the year 21 new loans were made in the aggregate amount of $82,250.00. At the end of the year

there were 85 loans outstanding. This fund is very active now, as building restrictions become less rigid and building materials are more available.

The Rogers Memorial Fund was established by Henry H. Rogers under an indenture of trust dated December 22, 1904. The income is used for the benefit of the Unitarian Society of Fairhaven, Massachusetts. The principal of the fund is now $152,370.72.

The income from the funds held by the Association for the benefit of The Unitarian Service Pension Society amounted during the year just ended, to $35,289.93. Current contributions from the United Unitarian Appeal are added to this trust income for the purpose of paying service pensions to Unitarian ministers. During the fiscal year ending April 30, 1948 $46,139.29 was paid out to 83 ministers, and the average pension paid was $554.32. The amount of $50,577.12 shown on the Liabilities side of the Balance Sheet is the amount held for pensions during the fiscal year ending April 30, 1949.

The figure of $81,205.24 represents the fund of the Unitarian Sunday School Society, for which Society the Association acts as agent. The income from this fund is paid to the Sunday School Society and is used by it to promote the work of the Department of Religious Education.

"Sundry Credit Balances" include items accrued and to be disbursed. The "Reserve Fund" is made up of certain unrestricted funds which have been carried to this account.

Other Balance Sheets and Income Statements:

The auditors prepare balance sheets and income statements for the Publication Department and the *Christian Register* which are on file in the treasurer's office.

The treasurer stands ready at all times to discuss the financial affairs of the Association with any member of the denomination.

REPORT OF FINANCE COMMITTEE

The investment and reinvestment of funds owned or held by the Association is under the direction of the Finance Committee appointed by the Board of Directors. During the fiscal year 1947-48, or some part of it, the following have served as members of the committee: Charles O. Richardson, Leon M. Little, Marshall B. Dalton, Arthur L. Coburn, Jr., Frederick M. Eliot, Frank B. Frederick, and Percy W. Gardner as Chairman and Investment Counsel.

The Committee has continued to follow the policy instituted in 1933 of gradual elimination of securities of inferior quality, doing this in such a way as to diminish as little as possible the income for the Association and the participating organizations.

On the following pages you will find listed, with their cost prices, the securities which the Association holds, except those held by it as agent for the Unitarian Sunday School Society, and as trustee for the Rogers Memorial Fund.

On April 30, 1948, the market value of the total portfolio was 104.628 per cent of the cost, or book value, as against 102.563 per cent on April 30, 1947. The market value of the various classes of securities on April 30, 1948, was as follows: United States and Canadian Government bonds, 99.715 per cent of the cost; foreign bonds, 70.543 per cent; public utility bonds, 98.151 per cent; railroad bonds, 101.869 per cent; industrial bonds, 97.638 per cent; preferred stocks, 102.937 per cent; banking and insurance stocks, 102.363 per cent, and miscellaneous common stocks, 111.546 per cent.

During the fiscal year there have been securities called and sold aggregating $363,112.23, and purchases in the aggregate of $288,820.98.

Respectfully submitted,

Percy W. Gardner
Chairman

AMERICAN UNITARIAN ASSOCIATION

NATURE AND SCOPE OF THE ASSOCIATION

At the Annual Meeting of the American Unitarian Association, held on May 25, 1936, the following "declaratory resolution" was adopted:

The Association is a voluntary organization of churches and other religious, educational and philanthropic societies, and life members now empowered to vote, uniting themselves in the furtherance of the purposes enumerated in Article I of the Association's By-laws.

In thus associating themselves the individual churches and societies abrogate no part of their independent autonomy; neither does the Association have any authority over other conferences or associations of Unitarian churches having lesser geographical scope. The Association is, nevertheless, competent to undertake such functions in behalf of the entire body of associated churches as these churches, by delegates assembled, may from time to time commit to it.

The Association shall make a biennial review of the whole field of interest common to the Unitarian fellowship in America and shall address general suggestions or special counsel to the churches as a group and to the associated societies in relation to their collective concerns.

The relation of the Association to other Unitarian societies of general scope is that of a general council. It has responsibility for promoting the unity and harmony of the entire movement, but, until further advised by its experience, will confine itself to recommending to these societies for voluntary adoption such undertakings and methods in their respective fields as it judges to be in the minds of the fellowship.

BY-LAWS OF THE AMERICAN UNITARIAN ASSOCIATION

AS ADOPTED ON MAY 25, 1937

Amended May 26, 1938, May 25, 1939, May 23, 1940, May 22, 1941, May 23, 1946, May 22, 1947, May 25, 1948, and May 26, 1949.

Article I. Purpose

The purpose of the American Unitarian Association shall be:

1. To diffuse the knowledge and promote the interests of pure religion, which, in accordance with the teachings of Jesus, is summed up in love to God and love to man;

2. To strengthen the churches which unite in the Association for more and better work for the Kingdom of God;

3. To organize new churches for the extension of our faith in our own country and in other lands;

4. And to encourage sympathy and cooperation among religious liberals at home and abroad.

5. The Association recognizes that its constituency is congregational in tradition and polity, and that nothing in these By-laws is to be construed as an authoritative test.

Article II. Organization Members

1. Churches and other religious, educational and philanthropic societies which make annual contributions to the Association shall be members of the Association. Churches and organizations not members of the Association may become such whenever they shall express their approval of or general sympathy with the purpose of the Association, and whenever their contributions are received and have been accepted by the Board of Directors.

2. Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, and by one additional lay delegate for each additional fifty voting members; and shall be entitled to choose a like number of alternate lay delegates to serve in the event of the absence of any of the delegates originally chosen, and, in the case of such member churches as have local auxiliaries in good standing of the Unitarian Laymen's League, the General Alliance of Unitarian and Other Liberal Christian Women, and the American Unitarian Youth, by one additional lay delegate or alternate for each such auxiliary. Unitarian ministers on active service as chaplains of the armed services and the Veterans' Administration of the United States and Canada shall have the privileges of delegates, including the right to vote. All lay delegates shall be chosen by each member church from its own constituency in accordance with its by-laws or precedents. Each other member society shall be represented by its president and two other accredited delegates or alternates, only, chosen as aforesaid from its members or those participating in its activities. No individual nor any delegate shall be entitled to more than one vote at any meeting of the Association. A contribution must be placed in the hands of the officers of the Association on or before April 30, to entitle a church or other society to be represented in meetings of the Association during the year beginning on the following May 1.

Article III. Individual Life and Associate Members

1. A subscription of fifty dollars shall constitute a person a member of this Association for life, but no church or other society shall be entitled to the representation set forth in Article II by virtue of any subscription used

for the creation of life members. No person constituted a life member after the first day of May, 1925, shall have the right to vote; but nothing herein provided shall be construed to affect the rights or privileges of life members duly constituted as such before the first day of May, 1925.

2. A subscription of one dollar or more per year shall constitute a person an associate member of this Association. Associate membership shall not carry the right to vote.

Article IV. Honorary Vice-Presidents and Members

1. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect honorary life members of this Association who shall have the rights and privileges of accredited delegates. Such elections shall be by ballot and nominations shall lie over one month. The number of such honorary life members shall not exceed twenty-five.

2. The Board of Directors may by unanimous vote at any regularly called Board Meeting nominate and at any regularly called meeting thereafter may elect one or more honorary Vice-Presidents, ex officiis, to be chosen exclusively from among the chief officers of the organized Unitarian or allied church groups in other countries.

Article V. Officers and Directors

1. The officers shall be a Moderator; a President; and nine (9) Regional Vice-Presidents, one of whom at the time of his or her election shall be from Northern New England, one from Southern New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Rocky Mountain States, one from the Pacific Coast, and one from the Dominion of Canada; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting.

2. The terms of office shall be as follows: the Moderator for two years; the President, the Secretary, and the Treasurer, for four years; eighteen (18) of the directors, of whom not less than five shall be laymen, not less than five shall be women, and not less than five shall be ministers, for three years, one-third to be elected annually; all other officers and directors for one year. The directors elected for one year shall include a representative of the Unitarian Ministers Association, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, and the American Unitarian Youth.

3. The Secretary of the Association shall cause to be prepared and mailed each year, on or before May 1st, to every member church and

society as many ballots as the number of delegates to which it is entitled as representatives at the annual meeting of such, and one ballot each to every individual member entitled to vote at the annual meeting, upon which ballots shall appear the nominations made in accordance with Article X with appropriate blank spaces for the substitution of alternative names. Each such ballot, when placed in a sealed envelope and accompanied by the signed credentials of an individual member or of any delegate member entitled to vote at such annual meeting and received by the Secretary of the Association not later than 5 P. M. of the day preceding the said annual meeting, shall be deposited with the chairman of the Committee on Ballots, who shall open any and all such envelopes in the presence of the Committee on Ballots at the time of their canvass of the vote of the meeting; and all of such ballots so found shall be counted in said canvass and in addition to the votes cast in person at said annual meeting, provided that no individual member nor any delegate shall be entitled to more than one vote.

Article VI. Duties of Directors

1. The Board of Directors shall meet at least four times each year, ten members constituting a quorum, and shall have charge of all the business and interests of the Association, the direction of its funds and operations, and authority to call special meetings of the Association whenever they shall deem it necessary or expedient.

2. It shall report to the annual meeting of the Association.

3. The Board shall choose from its own number a chairman of the Board, who shall have such duties as the Board may designate.

4. The Board shall choose from its own members an executive committee of not less than seven, to have charge of such business as the Board of Directors shall delegate to it, and of the affairs of the Association between meetings of the Board. The executive committee shall report to the Board at each of its regular meetings all transactions of the committee since its last report. The executive committee shall meet at the call of the President or Secretary, or upon such other notice as the Board of Directors may establish.

5. The Directors may recognize properly constituted and competent regional conferences of Unitarian churches as administrative auxiliaries and may make appropriations to them for the carrying out of its purposes as set forth in Article I of these By-laws.

Article VII. Duties of Officers and Committees

1. The Moderator shall be an unsalaried officer and not eligible for re-election. He shall preside at biennial meetings of the Association falling within his term, and shall be provided by the Directors with an expense fund necessary to enable him to accept opportunities to appear and speak

in the interests of the Unitarian movement, and for such other purposes as may be approved by the Board of Directors. He shall be an official representative of the Unitarian churches in fraternal non-administrative relations with other religious bodies. He shall be ex officio a member of the Commission on Planning and Review and a Director of the Association, but have no other responsibility for its administrative affairs.

2. The President is the chief executive officer of the Association. He is ex-officio member of the Executive Committee and of all departmental and standing committees. It is his duty to correlate the work of all departments and agencies of the Association, to supervise its administrative activities, and to present the Annual Report of the Board of Directors.

3. The Secretary shall be responsible for making and preserving full records of the actions of the Association, and of its Directors, for conducting its general correspondence, and in general for those duties usually assigned to a secretary.

4. The Treasurer shall have the custody of the corporate seal and of the funds, deeds, and all other evidences of the property of the Association; shall receive moneys, make disbursements as directed, and otherwise transact all the business of the Association relating to its property and finances. He shall sign, execute, and deliver all agreements, deeds, and other instruments of conveyance, assignment or transfer, in the name of the American Unitarian Association, which shall be under the seal of the Association. He shall have authority to sell, with the approval of any two other members of the Finance Committee, any stocks or other personal property owned by the Association.

5. The President, Secretary, and Treasurer, together with others employed as executive officers and heads of departments, shall constitute a Staff Council, which shall meet at call of the President or Secretary. The Staff Council shall confer concerning questions involving the work of more than one department; but shall not as a body take action on matters which fall within the primary responsibility of any departmental or standing committee. All regional secretaries shall be eligible to sit with the Staff Council.

6. It shall be the duty of the Business Committee to receive and act upon all resolutions or other matters proposed for action at any annual, biennial or special meeting of the Association (except such matters as are provided for in these By-laws) and, except by consent of a three-quarters vote of those present and voting at the meeting, only such matters as have been presented to the Business Committee at least two months prior to the meeting shall be considered; provided, however, that any resolutions or other matters so presented but not scheduled by the Business Committee may be called upon the floor by a simple majority

vote at the conclusion of the scheduled business. The Business Committee is empowered to promulgate such rules of procedure as may be necessary to carry out the intent of this section of the By-laws.

Article VIII. Commission on Planning and Review

1. At each biennial session a permanent Commission on Planning and Review shall be elected consisting of five persons, one of whom shall be the Moderator ex officio. At the first election two of the other four persons shall be elected for two years and two for four years. Thereafter members shall serve for a four-year term and be available for re-election, provided that no officer of the American Unitarian Association or any of the major denominational organizations shall be eligible for election while holding office in such organization.

2. The Commission shall report directly to the biennial session, and its necessary expenses shall be provided by a special appropriation in the Association's budget. The Commission shall make a unified report on the total work of the Unitarian fellowship through its national and regional organizations, and shall present a consolidated budget covering the entire scope of the work, its items to be effective when accepted by the several agencies. The Commission shall initiate necessary measures to correlate the work of all the agencies; it may foster interagency committees on matters needing joint action and may organize regular meetings of the executives and departmental officers of the various agencies. The Commission may also advise any agency directly as to its work.

Article IX. Meetings of the Association

1. In the fall of each alternate year beginning in 1937 the Association shall hold a meeting within the United States or Dominion of Canada, but not at the place at which the last annual meeting was held, to consider and act upon all matters to promote its objects. This meeting shall be known as the General Conference of the American Unitarian Association. It shall review the outlook and work of the Unitarian movement and shall advise the several agencies of the movement in the light of their common objectives. It may make recommendations to the Board of Directors on matters which for legal reasons the Association cannot act upon outside of the Commonwealth of Massachusetts. The representation of churches at the General Conference shall be upon the same basis as that provided for the annual meeting in section 2 of Article II.

2. The annual meeting of the Association shall be held in the month of May, in Boston, Massachusetts, of which due notice shall be given by circulars to the members of the Association and by advertisements in two or more newspapers published in Boston at least ten days previous to the annual meetings.

2. The Unitarian Ministers Association, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, and the American Unitarian Youth shall each have the right to nominate one director to serve for one year. It shall also nominate and the General Conference shall elect a Program Committee and a Business Committee, each of five members, to serve for the biennial and annual meetings held during the two succeeding years. The Program and Business Committees shall elect their own chairmen and secretaries, and the chairman and secretary of each shall be members ex officiis of the other. Vacancies on the Program or Business Committees shall be filled by the Committee in which such vacancy occurs until the next General Conference.

7. Nominations for any and all officers, directors, and committees shall be published at least ninety days prior to the date of election. Additional nominations may be made through nomination papers signed by fifty adult voting members, of whom not more than five shall be members of any one constituent society, and such nominations when reported to the Secretary of the Association not less than sixty days prior to the date of the meeting

6. Vacancies shall be filled by the Nominating Committee until the next General Conference.

Article XII. Amendments

.....

HISTORY OF THE ASSOCIATION

The American Unitarian Association was formally organized on May 25, 1825. Before the year 1825 there existed in Boston a club of some twenty liberal-minded and public-spirited citizens organized for social and philanthropic purposes. This Club was in the habit of meeting fortnightly for the discussion of subjects relating to religion, morals, and civic order. At a meeting held in January, 1825, at the residence of Hon. Josiah Quincy, a discussion arose concerning the advisability of forming an association to publish books and tracts setting forth the opinions and principles of the liberal party in the Congregational churches. On motion of Andrews Norton a committee of the Club was appointed to consider the expediency of forming such an association. This committee reported at a meeting held in the vestry of the Federal Street Church on January 27, 1825. There were present at the meeting William Ellery Channing, Henry Ware, Andrews Norton, Joseph May, Charles Lowell, Charles G. Loring, John G. Palfrey, James Walker, Robert Rantoul, Richard Sullivan, George Bond, Josiah Quincy, Joseph Tuckerman, Robert Waterson, Samuel A. Eliot, Jared Sparks, John Pierpont, David Reed, Aaron Bancroft, James Freeman, Joseph Story, Leverett Saltonstall, and Stephen Higginson, with others prominent in the intellectual and social life of the city. These were men who were wont to lay more stress upon the virtues of breadth of mind, moderation, integrity, hospitality and generosity than upon doctrinal accuracy. They were not men who cared to try hazardous experiments, but they believed that the time had arrived for the organization of the liberal forces of the New England churches. The object of the proposed association was declared to be "to promote the growth of Christian truth and Christian charity, and the increase of religion in the land."

The proposal of the Club to organize a Unitarian Association was brought before the ministers of the Berry Street Conference on the morning of May 25, 1825. The Conference did not think it proper to take any action on the subject, but notice was given that a meeting of gentlemen would be held for the consideration of the proposition in the vestry of the Federal Street Church at four o'clock in the afternoon. Rev. Henry Ware, D.D., was chosen moderator at this meeting; and after discussion it was voted "that it is expedient to form a new society to be called the American Unitarian Association." Rev. James Walker, Rev. Ezra S. Gannett, and Mr. Lewis Tappan were appointed a committee to carry the preceding vote into effect. On the following morning, at a meeting of which Rev. Nathaniel Thayer, D.D., was moderator, this committee reported a constitution which, with slight modifications, is still in force.

The object of this Association was by this constitution declared to be to "diffuse the knowledge and promote the interest of pure Christianity." Dr. Channing was elected President, Rev. Ezra S. Gannett, Secretary, and Mr. Lewis Tappan, Treasurer. The Vice-Presidents were Joseph Story of Salem, Joseph Lyman of Northampton, Stephen Longfellow of Portland, and six others; while James Walker, Henry Ware, Jr., and Samuel Barrett were chosen an Executive Committee. Dr. Channing was obliged by ill-health to decline to serve; and Dr. Aaron Bancroft of Worcester was chosen President in his place. The Association thus organized has ever since been the executive arm of the Unitarian body. It was incorporated in 1847 by Chapter 42 of the Acts of the Commonwealth of Massachusetts, and made a delegate body in 1885. The original act of incorporation is as follows:

> "Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same,—as follows: Section 1. Charles Briggs, Samuel K. Lothrop, Henry P. Fairbanks, their associates and successors, are hereby made a corporation, by the name of the American Unitarian Association, with all the powers and privileges, and subject to all the duties, liabilities and restrictions, set forth in the forty-fourth chapter of the Revised Statutes; and said corporation may hold real and personal estate to the value of fifty thousand dollars, to be devoted exclusively to the promotion of the interests of moral and religious instruction. Section 2. All donations, devises and bequests of real and personal estate, which may heretofore have been made to the American Unitarian Association, or to the executive committee thereof, shall be and enure to the use and benefit of the corporation hereby created, to be appropriated however, to the purposes designated in any such donation, devise or bequest. Section 3. This act shall take effect from and after its passage."

The amount of property which the Association was authorized to hold was increased from time to time: Acts of 1867, Chapter 30; Acts of 1884, Chapter 27; Acts of 1895, Chapter 188; Acts of 1907, Chapter 141; Acts of 1920, Chapter 58, until by Acts of 1928, Chapter 239, the limit on such holdings was removed and the corporate powers of the Association defined as follows:

> "The American Unitarian Association, incorporated by chapter forty-two of the acts of eighteen hundred and forty-seven, is hereby authorized to hold, in trust or otherwise, and manage all property, real or personal, given or bequeathed to it, and also to acquire by purchase, gift, grant, devise or bequest, and to receive and hold in trust or other-

wise, any property, real or personal, necessary or proper for any of the objects of the said corporation, and to sell, convey, mortgage or otherwise dispose of any property so held by it."

By acts of 1905, Chapter 140, recognition of the broader purposes of the Association was given in the following language:

"The American Unitarian Association is hereby authorized to hold real and personal estate, to be devoted to moral, religious, educational and charitable purposes, to the amount now authorized by law to be held by it for the purpose specified in its act of incorporation."

FINANCIAL SUPPORT

The American Unitarian Association carries on its program with income derived from two principal sources — (1) annual gifts from churches and individuals through the United Unitarian Appeal and (2) income from invested funds held in trust by the Association.

Bequests for the extension of the work of the Association are earnestly solicited. The Treasurer and the General Counsel will be glad to consult with anyone desiring to make such a bequest.

The following Form of Bequest is suggested:

I give and bequeath to the AMERICAN UNITARIAN ASSOCIATION, a corporation established by law in the Commonwealth of Massachusetts, the sum of.....dollars.

If it is desired that a permanent fund shall be established the following words may be added: "the income only to be used to promote the work of the Association."

THE UNITED UNITARIAN APPEAL — 1949-1950

The United Unitarian Appeal is the denominational fund-raising agency for fourteen of our national denominational groups. It is, in a sense, comparable to the Community Funds and Community Chests with which we are all locally familiar.

The United Unitarian Appeal receives annually from its participating organizations their proposed budgets for the fiscal year to come. These budgets and requests for allocations under the Appeal are examined, reviewed, and then re-examined, following the open hearings held concerning them, by the Appeal Budget Committee. The budgets are either accepted as submitted or are modified in accordance with the realizable Appeal goal recommended by the Executive Director of the Appeal and approved by the Appeal Corporation in its annual meeting, which takes place each May.

Once budget totals have been finally established and the Appeal goal set, the fund-raising campaign itself is set in motion and continues throughout the fiscal year, May 1st through the following April 30th. Shares (quotas) are suggested to each of our local parishes as representing a reasonable contribution which might be made by them toward the Appeal goal. Other sources of Appeal support are special gifts from particularly interested individuals and the proceeds from benefits and other special events.

The United Unitarian Appeal organization, in all of its efforts, keeps closely in mind the primary fact that our denominational fund raising must always be local rather than national in nature. It is the capacity, requirements, and wishes of our regional and local Unitarian groups which are the prime determinants of our fund-raising success and which provide, as in all things else, the basic strength and vigor of our denomination.

The records and the plans of the United Unitarian Appeal are open to inspection and criticism by those interested and the officers and staff of the Appeal stand ready at all times to be of service to the denomination to the full extent of their abilities.

The Unitarian Church of the Larger Fellowship is composed of persons living in all parts of the United States, in Canada, and in other countries where there are no Unitarian congregations. The Church provides a spiritual home and a continuous ministry, including the religious instruction of children in member families.

The basis of membership follows: "Avowing as our sole Bond of Fellowship our earnest desire to lead pure, reverent, and useful lives, we seek together the love which quickens fellowship and the truth which makes men free."

A person who subscribes to the Bond of Fellowship, and who makes an annual contribution of at least $5.00, may become a member. For young people in schools and colleges the minimum annual contribution is $2.00.

Upon uniting with the Church, each member receives a copy of *Hymns of the Spirit*, with services for worship in the home; a subscription to *The Christian Register;* and the current free literature of the American Unitarian Association. The Minister or Clerk keeps in communication with, and welcomes responses from, all members of the church.

For further information write to the Clerk, and send him the names of persons who would be interested in becoming members of the world-wide Larger Fellowship.

PUBLICATIONS

The Beacon Press, which is approaching the half-century point in its history, is a continuation of the book-publishing program begun in the mid-19th century by the American Unitarian Association.

The Press seeks to serve as a "beacon" of enlightenment in an illiberal world, and therefore places special emphasis on the publication of the work of foremost scholars in America and in the world, without regard to denominational affiliation, who are maintaining and extending the ancient tradition of free inquiry in the fields in which the parent organization is chartered to operate. The Press has always stood ready to publish, within the limits of its resources, manuscripts of acknowledged worth that for various reasons do not appeal to trade publishers as commercial ventures.

Beacon Press books are distributed through regular trade channels throughout the United States and Canada.

The Christian Register is the chief Unitarian publication. It is owned and published by the American Unitarian Association. Founded in 1821, by its history, its traditions and the conviction of its editors and publisher it is committed to the liberal principles that characterize the Unitarian churches of America. It aims to make the Unitarian religion a source of strength and comfort and instruction in the common life of man.

It serves our churches by providing articles of opinion, as well as news of our church life. The various departments of *The Christian Register* and the special articles on churchmanship problems seek to make the journal a valuable aid to minister and layman alike.

The Christian Register is a journal of opinion, and welcomes articles and letters in a liberal exchange of conviction and sentiment. The Board of Directors guarantees the perpetuation of its tradition of free journalism.

Editorial Board: Rev. Harry C. Meserve, Buffalo, (1948-1951); Rev. Gerald F. Weary, Port Washington, N. Y. (1948-1950); Ruth M. Twiss, Newtonville, Mass. (1949-1952).

The Editorial office is at 25 Beacon Street, Boston 8, Mass. The subscription price is $2.00 a year in the United States and Canada. Foreign subscription $3.00 in American money. Single copies 20 cents. There is a 25-cent rebate on group subscriptions.

The Wayside Community Pulpit. — The Wayside Community Pulpit gives each week a great message in a sentence for the passing throngs of people, from coast to coast. The Pulpit stands in front of churches, at highway intersections, and in public buildings. For information about the service, address Wayside Community Pulpit, 25 Beacon Street, Boston 8, Massachusetts.

The Wayside Community Pulpit is published by a joint Committee appointed by the Directors of the American Unitarian Association and the Trustees of the Universalist Church of America.

The Journal of Liberal Religion, founded in 1939, is a quarterly intended to encourage creative scholarly writing by Unitarian and Universalist ministers and laymen, and to act as an organ for the expression of all well-considered, seriously-held viewpoints within these fellowships. It also includes articles by distinguished liberals of other denominations. It is published by the Unitarian Ministerial Union and the Universalist Ministerial Association.
Correspondence and subscriptions should be directed to the Editors, Meadville Theological School, 5701 Woodlawn Ave., Chicago 37, Ill. Subscription rate, *one dollar a year, or $2.50 for three years,* payable in advance.

OFFICIAL LIST OF UNITARIAN MINISTERS

Published by Authority of the Fellowship Committee

The Fellowship Committee (see page 7) is composed of ten members. The Chairman of the Department of the Ministry, the General Counsel, and the President of the Association are members ex officiis. Seven members, of whom two must be ministers, three must be laymen, and two must be laywomen, are nominated by the President and elected by the Board of Directors of the Association for a four-year term. No elected member who has served for a full term of four years is eligible for re-election until one year after the expiration of his or her term. The Director of the Department of the Ministry serves as Secretary of the Committee.

This Committee has jurisdiction over applications for admission to the Fellowship of Unitarian Ministers and has charge of the approved list of ministers published in the Unitarian Year Book. Applicants for the fellowship of the Unitarian ministry should make known their desire to the Secretary of the Committee, Rev. Dan Huntington Fenn, 25 Beacon Street, Boston, from whom copies of the Rules of the Fellowship Committee may be obtained.

The following list includes ministers whom the Fellowship Committee believes are qualified to serve Unitarian Churches. It is the earnest recommendation of the Fellowship Committee that churches of the Unitarian denomination will call only those ministers who have been endorsed by the Committee.

Ministers in active parochial work are listed with no letter following their names.

Those in non-parochial service are indicated by the letter N in parentheses; those who have retired, by the letter R in parentheses.

The letter P in parentheses indicates ministers who have received their Preliminary Certificate only.

The letter A in parentheses indicates those ministers who have primary fellowship with another denomination but are at present serving a Unitarian Church or a Federated Church in which a Unitarian Church is part of the organization.

(Final corrections made August 31, 1949.)

NECROLOGY

Franklin Kent Gifford

Franklin Kent Gifford died quietly in Cambridge, Massachusetts where he made his home, on Friday morning, November 26, 1948.

Mr. Gifford was the son of Rev. Elisha Gifford, and after graduating from Harvard College in 1884, studied at the Harvard Divinity School and the Crane Theological School at Tufts College, and then entered the ministry. During twenty-one years, he served parishes in Winona, Minnesota; Dublin, New Hampshire; Fort Collins, Colorado; Laconia, New Hampshire; Sandwich, Massachusetts; and Farmington, Maine, after which he retired.

His dominant interests were poetry and the social application of religion. To the end of his life, he retained his critical analysis of men and institutions, measuring them always by the highest standards. He also did some writing, having published two novels under a pen name.

Mr. Gifford was twice married but at his death was survived only by three nephews and one niece.

A memorial service was held in Crothers' Chapel of the First Church in Cambridge, Massachusetts on Tuesday, November 30, 1948.

D. H. F.

Edward Dunbar Johnson

Edward Dunbar Johnson was born August 6, 1876 in Methuen, Massachusetts. He died there on December 5, 1948. His seventy-two years were years of activity in theological thought, in scientific discovery, in the conveniences which we all use in daily life, and in international relations climaxed by the two world wars. But to us who knew him always as Ted, he was quietly serene and hopeful through it all. He played his part in it all, but he would not let it wreck his life.

His three pastorates show the effect of his influence,—Salem, near his birthplace, 1911-1921; Urbana, Illinois, with its eager restless student group, 1921-1930; Orange, New Jersey, where most of the families in the congregation had their business interests in New York City, 1932-1939; and finally back to Salem as interim minister, for two more years, 1941-1943.

In preparation for his life work, too, he showed the same catholic taste. Tufts gave him a Bachelor of Arts degree in 1898. A year at the Meadville Theological School was followed by a year at the Divinity School at Harvard.

His ordination service was held in the First Congregational Society, Salem, October 15, 1911, where he ministered for ten years.

A devoted Christian minister in all that that word implies, he was faithful, patient, kindly. He seemed to understand men, women, and children as one with them and out of the riches of mind and heart, could heal, help, and comfort.

He never married.

Walter Catlin Pierce

Walter Catlin Pierce was born in New Salem, Massachusetts on April 5, 1861. He was educated at Tulane University, New Orleans, Louisiana, and at Meadville Theological School. Ordained at Mendon, Massachusetts, in 1888, he served our churches continuously for within a few months of half a century. His ministry was strikingly varied, both as to the type of parishes that sought him, and their geographical situation. Mendon was followed by Tiverton, Rhode Island. Then came ten years of fruitful work in New Orleans, Louisiana, where his gracious presence is still remembered. Called to Castine, Maine, he served four years and then went to Oklahoma City, Oklahoma, — at that time little more than a frontier town. Back to New England again — this time to West Somerville, Massachusetts — for five years, then to Jacksonville, Florida for five years — at that time our southernmost outpost of Unitarianism, and the entrenched stronghold of an orthodoxy that was suspicious of all things Northern and regarded anything like liberalism in religion as from the evil one. But it is hard to hate a man who has naught but good to say of us, and prejudice stood aside in the presence of the words and work of a truly liberal Christian gentleman.

Returning to Massachusetts in 1920, he served our church in Waverley for six years, and last, but not least, his beloved Sharon with its fine old First Parish, for thirteen years. Not only was he the minister of the First Parish, but by common consent he became "Dominie" of the town. All kinds and conditions of people came to him and went their ways heartened and encouraged. Wanting nothing for himself, what he gave was multiplied many times.

The wife of his youth died in 1932, and in 1933 he married Anna G. Phillips, through the remaining years, his loving and devoted helpmate. After his retirement in 1939, they continued to live in the town which had become so much a part of his life, even as his life had become a part of the town.

Simple in his manner of life, gracious, generous, kindly, wise, sympathetic, and withal, sturdy and steadfast in his convictions, his was not only the educated mind, but also the educated heart. Though a life-long Unitarian, he was a welcome and honored guest in even the most conservative pulpits in the town, for he was recognized for what he was — a truly religious man whose honest convictions had made him a Unitarian.

He was a Mason and for many years was chaplain of his lodge in Canton in which office he officiated until the end, daily living the precepts of his Masonic commitments. Death, the solvent of all earth's weariness, came as New England's autumn was unfurling her gorgeous colors, and as in beauty he had walked among us so in the beauty of a life that was enriched by the love of all who knew him, he took the sunset way of the unreturning, "Victorious in

the strife for the prizes that are undefiled."

Maxwell Savage

The death of Maxwell Savage on November 4, 1948 at the Memorial Hospital, Worcester, Massachusetts took from our midst one of the most devoted, hard-working, and effective parish ministers of our Fellowship. Also his death took from us one of those rare human beings who, by the very charm of a generous-minded personality, stirred in people a sense of their own dignity and self-respect. Max Savage not only won the affection and respect of those within the range of his influence, but, through his devotion to the values and institutions that he gave his life to, he directed their interests away from himself to the work of values that he loved.

Mr. Savage had been minister of the First Unitarian Church of Worcester from 1919 to July 1, 1946 when he resigned because of ill health and was made Minister Emeritus. During his ministry in Worcester, the Worcester Church grew to become one of the largest and most effective of the Unitarian Fellowship. The church building was destroyed during the hurricane of 1938, and replaced by a devoted Parish, minister, and friends.

Mr. Savage was born in Boston, Massachusetts, the son of Dr. Minot J. Savage and Ella Dodge Savage. He prepared for college in the Boston Public Schools and Noble and Greenough and was graduated from Harvard in the class of 1899. He spent one year in the publishing business and entered Meadville Theological School in 1900 from which he was graduated in 1903. Meadville conferred an honorary degree of D.D. in 1924

His first settlement was in Redlands, California from 1903 to 1910; he was in Louisville, Kentucky from 1910 to 1916; and during the years of the First World War, he was minister of the Unitarian Church of Lynn, Massachusetts. From Lynn, he was called to Worcester in 1919.

During his ministry of twenty-seven active years in Worcester, he made great contributions to the Fellowship at large. Much time was given to Proctor Academy, and in recognition of that generous work, one of the buildings is named in his honor. His faith in and loyalty to his Unitarian background, its free churches and fellowship of free churches, permeated his life work.

On January 18, 1911, he married Marguerite Downing of New York and Prout's Neck. Mrs. Savage and three sons — Maxwell Savage, Jr., David Downing Savage, and Phillip Minot Savage — survive him.

William A. Vrooman

William A. Vrooman died on February 17, 1949 at Montclair, New Jersey where he made his home following his retirement in 1946. He was 84 years of age. He was born in Ontario of Dutch descent, graduated from the Ontario College of Pharmacy and received his theological training at the Universities of Manitoba and Wisconsin. He was the minister of the Central Congregational Church in Winnipeg and then minister of the First Unitarian Church in the same city. In 1918 he became the minister of the First Unitarian

Church of Wilmington, Delaware, serving in that office until 1936. He organized the Unitarian Church in Harrisburg, Pennsylvania in 1928 and conducted evening services there until 1940. In 1920 he organized the Prisoners Aid Society of Delaware and for twenty-six years was its executive director. He accomplished much in the reform and improvement of penal laws and was the wise counsellor and sympathetic friend of prisoners and discharged prisoners.

This is the brief, outline record of Mr. Vrooman's professional career but in it there is very little to indicate the remarkable character of the man. He was a minister by virtue of the necessities and virility of his faith, and he was, throughout a very long life a servant of his fellowmen because of his compassionate heart and his hungering quest for a better social order. He was utterly selfless and sought no honors. As an author and preacher his thought was marked by honesty and strength, while his faith in truth and righteousness was as rugged as Gibraltar. Perhaps the excellence of his preaching was in large measure the direct consequence of his devoted pastoral service to his people and of much less fortunate people beyond the borders of his parish. He was a student of scholarly traits, and a tireless worker. To him the royal road of personal and social life was the road of character on which he walked to the end of his days.

Mr. Vrooman is survived by his wife and a daughter, Mrs. W. Paul Hamilton, of Montclair, and a second daughter, Miss Laura W. Vrooman of Toronto.

STATISTICS SUMMARY

No statistics are included from starred churches or summer congregations; the former because they are inactive, and the latter because most of the attendants are from other churches and their inclusion would pad the figures unduly. Preaching stations are not included in the list of churches, nor their figures in the statistics. The returns from a few federated churches include members of other bodies but the number is small and does not materially change the totals. These figures are also included in the year books of other denominations represented in each federation.

MINUTES OF THE ANNUAL MEETING

Held in Boston, Massachusetts, May 25 and 26, 1949

The 124th Annual Meeting of the American Unitarian Association was held in the Arlington Street Church, Boston, on Wednesday afternoon, May 25, and on the morning and afternoon of Thursday, May 26, 1949.

The meeting was called to order by the Moderator, Dr. George D. Stoddard, at 3:30 p.m. on Wednesday. The opening devotional service was conducted by Rev. Chadbourne A. Spring, of Melrose, Mass.

The order of business and rules of procedure as recommended by the Business Committee were adopted and the Committees on Credentials and Ballots as nominated by the Business Committee were elected. Provisions were announced for the casting of ballots for the election of officers by delegates unable to be present the following morning.

Messages of greeting were read from the Sadharan Brahmo Samaj, Calcutta, India, and from the Czechoslovak Church. Unanimous consent was given to send resolutions of greeting to the Universalist Church of America, the Congregational Christian Churches of America, the General Assembly of Unitarian and Free Christian Churches, Great Britain, the International Association for Liberal Christianity and Religious Freedom, the Czechoslovak Church, the Unitarian Church of Czechoslovakia, the Brahmo Samaj, the recently organized Japan Free Religious Association, and other Unitarian and liberal churches and groups throughout the world. The meeting voted to send special resolutions to Dr. Mortimer Rowe on the occasion of his retirement as Secretary of the General Assembly in Great Britain and Rev. John Kielty on the occasion of his appointment to that office.

Supplementing the condensed report of the Board of Directors which was in the hands of the delegates in printed form, Hon. Lawrence G. Brooks, the Chairman of the Board, addressed the meeting. He touched briefly upon the independent incorporation of the Unitarian Service Committee because of its hope thereby to receive more non-Unitarian support, upon the publication by the Beacon Press of "American Freedom and Catholic Power," by Paul Blanshard, as a valuable contribution to the problem which has increasingly disturbed non-Catholics in this country,

and upon difficulties of fund-raising, which are accentuated by differences of opinion in the denomination, to the right and to the left.

The Secretary announced that the first annual award to an individual in recognition of distinguished service in the cause of liberal religion, which was suggested by the Commission on Planning and Review in its report to the 1947 General Conference, would be made at the time of the October meeting of the Board of Directors. A dinner will be held in honor of the recipient, Dr. William Emerson, who in addition to his other distinguished services has been chairman of the Unitarian Service Committee since 1940.

ACTION ON AMENDMENTS TO THE BY-LAWS PROPOSED IN 1948

Upon motion by the General Counsel amendments to the By-laws were adopted to take effect at the adjournment of the 124th Annual Meeting.

The Business Committee having proposed an amendment in order to make clear in express words the practice which has been followed by the Committee in carrying out the duties previously implied in the By-laws, Article VII, Section 6, was amended to read as follows:

> "It shall be the duty of the Business Committee to receive and act upon all resolutions or other matters proposed for action at any annual, biennial or special meeting of the Association (except such matters as are provided for in these By-laws) and, except by consent of a three-quarters vote of those present and voting at the meeting, only such matters as have been presented to the Business Committee at least two months prior to the meeting shall be considered; provided, however, that any resolutions or other matters so presented but not scheduled by the Business Committee may be called upon the floor by a simple majority vote at the conclusion of the scheduled business. The Business Committee is empowered to promulgate such rules of procedure as may be necessary to carry out the intent of this section of the By-laws."

Amendments to Article V, Section 2; Article X, Section 2 and Article XI, Section 1 were adopted so that wherever the name Unitarian Ministerial Union had occurred it would be changed to Unitarian Ministers Association in order to conform to the change in the name of the organization.

The proposal to amend Article V, Section 1, so that the regional vice-presidents would be chosen from named states instead of from regions as in the present By-laws was referred to the Executive Committee of the Board of Directors for study.

Two proposals having been made to amend Article I, Section 5, of the By-laws, the General Counsel outlined the legal steps which would be required to amend Article I, which is stated to be the purpose of the Association and which under Massachusetts law cannot be amended by a majority vote of the Annual Meeting, but would require the filing of a petition with the Commissioner of Corporations and Taxation unless it should prove that at least two-thirds of all persons entitled to vote were present and voting in favor of the amendment.

Rev. Harvey Swanson, who had proposed one of the amendments to Article I, Section 5, read a legal statement upon the grounds of which he wished to withdraw his proposal and recommended the defeat of the other proposal, made by Rev. Dana McLean Greeley.

After debate, Mr. Greeley's proposal to amend Article I, Section 5 by addition of the clause, "that individual freedom of belief is an inherent part of the Unitarian way of life," after the word, "polity," was tabled by vote of 220 ayes and 176 nays. A motion by Mr. Swanson to withdraw his proposal of amendment to Article I, Section 5, which differed from Mr. Greeley's only by insertion of the words, "under God," after the word, "belief," was passed.

PROPOSALS FOR AMENDMENTS TO THE BY-LAWS—TO BE ACTED UPON IN 1950

The following proposals for amendments to the By-laws were introduced and will be brought up for action by the Annual Meeting in May, 1950.

The Denominational Affairs Committee of the Church of All Souls in New York City submitted an amendment to Article V, Section 1 by adding at the end thereof a new sentence, as follows:

> "To be qualified for nomination and election as an officer or director of this Association, a person must be a member of a member church of the Association and have been such for a period of at least five years preceding the nomination."

The Channing Conference, a member of the New England Unitarian Council, submitted an amendment to Article VII, Section 6 so that it would read as follows:

> "Section 6. It shall be the duty of the Business Committee to receive, deal with, and report upon all resolutions or other matters which any person may offer to be presented for action at any annual, biennial or special meeting (except such matters as are otherwise provided for in these By-laws) in accordance with the following provisions:—

'a. The Business Committee is hereby authorized and directed (subject to right of appeal as hereinafter provided) (1) to limit the time prior to a meeting for submitting a resolution or other matter, (2) to limit resolutions or other matters to be submitted at a meeting, to such number as can with reasonable thoroughness be considered, (3) to disallow, or allow only on condition of modification, resolutions or other matters which, in the form submitted, are in the opinion of the Committee undesirable or improper, (4) to refer questions involved in disallowed resolutions to governmental or other qualified bodies or individuals with a recommendation for investigation and study whenever it may in its discretion see fit to do so, and (5) to prescribe reasonable rules for the exercise of its power and duty in the foregoing respects.

'b. Any person may appeal to the Board of Directors (which may appoint a committee of five of its members to hear and decide appeals) from any rule or action of the Business Committee. He may further appeal to a meeting of the Association from any decision on an appeal by the Board of Directors or its committee. Any appeal to a meeting of the Association shall be filed with the Business Committee at such reasonable time in advance thereof as it may by rule provide, and shall be subject to such reasonable limitation of debate as shall be prescribed by the Moderator.

'c. Only the resolutions or other matters which the Business Committee shall allow for presentation shall be considered at a meeting of the Association (subject to the foregoing right of appeal).

'd. The votes in favor of or against a resolution shall not have the effect of passing or rejecting it but shall merely be evidence of the opinions of the individuals so voting. The Moderator may and, on nondebatable motion duly carried, shall cause to be recorded the number of persons at a meeting voting in favor of and against a resolution, and not voting.' "

The General Counsel proposed amendment of Article II, as follows:—

In Section 1 of Article II, insert the words "fellowship units" after the word "churches" in the first sentence and again after the word "churches" in the second sentence, so that, as amended, Section 1 would read:

"1. Churches, fellowship units, and other religious educational and philanthropic societies which make annual contributions to the Association shall be members of the Association. Churches, fellowship units, and organizations not members of the Association may become such whenever they shall express approval of or general sympathy with the purpose of the Association, and whenever their contributions are received and have been accepted by the Board of Directors."

In Section 2 of Article II, amend that part of Section 2 which follows the first sentence, so that Section 2, as amended, would read as follows:

"2. Each member church shall be entitled to be represented at all meetings of the Association by its minister or ministers, and two accredited lay delegates for the first fifty voting members or fractional part thereof, and by one additional lay delegate for each additional fifty voting members; and shall be entitled to choose a like number of alternate lay delegates to serve in the event of the absence of any of the delegates originally chosen, and in the case of such member churches as have local auxiliaries in good standing of the Unitarian Laymen's League, the General Alliance of Unitarian and Other Liberal Christian Women, and the American Unitarian Youth, by one additional lay delegate or alternate for each such auxiliary. Each fellowship unit shall be represented by one delegate or alternate only. Each other member society shall be represented by its president and two other accredited delegates or alternates only. The By-laws or precedents of the church, fellowship unit or other member society shall determine the manner in which its lay delegate or lay delegates are chosen. No individual member nor any delegate shall be entitled to more than one vote at any meeting of the Association. A contribution must be placed in the hands of the officers of the Association on or before April 30 to entitle a church, fellowship unit or other society to be represented in meetings of the Association during the year beginning on the following May 1."

Add after Section 2 of Article II a new section which would read as follows:

"3. Members of the Board of Directors of the Association while they hold office shall be members of the Association and shall have the rights and privileges of accredited delegates."

The General Counsel submitted an amendment to the nomination procedure to correct what appears to be an unintentional error. In Section 7 of Article X amend that part of Section 7 which follows the first sentence so that Section 7 would read:

"Nominations for any and all officers, directors and committees shall be published at least ninety days prior to the date of election. Additional nominations may be made through nomination papers signed by fifty adult voting members of a member church, of whom not more than five shall be members of any one member church, and such nominations when reported to the Secretary of the Association not less than sixty days prior to the date of the meeting at which they are to be voted upon shall be placed upon the official ballot for said meeting."

By Fred Cairns, Max Gaebler, Richard Henry, Homer Jack, and Jack Mendelsohn there was submitted an amendment to Article VII, Section 6, as amended by the present 1949 Annual Meeting by substituting the word "edit" for the words "act upon," so that Section 6 would read:

> "It shall be the duty of the Business Committee to receive and edit all resolutions or other matters proposed for action at any annual, biennial or special meeting of the Association (except such matters as are provided for in these By-laws) and, except by consent of a three-quarters vote of those present and voting at the meeting, only such matters as have been presented to the Business Committee at least two months prior to the meeting shall be considered; provided, however, that any resolutions or other matters so presented but not scheduled by the Business Committee may be called upon the floor by a simple majority vote at the conclusion of the scheduled business. The Business Committee is empowered to promulgate such rules of procedure as may be necessary to carry out the intent of this section of the By-laws."

By Mrs. Nelson Burgess there was submitted an amendment to Article X, Section 7, so that Section 7 would read:

> "Nominations for any and all officers, directors and committees shall be published at least ninety days prior to the date of election and for every vacancy to be filled at least two names shall be provided for the ballot by those authorized to make nominations under Sections 2 to 6 inclusive of this Article. Additional nominations may be made through nomination papers signed by fifty adult voting members, of whom not more than five shall be members of any one constituent society, and such nominations when reported to the Secretary of the Association not less than sixty days prior to the date of the meeting at which they are to be voted upon shall be placed upon the official ballot for said meeting."

Rev. Solon D. Morgan, Mrs. Harold Raynor and Mr. Guy M. Graybill, Jr., representing The First Unitarian Church of Flushing, New York, submitted an amendment to Article I, Section 5, so that it would read as follows:

> "The Association recognizes that while its constituency is congregational in tradition and polity, the following principles, inherent in the Unitarian way of life, must in good faith be acceptable to the constituency:
>
> 'Individual freedom of belief.
> 'Discipleship to advancing knowledge.
> 'The democratic process in human relations.

'Universal brotherhood, undivided by nation, race or creed.
'Allegiance to the cause of a united world community.' "

Rev. Randall S. Hilton, on behalf of the Western Unitarian Conference and Ministers of the Western Conference, submitted amendments to reduce the size of the Board of Directors by abolishing the office of Regional Vice-President, and to provide for regional representation on the Board by giving to the organized regional areas the right to nominate members to the Board, as follows:

1. To amend Article V, Section 1, by striking out the words, "and nine (9) Regional Vice-Presidents, one of whom at the time of his or her election shall be from Northern New England, one from Southern New England, one from the Middle Atlantic States, one from the Southeastern States, one from the Southwestern States, one from the Central West, one from the Rocky Mountain States, one from the Pacific Coast, and one from the Dominion of Canada," so that Section 1 would read as follows:

"The officers shall be a Moderator; a President; a Secretary; a Treasurer. These officers, with twenty-four (24) other persons, shall constitute the Board of Directors. They shall be chosen by ballot at annual meetings, except that the Board of Directors may fill any vacancy to hold until the next annual meeting."

2. To amend Article X, Section 2, by adding to the first sentence the names of the organized regional areas, so that Section 2 would read as follows:

"The Unitarian Ministers Association, the General Alliance of Unitarian and Other Liberal Christian Women, the Unitarian Laymen's League, the American Unitarian Youth, the Pacific Coast Unitarian Conference, the Southwestern Unitarian Conference, the Western Unitarian Conference, the Meadville Unitarian Conference, the Middle Atlantic States Council of Unitarian Churches, and the New England Unitarian Council, shall each have the right to nominate one director to serve for one year. If such a director is not nominated or if, after such a director is elected, the office shall become vacant, the vacancy shall not be filled by the Board of Directors until the organization affected shall have been given an opportunity to submit its nomination to the Board of Directors."

3. To amend Article V, Section 2, by substituting the number, "twelve" for "eighteen," the number, "three" for "five," and by striking out the words, "officers and," so that the said Section 2 would read as follows:

"The terms of office shall be as follows: the Moderator for two years; the President, the Secretary, and the Treasurer, for four years; twelve

(12) of the Directors, of whom not less than three shall be laymen, not less than three shall be women, and not less than three shall be ministers, for three years, one-third to be elected annually; all other Directors for one year."

4. To amend Article X, Section 5, by substituting the number "twelve" for "eighteen," and by striking out the words, "and all other officers qualified to be members of the Board of Directors," so that Section 5 would read as follows:

"The other twelve Directors, of whom one-third shall be chosen annually for three years, shall be nominated by the Nominating Committee."

The Moderator then declared the meeting recessed until nine o'clock in the morning of the next day.

THURSDAY SESSIONS

The Thursday morning session was opened with prayer by Rev. Lewis A. McGee, of Chicago.

Dr. Raymond B. Bragg, the Executive Director, reported for the Unitarian Service Committee. He said that while the Committee has become an independent corporation in the legal sense, it is erroneous to say that it has become independent of the Fellowship of Unitarians. He spoke of the mission program which has reached around the world and given new and positive significance to the name, "Unitarian." Dr. Bragg said that $100,000 must be received before June 30 if projects are not to be eliminated and that, to secure non-Unitarian support, substantial and whole-hearted support must be counted upon from Unitarians.

Following introduction of delegates from the First Unitarian Church of Portland, Oregon, Dr. Robert Killam was called upon to report, as Chairman of the Program Committee, upon plans for the General Conference to be held in Portland August 15-18.

Dr. Leslie Pennington reported for the Interdenominational Action Project Committee which was authorized by recommendation of the 1947 General Conference. With the enthusiastic cooperation of the Universalists and the American Ethical Union it was decided to recommend a project in an area closely related to religion, that of mental health. The Meeting voted to accept the report of this committee and to authorize administrative and financial steps to carry out its provisions.

Mr. John Fisher, Executive Director of the United Unitarian Appeal, reporting that of the goal of $350,000 only $200,447 was raised in the

campaign of 1948-49, pointed out that one of the basic reasons for the failure of the fund-raising had been the lack of genuine enthusiasm, the fact that Unitarians have been taking themselves too seriously and the cause of liberal religion not nearly seriously enough. He felt that energies were being dissipated in looking away from the practical features of Unitarianism in action and lending strength to resolutions, By-law amendments and discussion. He emphasized that the objective in the months to come should be the establishment of new Unitarian churches and aid to and improvement of existing Unitarian churches.

Hon. J. Ray Shute, Mayor of Monroe, North Carolina, and one of the founders and a past president of the Unitarian Fellowship in that city, addressed the meeting, setting forth the moral obligation of Unitarians to form fellowship units, of which there are now twenty-two and about a dozen others in process of formation. Mayor Shute visualized Unitarian Advance in terms of strong churches in cities where they will thrive plus fellowship units, often organized by members of the Church of the Larger Fellowship, scattered throughout the country.

The Treasurer, Mr. Frank B. Frederick, called attention to his report as printed in the report of the administrative officers and asked the delegates to give serious consideration to the fact that with restriction of the budget of $400,000 originally adopted for 1948-49 to expenditures of $363,500 it had yet been necessary to spend roughly $120,000 of unrestricted capital. He strongly believed that, while service to the churches must not be curtailed, expenditure of capital could not go on unabated.

Rev. Ernest W. Kuebler, Director of the Division of Education, reported that more than fifty per cent of Unitarian churches are now finding education at the heart of their programs. He noted the amazing increase in church school attendance and enrollment, while the increase in average expenditure per child per year has increased to $2.00 from fifty cents twelve years ago. Mr. Kuebler saw the future in church schools and youth groups. The Adult Education program is vigorously moving forward and is deeply concerned with developing basic attitudes on the adult level.

The report of the Division of Publications was presented by Mr. Frederic G. Melcher, who spoke of the steady growth and betterment in the use of print for the cause of Unitarianism over the past dozen years and urged the need for still more attention to its importance in denominational work. He said that the editorial independence of *The Christian Register* is preserved through an Editorial Board, while the responsibility for the permanence of its publication has been placed upon the Association. In addition to publication of books in the field of religious education which

embody new attitudes and spiritual values, the Beacon Press has become a university press for liberal religious thought and philosophy everywhere. The publication of the book by Paul Blanshard in the Freedom Series, earlier referred to by the Chairman of the Board of Directors, was not an attack but a defense — a gathering of materials for the defense of our established systems.

The Chairman of the Committee on Ballots, Mr. Danforth B. Lincoln, reported 571 ballots cast in person and 299 absentee ballots received, making a total of 870 ballots cast.

The Moderator then declared the following officers and directors elected:

President: Frederick M. Eliot
Secretary: Dana McLean Greeley
Treasurer: Charles S. Bolster

Regional Vice-Presidents:

E. Burdette Backus
Albert Bowen
Angus deM. Cameron
Nathaniel L. Harris

Roger D. Johnson
Oscar S. Nelson
Kenneth B. White
Douglas B. Whiting

Directors for a Term of Three Years:

Lawrence G. Brooks
Mrs. James T. Denton
Harry C. Meserve

Wallace W. Robbins
Mrs. James H. Wolfe

Directors for a Term of One Year:

Fred I Cairns
Otto T. Gilmore
Kurt L. Hanslowe
Mrs. George W. Pieksen
Dwight S. Strong
Warren B. Walsh

Following the election the Moderator introduced Dr. Eliot, who said that to be elected President of the Association for a fourth term was an honor that he deeply appreciated and a responsibility which he could not lightly assume. He said that the year just ended had on the whole been a good year, including, for example, the organization of the tenth new church under the present policy of the Extension Department and the work of Rev. Lon Call in the mission field. He said that 1950 would be the one hundred and twenty-fifth anniversary of the Association, a convenient point around which to evaluate achievement.

A collection was taken, amounting to $604.05, to be used to bring to this country next fall a young liberal Japanese to study at Meadville, with the idea that he would become one of the leaders in the Japanese free religious movement.

Mr. Dwight S. Strong, Chairman of the Special Committee on Travel Equalization, said that the Committee would recommend a plan to the Board of Directors whereby partial reimbursement of delegates traveling a distance greater than the average would be possible.

The opening prayer for the afternoon session was given by Rev. Richard H. Huff, of Stoneham, Massachusetts.

It was announced that the Moderator had been called back to his duties as President of the University of Illinois and Mr. Charles S. Bolster was elected Moderator pro tem. by voice vote.

Dr. Merrill E. Bush reported briefly on action taken on resolutions passed the previous year.

Rev. Karel Vit, the representative in America of the Patriarch of the Czechoslovak Church, addressed the meeting briefly. He spoke of his plans to supervise and help to reorganize the Czechoslovak churches in the United States and Canada. In his work he had appreciated the help and support of the American Unitarian Association and its President as well as of individual Unitarians among his neighbors.

RESOLUTIONS ADOPTED

A Unitarian Position Concerning Basic Human Freedoms

Whereas: We reject all doctrines, movements, and practices whenever and wherever they violate or contravene the essential dignity and freedom of the human personality; and

Whereas: We are aware of the increased responsibility of the United States and Canada, induced by their current positions of power and influence which affect, directly or indirectly, the thinking of the people of the world, and recognize the resultant need to guard within our own borders the freedoms we advocate abroad;

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 124th Annual Meeting, demands of our governments, in any investigations or totalitarian ideologies of the Right or Left, full protection of the civil rights and basic freedoms for every person in the United States of America and the Dominion of Canada; and

Be It Further Resolved: That we condemn the use of terror, violence or any other method of intimidation to dominate the thinking or actions of any person or group of persons, wherever they may be; and that we demand of our governments that they accept their full responsibility for fostering, at home and abroad, an economic and social climate in which freedom of the individual can exist.

Submitted by the Washington, D. C., Chapter, Unitarian Fellowship for Social Justice, endorsed by the Executive Committee of the Unitarian Fellowship for Social Justice and by the Social Action Committee of the Unitarian Society of Grafton, Mass., revised by the Business Committee and adopted as revised.

Elimination of Exemption to Theological Students Under Selective Service Act of 1948.

Whereas: Unitarians traditionally seek to encourage men contemplating the ministry as a profession to share as completely as possible the experiences of others of their own generation; and

Whereas: The Selective Service Act of 1948 exempts from training and service thereunder students preparing for the ministry under the direction of recognized churches or religious organizations, who are satisfactorily pursuing full-time courses of instruction in recognized theological or divinity schools, or who are satisfactorily pursuing full-time courses of instruction leading to their entrance into recognized theological or divinity schools in which they have been pre-enrolled;

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 124th Annual Meeting, urges upon the Congress of the United States the elimination of all special exemption to theological and pre-theological students.

Submitted by the Fellowship Committee of the American Unitarian Association.

Separation of Church and State

Whereas: Sectarian pressures seeking to destroy the wall of separation between church and state to the hurt of our democratic way of life are increasing in extent and power;

Be It Therefore Resolved: That theAmerican Unitarian Association, assembled in its 124th Annual Meeting, mindful of its devotion to the historic American principle of separation of church and state, pledges itself and urges its members, in this critical period, to resist all encroachments upon this principle.

Be It Further Resolved: That the Association herewith reaffirms its endorsement of the purposes of Protestants and Other Americans United for the Separation of Church and State, as embodied in its resolution of May 27, 1948, and again urges the churches of the Association and their members to give support to this movement in the defense of liberty and democratic principles.

Submitted by the Executive Committee of the Unitarian Fellowship for Social Justice, revised by the Business Committee and amended by Mr. Zeiger.

Congratulations and Support to the National Association for the Advancement of Colored People

Whereas: Unitarians have always been deeply interested in and do support constructive efforts to promote brotherhood among all races, creeds and cultures and attempts to fulfill and implement basic civic and human rights; and

Whereas: This fundamental purpose has been carried on for the past forty years by the National Association for the Advancement of Colored People;

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 124th Annual Meeting, expresses its congratulations and esteem to the National Association for the Advancement of Colored People upon that organization's fortieth anniversary of service to the American people; and

Be It Further Resolved: That the American Unitarian Association records its support of the common aims which it shares with the National Association for the Advancement of Colored People and suggests that its constituents aid the program of the National Association for the Advancement of Colored People by urging their members to participate through individual and group memberships within its ranks, and pledges itself to press for the realization of these aims in the life of its member churches.

Submitted by the Executive Committee of the Unitarian Fellowship for Social Justice, approved by the Advisory Committee, Department of Adult Education and Social Relations, and amended by Mr. Chworowsky.

Social Security for Employees of Non-Profit Organizations

Whereas: The American Unitarian Association looks upon Social Security as a public service which in no way interferes with the separation of church and state but, on the contrary, entitles all participants in this

service to follow their religious beliefs in unfettered freedom and without political interference;

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 124th Annual Meeting, supports the present attempt to broaden the social security laws and, in particular, favors the extension of this protection through compulsory coverage to the employees of non-profit organizations, including religious bodies.

Submitted by the Executive Committee of the Unitarian Fellowship for Social Justice, revised by the Business Committee, and adopted with amendment.

A Program of Unitarian Advance

Whereas: The Unitarian Movement has today an extraordinary opportunity to grow both in members and in the signficance and power of its influence; and

Whereas: The character and spirit of the Unitarian Movement in the years just ahead may largely depend upon decisions soon to be made; and

Whereas: The term "Unitarian Advance" enlisted the enthusiasm, and served as an effective rallying point, of the Unitarian Movement, although the original program designated by that term was not fully developed; and

Whereas: We have the experience of several important and successful projects of Unitarian Advance in recent years;

Be It Therefore Resolved: That we request the directors of the American Unitarian Association to establish an integrated, challenging and realistic program of Unitarian Advance, utilizing to the utmost the wisdom, vision and experience of officers and committees of the Association, regional organizations, local churches and major Unitarian Agencies.

Submitted by the Middle Atlantic States Branch of the Unitarian Ministers Assocation.

Freedom of the Air

Whereas: Since September, 1946, the Massachusetts Universalist Convention has been broadcasting addresses on Sunday mornings for various periods over Radio Station WLAW in Lawrence, Massachusetts, until Easter Sunday, April 17, 1949. On the preceding Monday, Rev. Kenneth L. Patton, the minister of the Charles Street Universalist Church of Boston, for the first time, was asked for a copy of his script. On Good Friday he was advised that unless fundamental changes were made he

would not be allowed to broadcast. The Massachusetts Universalist Convention decided not to make the changes and the proposed broadcast over Station WLAW was banned.

Be It Therefore Resolved: That the American Unitarian Association, assembled in its 124th Annual Meeting, deplores interference with the free expression of religious views; and

Be It Therefore Resolved: That a copy of this resolution be sent to the Federal Communications Commission, Washington 25, D. C., and to Radio Station WLAW, Lawrence, Massachusetts; that the President of the American Unitarian Association be and he is hereby authorized, subject to the approval of the Board of Directors, to co-operate with the Massachusetts Universalist Convention in such proceedings as they may take to establish and enforce any rights, privileges, and immunities it may have arising out of this action; and that, subject to the approval of the President of the Association and the Board of Directors, the Association contribute funds towards the expenses of these proceedings.

Submitted by Dr. Dilworth Lupton, Waltham, Massachusetts, and adopted as amended.

Mr. Bolster, Moderator pro tem, then stated that he was obliged to leave, and asked the consent of the delegates to his turning over the meeting to Judge Burkholder, who presided until adjournment.

The Moderator having ruled that it was in order to introduce additional proposals of amendments to the By-laws for action at the next Annual Meeting, Mr. Greeley presented again his proposal to amend Article I, Section 5 to read as follows:

> "The Association recognizes that its constituency is congregational in tradition and polity, that individual freedom of belief is an inherent part of the Unitarian way of life, and that nothing in these By-laws is to be construed as an authoritative test."

A proposal from Rev. A. R. Shelander of Sharon, Massachusetts, was introduced by Mr. Burkholder, that Article I, Section 5 of the By-laws be amended to read as follows:

> "The Association recognizes that its constituency is congregational in tradition and polity, and respects the right of each individual to formulate his belief in accordance with his best insight."

Rev. Hugh Weston, minister of the churches in Natick and Marlborough,

Massachusetts, proposed an amendment to change Article X, Section 7, substituting the word, "ten" for "fifty," so that it will read:

> "Additional nominations may be made through nomination papers signed by ten adult voting members . . ."

The report of the Committee on Credentials, as finally presented, showed a total of 803 accredited delegates in attendance: 186 ministerial delegates, 578 lay delegates, and 39 life members.

The singing of a hymn and the Benediction by the President concluded the Meeting, which was declared to be adjourned.

Secretary

REPORT OF THE BOARD OF DIRECTORS

To the American Unitarian Association:

In accordance with the By-Laws of the Association, and in account of its service to the churches, and of its administration of the Association, the Board of Directors herewith submits its annual report for the year May 1, 1948 to April 30, 1949.

The Board has held five meetings, which have fallen in the months of May, June, October, January and March. The June meeting was an extra meeting, and the January meeting an extra long meeting, and the March meeting included sessions on two days instead of one. As usual councils and committees of the Board met on the days prior to the meetings of the Board itself. Executive Committee meetings during the year have numbered fourteen. Judge Lawrence G. Brooks, as chairman of the Board, has presided at all meetings both of the Board and of the Executive Committee. With thirty-six members on the Board of Directors, the average attendance has been twenty-eight; and with nine members originally on the Executive Committee, and then eight, the average attendance has been something over six. In the middle of the year, upon his election as president of the Massachusetts Institute of Technology, Dr. James R. Killian felt it necessary to resign from the Executive Committee, although he did not resign from the Board of Directors. Appointed officers and regional directors, representatives of other Unitarian agencies, and the chairman of the Commission on Planning and Review have attended the Board meetings by invitation.

Administratively the Association has functioned through its several Divisions and the various departments of these divisions. All divisions report a year of significant expansion and achievement.

In relation to the Division of Churches it should be particularly noted that the new program of founding Fellowship Units, which are small, informal gatherings, but potential churches, has been carried forward most successfully. Twenty-two such Fellowship Units have been established during the twelve months period in fifteen states, Canada and the Canal Zone, with a total membership of four-hundred and eighty-seven. One new Church, the Tennessee Valley Unitarian Church, at Knoxville, Tennessee, has been organized and received into the Association.

No churches have been closed or taken from the list. The total membership of all the churches has increased during the year at an estimated rate of two and one-half percent. A project of special interest during the year is represented in the enthusiastic support that has been given to the promotion of the Thomas Jefferson Memorial Church in Charlottesville, Virginia.

The Division of Education has achieved many noteworthy records. Sixteen hundred persons were present last summer at eight leadership training institutes. Enrollment in the Church Schools has increased an estimated sixteen percent. The number of Schools using Beacon Press curriculum material exclusively has gone up from twenty to over thirty percent. And the Adult and Social Relations Department has been correspondingly busier than before.

The Division of Publications has continued to grow, and has increased its sales 55½% over a year ago. It has undertaken a number of publishing responsibilities of major significance, and has received wide commendation for its work from many religious leaders and denominational and secular presses. Mr. Arnold, director of the division, has been also managing editor of the Christian Register, though in pursuance of the new policy of the Association a Board of Editors was elected by the A.U.A. Board a year ago, which Board has consisted of Professor Warren B. Walsh, Rev. Harry C. Meserve, and Rev. Gerald F. Weary.

The Service Committee continued its Medical Missions last summer, and has carried on its work characteristically through the year. It suffered however a serious financial set-back through the failure of the American Overseas Aid Campaign, and subsequently has had to curtail considerably in its program. During the year the question arose as to whether it would not be advisable for this committee to incorporate separately in order to strengthen its position, and to be able to receive more money for non-sectarian work from non-Unitarian sources. After much deliberation and discussion both by the Association and by the Service Committee, it was agreed that this step should be taken. The Unitarian Service Committee consequently has been incorporated as an independent Unitarian agency, joining our family of denominational agencies, and under the vigorous and devoted leadership of William Emerson, Seth T. Gano, Mrs. Eva Whiting White, and Edward B. Witte, its officers, and of the Reverend Raymond B. Bragg, its Executive Director, it promises to fulfill worthily the hopes and the heritage of its early years as part of the Association. A very distinguished record will not be interrupted save by the change in the nature of the organization.

And it is believed that as the Committee appeals to the non-Unitarian public, it will also have in the future a more generous loyalty from our own constituency even than before.

The Board of Directors has endeavored to give its full support to the United Appeal, as it has at times helped the United Appeal and many of the participating agencies with loans and advances.

At the beginning of the year the Board voted to put the Association itself on a "pay as you go" basis, feeling that deficits of the last few years, resulting in part from less income each year from the United Appeal than had been anticipated, could be very largely avoided if the money was not spent until it was in hand. Making the shift justified, it was believed, more use of unrestricted capital in the past twelve months than otherwise would have been needed.

A budget reduction of $20,000 was voted by the Board at the October meeting, and a further reduction of $50,000 for the coming year was recommended by the March meeting. A serious financial situation has been occasioned in part by the loss of a large sum of unrestricted capital loaned to the Unitarian Service Committee during its emergency period, but this money is to be returned to the Association in regular installments.

It was recommended by a small committee in the Fall that was studying for the Board Association and Service Committee problems, that a General Council for all Unitarian Agencies should be organized, a Council that would serve on the planning level perhaps as the United Appeal serves on the money-raising level. This suggestion has been discussed and reintroduced at other times, and has appeared to meet with a wide sympathy.

Upon several occasions in the middle of the year discussion was given to the possible publication of Paul Blanshard's important but controversial book entitled "American Freedom and Catholic Power." The Board took no formal action upon this matter, except to recognize the full right of the Beacon Press to proceed to publish this book, in the same manner in which it has published others, if it chose to do so.

An effort was made during the year, upon the initiative of Dr. Walsh, to democratize the functioning of the Executive Committee, and to clarify its relation to the full Board.

The Commission on Church Union, under the chairmanship of the Reverend Leslie T. Pennington, has reported progress during the year, and the Board gave initial approval to a program advocated by our Interdenominational Action Project Committee under the chairmanship of Professor James Luther Adams.

We have given financial and moral encouragement to our two secondary schools, Hackley and Proctor Academy. We were represented in June by the secretary and the Rev. Roscoe E. Trueblood at the National Council of the Congregational and Christian Churches in Oberlin, Ohio, and by a large delegation in March at the Federal Council of Churches Conference on World Order in Cleveland. The first observance of United Nations Sunday was a significant one among our churches as a result of stimulus provided by our own Committee of which the Rev. Harry B. Scholefield was chairman.

Rev. Francis G. Ricker was appointed early in the year Regional Director for the Pacific Coast, and the Rev. Robert Killam later as Regional Director for the Meadville Conference Area.

The Rev. Herbert Hitchen resigned during the year as Director of the Department of World Churches in order to devote full time again to his own Church in West Newton, and the Rev. Edward A. Cahill of Nashua was made Director of this important Department.

The Association lost by death in the Fall a long-time and devoted servant in the person of William F. Krayer, our Associate Counsel. Finley H. Perry was temporarily appointed to take Mr. Krayer's place.

In January the Board voted to institute an Annual Award to be made by the Association in recognition of distinguished service in the cause of liberal religion.

Detailed reports concerning various other aspects of our work will be presented at this annual meeting, and the Board of Directors requests special attention to the reports from the Treasurer and the United Unitarian Appeal.

There are issues that divide us and problems that harrass us, as is true in similar fashion with pretty nearly every other denomination. Still there are loyalties that bind us one to another, and we have a faith for which the world hungers; it is a faith that is the very basis of democracy. It is our privilege and duty as an Association of Churches, as well as through the local Churches, to strengthen and to extend this faith, and to bear witness to the ideals of freedom and of truth. To this end may the blessing of God be upon us; may we have the ever increased cooperation of all the Churches, and of all the members of those Churches; and may we serve in the widest and the fullest sense possible the high purposes to which we are committed.

Secretary.

REPORT OF THE TREASURER
FOR THE YEAR ENDING APRIL 30, 1949

AUDITOR'S REPORT

BOSTON, MASSACHUSETTS
AUGUST 24, 1949

We have examined the financial statements of American Unitarian Association, as listed in our report for the fiscal year ended April 30, 1949. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We satisfied ourselves that all cash recorded as received was properly deposited in the bank, that all income due from investments was received or properly accounted for, and that disbursements were supported by cancelled checks and properly approved vouchers; and we examined or otherwise satisfactorily accounted for the investments on hand at April 30, 1949.

In our opinion, the accompanying balance sheet and supporting schedules present fairly the position of American Unitarian Association at April 30, 1949, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Scovell, Wellington & Company.

REPORT OF THE TREASURER

Boston, Massachusetts
August 24, 1949

The Income and Expense Account and the Balance Sheet as contained in this report, have been taken from the auditor's report. Accompanying each of these schedules are explanations and comments by the treasurer, which it is hoped will enable those who are interested in the Association's financial affairs to understand them better.

All churches and other organizations which contribute to the United Unitarian Appeal are treated as having complied with the provision of the by-laws of the Association which requires an annual contribution in order to maintain membership in the Association.

This report segregates gifts to the Association where the principal or income is applicable to the work of the Association, from those funds which during the year have been turned over to the Association as trustee.

The rate earned by our General Investment Account, in which are invested most of the funds of the Association and most of the Trust funds held for others, was 4.60% for the year ending April 30, 1949.

In the "Report of the Administrative Officers to the Annual Meeting, May, 1949" there was included a series of graphs which show the general picture of the Association's income and expenditures. I prepared these graphs in the hope that they would be helpful to all Unitarians in their better understanding of the Association's finances. Copies of this special report will be sent to any Unitarian on request.

Frank B. Frederick,
Treasurer

Building Loan Fund

Under the will of Edwin J. Lewis of Milton, Mass., $50,000 was bequeathed to the Association for the purpose of aiding Unitarian societies in the erection of church buildings under the rules governing the Building Loan Fund. It was Mr. Lewis's desire that his gift be used for the purpose of new construction, and for this reason a new item appears in the Balance Sheet reflecting the establishment of his fund.

Special Funds

This item, which totals $5,110,999.72 consists of funds which are not available for the general purpose of the Association but which have been left to the Association for special purposes designated by the donors.

General Funds

The general funds of the Association total $4,151,005.49. In the Balance Sheet this year, the general funds are divided into four items as follows:

(a) $1,082,368.54 represents funds, the principal of which has been restricted by the donors. Only the income from these funds can be used, but the income can be used for the general purposes of the Association under the direction of the Board of Directors.

(b) $1,908,092.92 represents funds which are not restricted in any manner and the principal and income can properly be used under the direction of the Board of Directors for the general purposes of the Association. It should be noted, however, that $1,246,187.92 of these funds have been invested principally in mortgages on real estate, including $1,039,333.43 in church properties.

(c) In addition to the items referred to in (a) and (b) above, $842,143.28 represents funds, the principal of which has not been in any way restricted by the donors, but on which many years ago the Board of Directors of the Association placed the restriction that only the income should be used. The specific bequests making up this amount of $842,143.28 depended not upon any restriction of the donor, but the Board of Directors provided that the date of the donor's will should determine the bequests to be restricted. These funds, therefore, are being held by the Association and only the income used for the general purposes of the Association under the direction of the Board of Directors.

(d) $318,400.75 represents funds wholly unrestricted by the donors, but which may be under the same restriction described in (c) above, and until the status of these funds is definitely established only the income

will be used for the general purposes of the Association under the direction of the Board of Directors. These funds came to the Association under wills whose dates do not appear in the old records of the Association. These wills were all probated in outlying counties of Massachusetts and in some cases in other states. Investigation is being made to determine the date of each will concerned, and as this study proceeds, these funds will be transferred to the category described in either (b) or (c) above.

Other Balance Sheets and Income Statements:

The auditors prepare balance sheets and income statements for the Publication Department and the Christian Register which are on file in the treasurer's office.

The Treasurer stands ready at all times to discuss the financial affairs of the Association with any member of the denomination.

REPORT OF FINANCE COMMITTEE

The investment and reinvestment of funds owned or held by the Association is under the direction of the Finance Committee appointed by the Board of Directors. During the fiscal year 1948-49, or some part of it, the following have served as members of the committee: Charles O. Richardson, Leon M. Little, Marshall B. Dalton, Arthur L. Coburn, Jr., Frederick M. Eliot, Frank B. Frederick, and Percy W. Gardner as Chairman and Investment Counsel. The latter part of the year Mr. Gardner resigned from the Committee and Mr. Frederick was elected Chairman.

On the following pages you will find listed, with their cost prices, the securities which the Association holds, except those held by it as agent for the Unitarian Sunday School Society, and as trustee for the Rogers Memorial Fund.

On April 30, 1949, the market value of the total portfolio was 102.818 per cent of the cost, or book value, as against 104.628 per cent on April 30, 1948. The market value of the various classes of securities on April 30, 1949 was as follows: United States and Canadian Government bonds, 100.577 per cent of the cost; public utility bonds, 98.51 per cent; railroad bonds, 99.223 per cent; industrial bonds, 98.322 per cent; preferred stocks, 100.889 per cent; banking and insurance stocks, 105.275 per cent, and miscellaneous common stocks, 106.041 per cent.

Respectfully submitted,

Frank B. Frederick,
Chairman
